## MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

## DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

THE OLD RUGGED CROSS  
"On a hill far away stood an old rugged cross,  
The emblem of suffering and shame;  
But I love that old cross where the dearest and best  
For a world of lost sinners was slain."

Oh that old rugged cross so despised by the world,  
Has a wondrous attraction for me;  
For the dear Lamb of God left His glory above,  
To bear it to dark Calvary.

In the old rugged cross, stained with blood so divine,  
A wondrous beauty I see;  
For 'twas on that old cross Jesus suffered and died,  
To pardon and sanctify me.

To the old rugged cross I will ever be true,  
Its shame and reproach gladly I bear,  
Then He'll call me some day to my home far away,  
Where His glory forever I'll share.

Chorus  
So I'll cherish the old rugged cross  
Till my trophies at last I lay down;  
I will cling to the old rugged cross,  
And exchange it some day for a crown."

Amen.  
(Rev. George Bernard)
