"Mystery" Fish at Alsea Bay Are Sockeye Salmon

WALDPORT, April 15.—(AP)—The "mystery fish" that showed up in large numbers in Alsea Bay this spring turned out to be Alaska sockeye salmon which apparently got a little off the beam. Fish experts identified the fish yesterday.

Ordinarily the famed far-north variety never reach waters this far south. Fishermen can offer no explanation for the visitation, which they hastened to add is not unwelcome.

DRIVE OUT BOWEL WORMS Before they cause Trouble

Your children—and you, too—may have roundworms without even knowing it. And these pests, living inside the body, can cause real trouble. Watch for these warning signs: fidgeting, uneasy stomach, itchy nose and seat, nervousness, pale skin.

If you even suspect roundworms, get Jayne's Vermifuge right away! Jayne's is America's leading proprietary worm medicine. Scientifically tested and used by millions for over a century. It acts very gently. Expels stubborn large worms without "dynamite." If no worms are there, it is just a mild laxative. Demand Jayne's Vermifuge.
