Larger Tax Bill Coming Up... ONE of the major items of business now before the congress is a tax program that will raise an additional three and one-half billion dollars.

Both the treasury and the joint committee on internal revenue have prepared schedules designed to raise this amount. The features of the treasury proposals are general increases in individual income taxes, especially on incomes of \$3,000 to \$25,000, and without lowering exemptions; surtaxes of 5 per cent on corporate income under \$25,000, and 6 per cent over \$25,000, which would raise the effective corporate tax rate in the latter bracket to 30 per cent; changes to increase the excess profits tax; increases in gift and estate taxes; and increases in excise levies estimated to yield \$1,233,000,000.

The joint committee schedules would impose moderately lower rates than the treasury on incomes up to \$20,000, and would levy a greater variety of new excise and consumption taxes to make up the difference. The following table shows the personal income rates under the two proposals, compared with those of the existing law:

Table with 4 columns: Personal Income, Existing Law, Treasury Proposal, Congress Proposal. Rows show income brackets from \$2,500 to \$10,000.

Which ever formula is adopted we can be certain of one thing and that is income taxes are going to be rather sharply higher next year and succeeding years for some little time to come.

Hess Invades British Isles! THE whole world is agog today over the disappearance of Rudolf Hess from Germany and his reappearance in Scotland. We will be no exception to the rest—and be agog too.

As this is written the affair is still something of a mystery. Doubtless the columns of this newspaper today will carry considerable enlightening information regarding it. Whatever facts may later be revealed as to why Hess made his "wrong way" flight to Scotland, one thing will not change—the British people must have had a mighty good laugh about it. If ever the people of any nation needed something to laugh about, the British are the ones—right now.

been luck—far from it—but along with able execution he has had numerous favors of fortune. But the Hess flight is definitely on the other side of the ledger. The British will make the most of it—and more power to them.

Editorials on News (Continued from page 1.)

emerging the flank and rear of any German attempt by sea to land invasion forces in Syria. Watch Tobruk, which is a sea-supplied base threatening the flank of the German land advance from Libya toward Suez and the mouths of the Nile.

Churchill told us the other day that Crete and Tobruk will be held to the death.

Another word here as to Stalin: With all his evidences of German co-operation, it is still true that he is worried by the German advance through the Balkans and into the Near East.

Stalin knows he'll cut Hitler's throat if the opportunity comes, so he must know that Hitler will cut Stalin's throat at any time it suits Hitler's purpose to do so. Such is war among dictators.

GERMAN airman, his clothing afire, parachutes from his shot-down plane, a human torch, and lands on an English golf course. Members rush from the club house and beat out the flames, but the aviator (some German mother's son) is already dead.

There is hatred in England for GERMANY as an ambitious national entity. But there was no hatred among the members of this English country club for one lone German boy dying a horrible death. They hurried to save him, just as they would have hastened to save anyone else in peril.

Cincinnati, Yanks Both in 4th Place in League Races

Once-Powerful Clubs Show No Pennant Qualities; Brooklyn, Cardinals Bid for Lead

By JUDSON BAILEY (Associated Press Sports Writer) The heaviest pressure in the major leagues today is not on the first place clubs. It is on the world champion Cincinnati Reds and the once invincible New York Yankees, both of whom are in fourth place in their respective leagues and virtually at the crossroads of the pennant trail.

The Reds were humiliated 12-1 yesterday by the Chicago Cubs and left staggering on the fringe of the second division in a fourth place tie with the Boston Braves. They were held to six yesterday by Bill Lee.

The Yankees, however, haven't even been getting consistent hurling from anyone except Walters, and their famous defense has shown signs of collapse. They made four errors yesterday and three the day before.

Monte Pearson, the former American league ace who has been nursing his pitching arm all spring, was uncoiled in yesterday's tussle, and lasted only 1 1/3 innings.

The Brooklyn Dodgers, on the other hand, have won five in a row and 20 of their past 23 since getting off on the wrong foot against the New York Giants. The St. Louis Cardinals also have righted themselves after losing three straight in the east. The Cardinals conquered Pittsburgh again yesterday, 6-2, with a 13 hit attack and the seven hit pitching of Warneke. It was the fourth victory without defeat for the veteran right hander.

