### How Tax Dollars Will Cover Budget

If Congress amends tax laws to increase income and excise taxes paid by individuals and corporations, the government's receipts on 1941 income will be around \$12,225,000,000. Meanwhile the U. S. will spend 17 billions or more, as is being budgeted for fiscal 1942. Pictograph shows how the two will balance, with photos showing proposed budget expenditures and heavy lines dividing tax receipts.
