Seattle, Oakland, Stars Win Games

By the Associated Press
 A 15-hit assault by the Seattle Rainiers provided Dick Barrett, the Pacific Coast League's No. 1 pitcher of 1940, with his first triumph of the season yesterday as the champions defeated Los Angeles.

Wildness forced Barrett to retire after seven innings but he gained credit for the victory. Windsor, righthander formerly of the Western International league, finished the mound job.

Oakland's Acorns got six runs in two innings to defeat the San Francisco Seals 6-4 for their second straight victory. Darrow, who took over the pitching chores in the fourth inning, was credited with the victory.

blows off four San Diego twirlers to register an 8-2 win over the Padres. It was the Stars first victory of the campaign.

The Portland-Sacramento game was rained out.

Myrtle Creek Vikings Pummel Drain, 17 to 4

MYRTLE CREEK, April 10.—Slamming the offerings of Jim Kirk for 15 hits while Dyer turned in his second four-hitter in as many games, the Myrtle Creek Vikings defeated Drain 17 to 4 on the Myrtle Creek diamond Tuesday.

Bob Hollinger, Viking outfielder, was the leading hitter of the day, with 4 for 4, followed by Chaney and Sellers, with three hits each. Kirk, Drain pitcher, again led in the strikeout division, whiffing ten Vikings.

First Baseball Test Faced Today By Roseburg High

By "HAP" APPELEGATE
 The Roseburg high school Indians will get their first test of baseball this afternoon, weather permitting, as they tangle with Drain high school in resuming baseball as a spring school sport after a lapse of many years. The high school diamond was laid out yesterday and was placed in good condition for the contest, scheduled to start at 3:30 o'clock.

Coch Hod Turner has been well pleased with the team's progress this season, despite limited practice due to weather conditions.

The squad of 25 players has been working hard.

Meredith Wilson and Jimmy White are expected to share catching duties. De Bernardi and Ward so far are the only hurlers and will double at first base when not on the mound, sharing that sack with "Ole" Olson, a Lion Claude Haggard of Medford, safety engineer of the California Oregon Power company, who gave a talk on the blood plasma project.

Ford Singleton was introduced as a new member of the club.

at shortstop. Ed Hughes, Billy Goodlow, Lee Wimberly and Nell Schrimpf are outfield prospects. Indications point at present, Coach Turner reports, to a well-balanced club with plenty of speed and hitting ability. The great need at present is for more pitchers.

An interesting angle of the high school lineup is that all players except Ward and Goodlow are eligible for Legion junior baseball this season, thus showing promise of giving one of the strongest teams Douglas county has entered in competition for several years.
