American Legion Auxiliary Activities

By MRS. CLAUDE BAKER

Initiation of the junior members of the American Legion auxiliary will highlight the meeting next Tuesday at the armory. Four of these girls will attend the Girls State this spring. President Ethel Van Voorst, Secretary Gertrude Pierce, Wilma Pounds and Ruth Ann Ruhl, Ruth Ann attended last year and has stimulated interest among the girls so they would all like to go. Nothing would be finer. Girls State is a week's training period in citizenship with a lot of good times thrown in. Senator Dorothy McCullough Lee, government adviser for the camp, has said that the girls came away with a definite understanding of the strength and weakness of the democratic system.

Governor of Girls State, Jean Peterson, said: "We learn a lot about the theory of government in school, but Girls State made these lesson real to us by giving us practical experience in government."

Ruth Ann Ruhl says she would not miss it. "We have senators and mayors and all the officials. We even pass bills," she said. Deadline for registration is June 15. If you are interested talk to Ruth Ann or any auxiliary member. Anyone may attend if she is over thirteen.

Junior Girls and Girls State Child Welfare

Following initiation a short program will be held on child welfare. Attorney Thos. Hartfield will give a brief message on juvenile delinquency and Dept. Chairman Mrs. Ned Dixon will explain the auxiliary's part in child welfare. Commander James Young and President Mrs. Claude Baker will briefly outline the local work. This is all open to the public.

A Square Deal for Every Child

The child welfare program of Legion and auxiliary seeks the physical, mental, emotional and spiritual well-being of the child. An average of 25 per cent of all children in the stream of life in our country are children of veterans of the world war. But in our concern about the future citizenship of the country we are concerned about the welfare of ALL children.

Security of a Nation

Upon the individual family homes of the nation depends its security. That is the end to which all our activities are dedicated. At a time when we are shocked by the developments abroad we must not fail to see what is happening among us. Our homes should be improved and strengthened. Parents may be helped to help care for their children. We must give heed to the child's spiritual life also. He must have something to live by. "For God and Country" we must build a spiritual nation.

First Line of Defense

America's first line of defense is the child of today. In him rests America's future. It is a rare opportunity and a grave responsibility that has been entrusted to us. We of the American Legion auxiliary have accepted this and through the skillful hands and loving hearts of its members will do a vital part in developing a healthy, happy and patriotic future citizenry.

Guarantee of Survival

The youth of a nation is its only guarantee of survival as a democracy. We are building new ships and guns. May we not forget to build new citizens. Democracy cannot defend itself with a weak citizenry.

Park at Rose School

Our local children need a proper place to play to develop those sound bodies. It has been the privilege of the American Legion auxiliary this week to see the first dirt turned in the "dream park" south of town. A long hard pull it's been. We welcome any help from kindly citizens or other clubs. With such aid we could have the park the sooner. All

monies used for such purposes must be earned by the auxiliary. For the child welfare work we get a portion of the proceeds of the sale of poppies. Other help, everywhere have given. For this we thank you, each one who has given of material things or in any way.

A bigger, better Roseburg is our aim. A more healthy child growth in the county, a continued growth in our Americanism aims. A more contented veteran; for him the poppies will be sold next month.

Blood Donors
Nearly fifty donors have responded to our call for an emergency list for future transfusions. These persons receive our profound thanks yours.

Next Meeting
Open to the public is the Tuesday meeting. Why not come out and see for yourself what we do? It will not be long but we guarantee a lot of interest. At the armory.
