

Brooklyn, Cards Tied for Lead in National League

Larry French Huris His First Win for Cubs; Joe Goraon's Bat Yankees' Victory Factor

By JUDSON BAILEY (Associated Press Sports Writer)

The National league race is in its typical spring squeeze, tighter than the cover on a baseball.

The Brooklyn Dodgers climbed into first place Monday by winning their seventh straight game. Tuesday they won their eighth and slipped into a tie. Yesterday they beat Cincinnati 4-3 for their ninth in succession and dropped into second place.

This would seem to be going full speed forward in reverse and that may be just as clear as trying to explain the actual jam now involving the Dodgers and the St. Louis Cardinals.

Brooklyn has won 13 games and lost 4 for a .765 percentage while St. Louis has a record of 10 and 3 for .769. Actually, on the basis of games won and lost, the Dodgers are in front of the Redbirds by a full game, but because the Cardinals have played fewer games, and lost less, they have an advantage in percentage.

This edge will continue to accrue to St. Louis as long as it wins, even though the Dodgers extend their streak.

The Cardinals hopped on Schumacker for a dozen hits, including homers by Slaughter and Mize, to whip the New York Giants again 6-4. Nahem kept out of trouble till the eighth, when Young homered with two on. The Giants got only six hits.

Larry French Wins. The Chicago Cubs clustered four runs in the first and four more in the eighth to blast the Boston Bees 9-4, with the help of four Boston errors. It was the first victory for Veteran Larry French, although he had to have help.

Blanton, a castoff of the Pittsburgh Pirates, kept ten hits scattered and stuck out six as the Phillies pummeled the Pirates 8-4. The Cleveland Indians extended their winning string to six by overtaking the Philadelphia Athletics 6-5 on Koltner's two-run homer with two out in the ninth inning. Heath and Weatherly also hit for the circuit for Cleveland and one of the A's seven outfielders was a round-tripper by McCoy.

Ivan Hatfield Wins Tennis Crown At Campus Tourney

Ivan Hatfield, Roseburg singles tennis champion for two successive years, won the 1941 individual all-campus tennis tournament Tuesday at Corvallis, where he is a student in aeronautics at Oregon State college.

Hatfield, son of Mr. and Mrs. Harry F. Hatfield of this city won the campus title from Lester Rue in a hard battle. The Roseburg city champion won the first set 10 to 8, lost the second, 1-6, but took the third and deciding set, 6-0.

The tournament was conducted on the elimination basis with 50 players entered. Hatfield was required to play six matches to win the title, which carried a gold statuette as a trophy.

He plans to return to Roseburg for the summer vacation and will enter the annual city tournament here to seek his third successive championship and permanent possession of the trophy.

Hugh Johnson Jabs President Because Denied Army Rank

WASHINGTON, May 1.—(AP)— In the opinion of Hugh S. Johnson, President Roosevelt's action in denying a renewal of his commission as a brigadier general in the reserve corps was "neither very wise nor very consistent with what at least used to be a very close and precious friendship."

The 58-year-old newspaper columnist yesterday made public a letter he wrote the president to that effect. Johnson declared the white house had given "misleading, so-called reasons" for the non-renewal.

Representative Bender (R., Ohio) took a hand in the controversy by telling the house yesterday that if Harry Hopkins was "qualified to be the No. 1 defense production man" then Johnson "surely has some qualifications to warrant him continuing in his capacity as a reserve general."

Johnson's commission expired April 10. He applied for reappointment, the war department approved, but President Roosevelt turned him down.

Col. E. M. Watson, the president's military aide, wrote Johnson that Mr. Roosevelt felt that reappointment of general officers should be restricted to those whom the army expects to call to

active service, and then only after army doctors have determined the officer's physical fitness. Johnson, who has criticized many administration policies, told a press conference it was his duty to "correct" any implications that he was physically unfit. He said he was "younger than most of the general officers in the army, including the commander in chief" and would serve "in any grade—from corporal, up or down."

Stephen T. Early, presidential secretary, said Johnson already had been commissioned for three five-year periods, and in that time had not been on active duty or in direct touch with the army.

Padres, Oaks Climb Higher in League

By the Associated Press

"Big innings," bringing Oakland a 7-5 victory over Hollywood, and San Diego a 7-3 decision over Seattle, altered the lineup in the Pacific Coast Baseball league today.

San Diego leaped from a third-place tie with Seattle into the No. 2 niche, ahead of Hollywood and trailing only Sacramento.

Oakland was elevated from seventh to sixth place, thus assuming presidency of the Fifteeners club, that clique of current also runs each of which has lost 15 games.

Other members are Portland, with eight victories to the Oaks' nine, and Los Angeles, with seven. Both were rained out last night, along with Sacramento and San Francisco, their respective rivals.

San Diego scored four runs in the ninth inning for its margin against Seattle, a development which started with the bases empty and two men out.

Oakland created its disturbance in the sixth, converting four hits, three walks and an error into five runs that brought the retirement of Hollywood Pitcher Osborne.
