## B. P. W. C. HEARS ATTORNEY GEDDES AT LAST MEETING

The Business and Professional Women's club met Monday evening at the club house with Attorney Paul Geddes as guest speaker.

Miss Amanda Anderson, president, conducted the meeting and it was announced that the next district conference would be held at Medford, April 5th and 6th. All who can attend are urged to do so.

At the conclusion of the business session, Elizabeth Garrett, chairman of the entertainment committee, introduced Attorney Geddes, who spoke on the subject, "Do we get what we pay for in government?" He outlined the many benefits received from the government and how much the benefits exceed the small tax required every year.

The Lookingglass barber pole quartet, consisting of Mrs. Helen Saar, Clara Mae Haller, Maurice Holme and Maybelle Strickland sang several numbers. The group dressed in appropriate costumes for the songs. Assisting Mrs. Garrett on the evening's entertainment committee included: Mildred Horn, Dolma Grobe, Sula Parkinson and Mae Seems. Delicious refreshments were served later to Laura Iles, Mary Alice Wolford, Bess Stark, Stella Spencer, Carrie Bell, Gene Mills, Ethel Easton, Elnor Sherk, Lois Duncan, Ila Laubach, Lucille Lenox, Dorothy Norton, Ina Farnsworth, Elizabeth Garrett, Margaret Saunders, Nance Fitzsimmons, Margaret Watkins, Ingra High, Mae Seems, Althea Caraway, Amanda Anderson, Margaret Johnson, Sula Parkinson, Mildred Horn and Hazel Dixon.

## IRENE VELDA PROWELL AND EUGENE S. FRAISER MARRY HERE SATURDAY

Miss Irene Velda Prowell, of Kelley's Korner, and Eugene S. Fraiser, of Myrtle Point, were quietly married at the home of Dr. and Mrs. Charles A. Edwards Saturday evening at nine o'clock.

Dr. Edwards read the impressive ring ceremony and Mr. and Mrs. J. W. Prowell, parents of the bride, acted as attendants. The bride wore a black tulle with white accessories and a corsage of violets. They will make their home at Myrtle Point, where the bridegroom is employed.

## Roberts Creek Water District Plan Advanced

### Engineer's Findings on Rights Of Cooper Springs Users Get Circuit Court Confirmation

An order confirming the report of the state engineer in establishing rights of users to water from Cooper springs was made in circuit court here today as another step in the four-year-old effort to establish the Roberts Creek water district. The case has been in the courts for three years in an effort to set up a system which would supply water for domestic and farm purposes for a large territory, including the Roberts creek, Gleggary, Greens and Happy valley communities.

In attempting to secure water from Cooper springs as a source of supply for the distribution system, the water district brought condemnation proceedings against those holding water rights. The court held that no action to determine damages could be entertained until the respective rights of each claimant had been determined.

Hearings thereupon were held before the state engineer, who examined evidence pertaining to priorities and use of water for domestic, irrigation and stock watering purposes. The engineer recently filed his report which sets forth the rights of each of the 16 claimants and the court called for a hearing today of any objections to the report. No objections were filed and an order confirming the report was entered.

The action taken today makes it possible for the board of water district to agree with claimants upon the amount of damages to be paid to each, and if agreements cannot be reached to proceed by regular condemnation in which the jury would be called.

## Warning to mothers: WORMS CAN CAUSE TROUBLE

Learn the truth! Anybody, anywhere, can have roundworms. And they can cause great distress inside your child without your even knowing what is wrong.

Many pale, nervous, undersized children have bowel worms. Other innocent-looking children have worms in their stomachs, intestines, liver, spleen, and lungs.

Don't take chances with roundworms! Get Jayne's Vermifuge today! It is America's best known, proprietary worm medicine—used by millions, for over a century. Jayne's expels stubborn roundworms, yet acts gently. If there are no worms, it works just as a mild laxative. Insist on Jayne's Vermifuge.

# This Bank stood alone—the only bank in all the southern Oregon area—just 58 years ago today.

Ahead of it was a future, optimistic and unpredictable.

Up with the pioneers through the closing days of the pony express, the stagecoach and the horse and buggy; into the heyday of the steam locomotive, the automobile and the airplane—the bank has kept abreast of the times.

Alert to advancements in the banking field this bank has constantly improved its quarters, its systems, its services and kept modern its appliances.

The year just ended has been no exception. In that time the bank installed the Recordak system in its transit department, purchased a machine to handle coins received in bulk, and changed its system for increased efficiency.

The management is appreciative of the public support which made it possible to keep up-to-date, to become the largest independent bank in southern Oregon, and to continue as oldest in that area.
