FEDERAL EMPLOYEES PLAN DANCE SATURDAY

Two events for the near future have been planned by the National Federation of Federal Employees, local 459. Saturday evening, April 19, the organization will sponsor a dance and kid party at the Oriental gardens. The public is cordially invited to attend. Bill Black's orchestra will play for the dance. Those attending are asked to wear costumes.

Tuesday evening, April 22, the regular meeting of the local will be held at the armory. Members and their invited guests will assemble at 7:30 to enjoy a pot-luck supper. A short business meeting will be held following the supper and the remainder of the evening will be spent in dancing, playing cards and games.

HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matters stay in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills

POET'S CORNER

A SURE SIGN

By BARBARA V. ORR
It isn't when the bees come out.
Or when the birds sing.
It isn't when the grasses sprout.
That I can tell it's spring.

It isn't when I sneeze and cough.
But when I hear one thing—
"Hey Mommie cut my shirt-sleeves off."
Right then I KNOW it's spring.