OUT OUR WAY

BORN THIRTY YEARS TOO SOON

Roseburg Indians Hand 4-to-0 Defeat To Myrtle Creek

The Roseburg high school Indians hung another scalp on their trophy belt Monday afternoon, when they defeated Myrtle Creek 4 to 0 on Finlay field in one of the best played baseball games of the season.

Dick Debernard, pitching for the Indians, turned in an unusually fine performance, permitting only one hit, striking out eight batters, giving only one walk and hitting one batter.

Dyer, twirling for Myrtle Creek, also had better than an average performance with nine strikeouts, four walks and five hits.

The Roseburg team played errorless ball and the Myrtle Creek team made only one error.

Tullot, Roseburg's leadoff man, was given a walk as the game got under way. He stole second, went to third on a passed ball and scored on Myrtle Creek's only error.

He also scored the second run when he was passed in the third inning and was sacrificed around the bases.

In the fifth inning, with two down Baker singled. He scored on Sandsted's double, and Sandsted romped in with the fourth and final run when Debernard lashed a long two-bagger over the outfield.

The only Myrtle Creek hit was a clean single over second base by Jones in the second inning. Indians' Catcher Injured.

The Indians yesterday lost the services of Wilson for the balance of the season, when a foul tip ripped off a fingernail and chipped a bone on the catcher's throwing hand. Wimberly also was out of yesterday's game due to an arm injury suffered in a slide into second base in the game last week at Glad.

The Indians conclude their season schedule Friday night when they journey to Drain. However, they will play a post-season game on Memorial day, when they meet Yoncalla, North Douglas champions, on Finlay field. Yoncalla meets Myrtle Creek at Yoncalla Friday of this week to determine the Douglas county B league baseball championship. Roseburg is not eligible for competition for the title.

It also is planned, according to Coach Hod Turner, to organize a team of Legion Junior eligibles from all parts of the county for a game with the Roseburg team on Memorial day, following the Roseburg-Yoncalla tilt. Such a game would give fans an opportunity to look over the Legion baseball material for the forthcoming season.

Summary of yesterday's game: Myrtle Creek, 0 1 1; Roseburg, 4 3 0. Dyer and Stimpson; Debernard and Wilson, White.

Myrtle Creek Softball Team Registers Victory

MYRTLE CREEK, Ore., May 13.—The Myrtle Creek softball team won from the North Myrtle Dodgers, 9 to 5, in an exciting game played at Myrtle Creek Saturday. Brown, pitching for the town team, allowed only two hits and had 12 strikeouts. Errors on both sides contributed to the high score.

Drain Girls Win North Douglas Baseball Title

DRAIN, Ore., May 13.—In a close game played on the local diamond the Drain girls won the

North Douglas Club Fair Draws Large Attendance

YONCALLA, May 13.—The 4-H club fair held at the Yoncalla gym Friday evening drew a crowd of spectators from all over north Douglas county. The mothers club of the Yoncalla grade school served a hot lunch during the dinner hour.

Club work on display from most every school in north Douglas county, and the work was of exceptional quality. One of the outstanding displays was by the forestry club from the Scotts val-

ley school, with Jack Wilson as leader. It displayed a wooded dell, with a small lake of water, with wild life browsing on the banks. The basket display from the Curtin school also was exceptional. Art from the Colds Spring school, sewing from Yoncalla, cooking from Oakland and in fact the entire display was a surprise to most every one present, in that the work done by grade school pupils was of such fine quality.

A fine program followed the supper. The Leona orchestra under the direction of Frederica Coons played several numbers. The dress and sweater review, modeled by the girls that made the articles proceeded two numbers by the Yoncalla grade school glee club. Miss Ruth Stoute played two accordion selections and Keith Grove gave two readings. The Yoncalla grade school also put on a skit "Echo Answers." The program closed with Mr. Britton, 4-H leader for Douglas county, showing two reels of moving pictures.

