POET'S CORNER

The following poem was published in Poet and Poem, Upper Sandusky, Ohio:

SPRING CLEANING

I'm cleaning house!
The odds and ends
That clutter up my life
Will be discarded
As a vicious whole.
Those nagging worries—
Unkind words—
All bickering and strife,
Will find the dust heap
A receptive goal.

And as the years
Accumulate,
And add unto the store
Of words and actions
That are sweet and kind,
Some errant impulse,
Probing deep,
May stumble on that core
That forms the kitchen midden
Of my mind.
—Marjorie Hunt Pettit.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go
The liver should pour 2 pints of bile into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then you bloat up your stomach. You get constipated. You feel sour, sick and the world looks puny.
It takes those good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Amazing in making bile flow freely. Ask for Carter's Little Liver Pills. 10¢ and 50¢.
