Start Summer With Thorough Check-Up of Automobile

Special Offer By Mobilgas Men Beckons

Safety-Economy Service Takes Load off Mind of Motorist at Low Cost

Offering motorists a fresh start toward a busy, enjoyable summer touring season, Mobilgas service station operators of this area are today launching special offers and service inducements which provide for many free check-ups of car parts that are vital to safety, economy and satisfactory automobile operation.

These automotive service experts, whose stations are attractively decorated with pictures of spring lambs, are all ready to "take a load off" the minds of motorists. How? By inspecting and properly lubricating cars before the busy summer season gets under way.

At No Extra Cost.

"Special inducements in the form of attractive combination offers, which include painstaking and careful inspection of vital car working parts at no extra cost, are features of this attractive summer-proof plan," says E. A. Pearson, local district manager of General Petroleum Corporation, marketers of Mobilgas, Mobiloil and other nationally known products.

"The Mobilgas dealers proceed on the premise that it is essential to know an automobile's condition and properly lubricate it, before summer actually starts. The summer-proof plan is a distinct advantage to motorists, going a long way toward assuring them that their machines will stand up and perform properly during the warm weather season ahead.

Accidents Prevented.

"As a matter of fact, all automotive engineers agree that any driver of a car should change lubricants and have the machine carefully checked and serviced at least twice a year, and always in the spring before the torturous treatment it gets when pounded over the road in the heat of summer.

"Checkups help prevent blowouts, battery failure, burning out of bearings, stripping of gears, clogging of cooling systems, overheating of motors and many other

Warm Weather Warning Posted

Attractive Virginia Dale (right) and other feature players of Paramount's "Kiss The Boys Goodbye," take warning from "Danger Meter," which was posted to show possible rise of 50 degrees or more in temperature at this time of year—thus indicating that motorists should prepare for summer driving conditions.

er difficulties that cause breakdowns and delays, ruining what could be enjoyable trips but which are often turned into distressing and costly experiences.

"It is to avert such expensive and discouraging events that "summer-proof" inspection was originated. It has been highly endorsed by traffic and safety officials. This spring this inspection plan is more appealing than ever, with the special combinations that are offered in connection. The offers will last for a limited time only."

Canyonville

CANYONVILLE, April 15.—Mr. and Mrs. Norman B. Ashcraft and son, Dean, were visiting relatives in Ashland Saturday.

Eddie Burr was home on furlough from the national guards at Camp Murray for a few days.

Mr. and Mrs. Harold Gilmore visited friends briefly Tuesday afternoon. Harold has been working at Klamath Falls, and has been transferred to North Bend, Ore.

Mr. and Mrs. A. C. Duncan left Wednesday morning for Bonanza, Ore., where Mr. Duncan will look after his sheep.

Mrs. Arthur Adams and son, Basil, are suffering from the measles. Basil is just recovering from the serious burns which he received lately.

Mrs. A. I. Rogers, who has been at the hot springs near Klamath Falls, taking treatment for her rheumatism, came home Saturday evening.

The Penalty of Neglect

Patricia Morrison and John Loder, featured in the new Paramount picture, "Night in Lisbon," here portray a scene with a moral—scene wherein motorists are stalled on the road just because they forgot to have tires and other vital car parts "summer-proof" inspected.

Mr. and Mrs. W. O. Patterson were Sunday guests of the E. W. Brown family.

Norman Knight, of Klamath Falls, is visiting his grandparents, Mr. and Mrs. George McClane.

Art Moore and Miss Gem Hutchinson, of Days Creek, were dinner guests Sunday of Mr. and Mrs. Buster Barnes.

Mrs. Fred W. Cooper and daughter, Joy, and Tudes Hughes went to the coast Friday, where they will spend several days. Mrs. Victor Shaw left Thursday evening for Seattle, where she will visit relatives for several days. While there she will also visit her son, Sgt. Marden Shaw, who is with Co. D, 162nd infantry, from Roseburg at Camp Murray.

Mr. and Mrs. Norman Ashcraft and son, Dean, went to Roseburg Thursday for supplies for the hot lunches at the school.

Mrs. Fred Cooper and daughter, Joy, Tudes Hughes, Mrs. Corda Neiswanger and Miss Annie Morgan were shopping in Roseburg Thursday.

G. F. Patterson, editor of the Myrtle Creek Mail, and Stearns Gordon, manager of the theater there, were business visitors here Sunday.

and son and Miss Mabel Moore were guests at the A. E. Moore home at Days Creek Sunday.

Arline Adams and Yvonne Naylor, who have been staying with their grandmother, Mrs. Miles, at Ada, Ore., returned home this week.