The Riddle forestry club had an exhibit of the different kinds of wood of that locality. Members are Bruce Bridges, Stuart Dittel, Robert Gilbreath, Ben Glanville, Ray Hammersley, Jack Hausotter, Gerald Perry, Frank Perry, Howard Weathers and James Hahn.

The Canyonville forestry club had a fine exhibit of tree identification and some wood identification. Members of this club are Donald Lilla, Ray Eshelman, Bill Hobson, Bill Hart, Carl Long, Lester Spencer, Verlon James, Baxter Ferebee, Calvin Neiswanger, Wayne Garey, Sidney Hemphill, Webster Briggs, James Moyer and Harold Ramberg.

The Days Creek foresters had a very interesting exhibit, consisting of flowering shrubs, a mineral exhibit, and a map showing the location of the plot, and another showing a close-up view of the plot. This club is made up of Roy Boyd, Lester Ferguson, Maurice Matthews, Noel Welch, and Josephine Wright, and is led by C. C. Hill.

Main attraction of the Days Creek Woodcrafters' exhibit was the ideal camp site, which consisted of trees and moss in the background with a tent, table, bench, garbage can, and fireplace on a flat. A collection of moths and butterflies was also shown. Members of this club are Maxine Wright, Marshall Matthews, Margie Wright, Melvin Welch, Jim Ward, and Norval Ferguson. Charles MacKenzie leads the club.

The two Rose and Flower Gardening clubs made an extraordinary beautiful exhibit of flowers. Leaders of these clubs are Mrs. John Ferguson and Mrs. Perry DeVoe.

The sewing exhibit was very complete with many useful garments and articles on display. Division one, which consisted of the making of a floor pillow, needle case, lunch cloth, pin cushion and well hanging, made a very nice display.

The program consisted of an address of welcome by Mr. Ashcraft. Two numbers were played by the Canyonville orchestra. Then several announcements were made, after which the Canyonville orchestra played two more selections. The style revue then took place. This was announced by Miss Snarr. The girls in division two taking part were Betty Edwards, Coleene Wilhoit, Elsie Roe, Emma Lou Farmer, Luelle Massey, Ethel Harrison, Rena Riddle, Dorothy Winkelman, Phyllis Smith, Joyce Kummer, Vivian Owen, and Aloma Dodson. The division three girls entering and their placings were Faye Place, A.; Lorraine Clark, B.; Mabel Jane Matthews, B.; Roberta Matthews, A.; and Maxine Wright, A. Division four girls and their placings were Betty Lou Ronney, A.; and Jean Place, A. Division five girls and their placings were Josephine Wright, A.; and Betty Lou Weseman, A. The next number on the program was a piano duet by Mabel James and Roberta Matthews. Phyllis Smith then played a violin solo. Two very interesting films were shown by E. A. Britton. The first one was portraying the manufacturing of Fords. The second one was the showing of some of the outstanding beauty and wonder of nature in the Yellowstone National park. After the showing of the films, the members received their prize money and an achievement pin. This has been a most successful year in club work, but I am sure that all the members will try to make the best better for the coming year.

Edenbower 4-H News. (By Patricia Calkins) The Arts and Crafts club held its final meeting on Thursday. The main discussion of the meeting was whether or not the money in the club treasury should be turned in on a scholarship, but nothing definite was decided. All of the members exhibited at the spring fair in Roseburg and all placed first on their work. This was also the case in the boys' woodworking club, making a total of 21 blue ribbons awarded to the two hobby clubs.

All of the clubs in the community finished and exhibited 100 per cent. A good share of the members took first place on their work and a very few were rated in third place. The entire group of clubs presented one of the largest displays to be exhibited. Four of the members from the slip stitchers clothing club took part in the dress revue, which was presented as part of the program on Saturday evening. It was decided Friday at the meeting of the Edenbower Community club to send two club

Honesty Wins

RICHMOND, Va.—For 63 years an individual who as a boy broke a window in a school here wrestled with his conscience. Finally at the age of 73 he visited Superintendent Jessie Binford to pay for the damages—only to have the school head rule that the money could not be accepted because of the "statute of limitations."

