

Four Shutouts Mark Opening Of Coast Baseball

(By the Associated Press) Four shutout pitching jobs opened the 1941 Pacific coast league baseball campaign with a bang, and when the three-game week-end inaugural series was over only Pepper Martin's Sacramento club emerged unscathed.

Sacramento, making its bow at home under Martin, new manager brought in from the St. Louis Cardinals, blanked Hollywood in the Saturday opener, 5-0, with a home run barrage, and wound up the brief series with 1,000 per cent by beating the stars twice yesterday, 4-3 in 12 innings and 1-0 in seven.

Freitas, veteran left hander, gave up only three hits in blanking the Stars Saturday. Thomas hurled the shutout in yesterday's nightcap, giving up but two hits. Catcher Grilk drove in the winning runs in both Sunday games.

Seattle, last year's pennant-winner, dropped a 1-0 decision to San Francisco at the Bay Park Saturday as the Seals scored on three hits in the 10th. Stutz shut out the Rainiers with three hits. But yesterday Seattle came back to win both ends of the twin bill, 2-1 and 3-1, with late rallies.

Oakland opened its season with a 2-0 win over San Diego at the Padre park on two runs in the 12th on Second Baseman Luby's double. Phippen pitched the shut-out. Sunday the home towners took the doubleheader, 7-3 and 4-0. The Padres had two big innings in the first game, and in the second Terry, on option from the Boston Red Sox, let the Oaks down with four hits.

Portland beat Los Angeles 4-0 in the opener at Los Angeles on Liska's mound job. Yesterday the Angels won a batting marathon in the first game, 15-14, and led the Ducks 5-4 in the sixth of the nightcap when darkness forced an end and a playoff was agreed upon for later in the season.

Around the County

Tenmile

of his daughter, Omega Van Horn.

Mr. and Mrs. Harold Thorp

Umpqua Archers Top Oregon, Rank Eleventh in U. S.

The Umpqua Archers No. 1, of Umpqua in Douglas county, ranked in 11th place among the teams of the nation and in first place among Oregon teams in the Olympic Bowmen's league, which concluded a nation-wide championship tournament last week.

First place in the national event was won by Grant Park Archery club of Chicago. The Umpqua team consistently held first place among all Oregon teams throughout the tournament, which was conducted by mail. Cascadian Bowmen of Eugene, was second among Oregon teams and finished in 15th spot in the national event. Portland Archery club, No. 1, was third in Oregon and 21st in national standings. Umpqua Archers No. 2, were in 33rd place nationally and were fourth in Oregon.

The Umpqua Women's team also led all Oregon teams and finished in 8th place nationally. Alyce Clayton of Umpqua topped the Oregon women with a final average of 755.6 winning fourth spot in national standings. Ted Roadman of the Umpqua No. 1 team was third ranking Oregon bowman with 772.2 and his teammate, Cal Henry, was fifth with 750.2.

Elkton

Have you discovered how smoothly your motor idles down with Finer Flying A?

Try a tankful today and feel the difference at any speed

Out of one traffic speed into another. Speed up. Slow down. Now speed up again. At one of these traffic speeds your motor probably fails to run smoothly with ordinary gasoline. Perhaps it's at 25 miles an hour, or maybe at 45. Perhaps it balks only at slow speeds—at 10 miles an hour or 15. But you don't have to put up with this. Not any more. We have actually created a gasoline made to give you smoothness at every speed.

It's 7 gasolines blended into one. You've heard of most of them... Polymerized gasoline, Cracked gasoline, Alkylated, Solvent-refined, Natural, Straight-run and Reformed. These are all in Finer Flying A. And each is in there working to do a certain job. One keeps your motor smooth as you cruise at highway speeds. Another reduces knock at traffic speeds. Another smooths out the hard pull. All seven gasolines blended together give you new smoothness at every speed.

Find out. Try a tankful of Finer Flying A today. Discover the pleasant difference as you go through changing speeds. Speed up. Slow down. Go fast again—smooth at every speed.

Sincerely yours, You mothers asked us to put in comfort station facilities for youngsters. So, today, Certified Clean Comfort Station signs say—"For Baby, Too." There's a special seat for baby. And there is always a supply of tissue seat covers for extra protection. It's another Associated service.