Mr. and Mrs. Renfro, of Dunsmuir, Calif., have been visiting relatives here this week. They brought with them, Mrs. Bob Shaffer and Miss Ethel Carrick, who have been in Dunsmuir, and took Miss Evelyn Goodwin back with them.

E. A. Britton of Roseburg showed a number of films to a large audience at the Canyonville Bible academy last Saturday night. The subjects were on the defense program, and took the audience through the Lockheed airplane plant, and showed skits of soap carving, and the citrus fruit industry.

Wednesday evening the forestry service showed films for the benefit of the 4-H clubs at the school house. A large crowd turned out to see them.

J. E. Dawson and C. E. Atterbury, of Roseburg, WPA officials, conferred with the local school board Wednesday evening regarding the completion of the project of the play shed which the WPA has just completed. It is a fine building and is large enough that it may be used as a standard gym when completed.

Miss Mollie Sullivan and Mrs. Bob Couglar were shopping in Roseburg Wednesday.

Mrs. Ed Hamlin visited her daughter, Mrs. Dave Taylor, in Roseburg over the week-end. Mr. Taylor has gone to Alaska, where he is working on the defense work, and Mrs. Taylor and children plan to leave for there in the near future.

The ladies of the Methodist church are planning a cooked food sale Saturday. It will be held in Shaw's store.

Ira Poole has gone to Tillamook, where he will start his work for the forest service for the summer.

Ray Hafdahl, of Eugene, was here over the week-end.

Ronald Loffer, who has been attending barber college in Portland for some time, has come home, and is now installed in the barber shop which he purchased from Bob Couglar. Mr. Couglar will be in the shop until time. James Rose, who has been running the shop, left Wednesday for Marshfield to work.

A card party was held at the A. C. Duncan home Monday evening. The game was 500, and Mrs. Cora Chaney won the prize. Mr. and Mrs. Charles Bullivant, of Eugene, spent the week-end at the home of Mr. and Mrs. Bob Couglar.

Mr. and Mrs. W. O. Patterson were Sunday guests of the E. W. Brown family.

Norman Knight, of Klamath Falls, is visiting his grandparents, Mr. and Mrs. George McClane.

Art Moore and Miss Gem Hutchinson, of Days Creek, were dinner guests Sunday of Mr. and Mrs. Buster Barnes.

Mrs. Fred W. Cooper and daughter, Joy, and Tudes Hughes went to the coast Friday, where they will spend several days.

Mrs. Victor Shaw left Thursday evening for Seattle, where she will visit relatives for several days. While there she will also visit her son, Sgt. Marden Shaw, who is with Co. D, 162nd infantry, from Roseburg at Camp Murray.

Mr. and Mrs. Norman Ashcraft and son, Dean, went to Roseburg Thursday for supplies for the hot lunches at the school.

Mrs. Fred Cooper and daughter, Joy, Tudes Hughes, Mrs. Corda Neiswanger and Miss Annie Morgan were shopping in Roseburg Thursday.

G. F. Patterson, editor of the Myrtle Creek Mail, and Stearns Gordon, manager of the theater there, were business visitors here Sunday.

Circle No. 3 to Meet—Circle No. 3 of the Roseburg Baptist Women's society will meet Thursday at two o'clock at the home of Mrs. S. A. Roser on Parrott street.

Tires Worn? That Spells Peril, Say U. S. Technicians

"Have you looked at your tires lately?"

"Do they have that tired, winter-worn look? Have they grown a little too bald in spots? If they have, it's advisable to watch out, because traffic figures show that smooth, worn tires are the chief causes of fatal motoring accidents."

Such is the timely warning that was issued this week by the U. S. tire engineers, as they endorsed the special spring-conditioning, or summer-proofing service now being offered to motorists by the experts in charge of local Mobilgas stations. Continuing, the engineers declared:

"Wise motorists, the ones who value life and limb, don't gamble with the possibilities of blowouts. They don't let faulty tires endanger their lives and the lives of their passengers. They refuse to be robbed of vacation fun. They don't let skids and blowouts catch them napping."

"Such motorists value the inspection services now rendered by Mobilgas stations, because these inspections may uncover tire faults which should be corrected to insure safe and satisfactory motoring."

Because springtime is tire-change-time for many motorists, the following information has been supplied to Mobilgas service men by these U. S. technicians, for the benefit of the many who are now thinking in terms of safety:

"In our opinion, after exhaustive tests, the new 'brake-action' tread on U. S. Royal DeLuxe tires is the greatest advance toward quick-straight-line stops since the invention of four-wheel brakes. And, of course, U. S. exclusive 'Safety Bonding' and 'Tempered Rubber' are other factors developed to insure long, economical mileage, free from blowouts and skidding."
