POET'S CORNER

FISHIN'

One day I went a-fishin'
With my Dad down by the brook;
I had a cornstalk for a pole,
A bent pin for a hook.

Dad said I'd have to have some bait
To cover up the pin—
Then all I'd do was sit and wait
Be still and smile or grin.

The hours went by, the sun got hot,
It was no longer fun;
And every time I'd smile or move
He'd say, "Be still, my son."

The while he wandered up and down
And waded in and out,
And every now and then he'd land
A great big shinnny trout.

I never got a nibble
Nor did I get a bite—
But oh, the happy dreams I had
When safe in bed that night.

The fishes came in flocks and droves
And carried off my bait;
They even swallowed hook and line
The cornstalk pole they ate.

'Tis just a childish memory
But I wouldn't trade it now
For a whole week o' fishin'
Without my Dad—somehow.

The lesson that I learned that day,
Has helped me many a mile;
One thing, it taught me—patience;
Another, how to smile.

I've found them both an asset
In life, from day to day;
And though they didn't land the fish,
They've kept the wolf away.

IF YOUR CHILD IS PALE and THIN

The reason may be WORMS!
Roundworms may be keeping your child underweight, pale, weak. And anybody, anywhere, can "catch" this dreadful ailment. Yes, the worms may be inside your child's small intestine, stealing his nourishment, and causing uneasy stomach, restless sleep, itchy nose and seat, and even worse trouble!
Don't let your child suffer! If you ever suspect roundworms, get *Jayne's Vermifuge* today! It acts thoroughly, yet so very gently that if no worms are there, it works merely as a mild laxative. *Jayne's* is America's leading proprietary worm medicine; scientifically tested and used by millions for over a century. Insist on *Jayne's Vermifuge*.