Canyonville Fair Of 4-H'ers Proves Of High Interest

(By Margie Wright)

One of the largest and most successful 4-H spring fairs ever held in this section was enjoyed at Canyonville Thursday, May 8, during the evening. A large crowd attended the fair. Canyonville was host to exhibitors from Azalea, Glendale, Riddle, Myrtle Creek, Drew, and Days Creek. There were 87 splendid exhibits placed and, Mr. Britton, county club agent, and the local leaders from the different communities were very much pleased with the work of 4-H'ers had done. Out of this large number of exhibits, there was one hundred per cent except for one scrap book which was not complete. These exhibits were judged by three former 4-H winners who are majoring in home economics at Oregon State college. They are Jackie Morton, Maryolive Snear, and Catherine Cawse.

The Riddle forestry club had an exhibit of the different kinds of wood of that locality. Members are Bruce Bridges, Stuart Dittel, Robert Gilbreath, Ben Glanville, Ray Hammersley, Jack Hausotter, Gerald Perry, Frank Perry, Howard Weathers and James Hahn.

The Canyonville forestry club had a fine exhibit of tree identification and some wood identification. Members of this club are Donald Lilla, Ray Eshelman, Bill Hobson, Bill Hart, Carl Long, Lester Spencer, Verlon James, Baxter Ferebee, Calvin Neiswanger, Wayne Garey, Sidney Hemphill, Webster Briggs, James Moyer and Harold Ramberg.

The Days Creek foresters had a very interesting exhibit, consisting of flowering shrubs, a mineral exhibit, and a map showing the location of the plot, and another showing a close-up view of the plot. This club is made up of Roy Boyd, Lester Ferguson, Maurice Matthews, Noel Welch, and Josephine Wright, and is led by C. C. Hill.

Main attraction of the Days Creek Woodcrafters' exhibit was the ideal camp site, which consisted of trees and moss in the background with a tent, table, bench, garbage can, and fireplace on a flat. A collection of moths and butterflies was also shown. Members of this club are Maxine Wright, Marshall Matthews, Margie Wright, Melvin Welch, Jim Ward, and Norval Ferguson. Charles MacKenzie leads the club.

The two Rose and Flower Gardening clubs made an extraordinary beautiful exhibit of flowers. Leaders of these clubs are Mrs. John Ferguson and Mrs. Perry DeVoe.

The sewing exhibit was very complete with many useful garments and articles on display. Division one, which consisted of the making of a floor pillow, needle case, lunch cloth, pin cushion and well hanging, made a very nice display.

The program consisted of an address of welcome by Mr. Ashcraft. Two numbers were played by the Canyonville orchestra. Then several announcements were made, after which the Canyonville orchestra played two more selections. The style revue then took place. This was announced by Miss Snarr. After the showing of the films, the members received their prize money and an achievement pin. This has been a most successful year in club work, but I am sure that all the members will try to make the best better for the coming year.

Edenbower 4-H News. (By Patricia Calkins) The Arts and Crafts club held its final meeting on Thursday. The main discussion of the meeting was whether or not the money in the club treasury should be turned in on a scholarship, but nothing definite was decided. All of the members exhibited at the spring fair in Roseburg and all placed first on their work. This was also the case in the boys' woodworking club, making a total of 21 blue ribbons awarded to the two hobby clubs.

All of the clubs in the community finished and exhibited 100 per cent. A good share of the members took first place on their work and a very few were rated in third place. The entire group of clubs presented one of the largest displays to be exhibited. Four of the members from the slip stitchers clothing club took part in the dress revue, which was presented as part of the program on Saturday evening. It was decided Friday at the meeting of the Edenbower Community club to send two club

members to summer school. These members will be selected according to their records.

Two enrollments have been received for summer cookery projects. One is a camp cookery project led by Bob Insley in the Green community. Members are Wilma Porter, president; Violet Parkhurst, vice-president; Melba Lee Luellen, secretary; Gene Arthur, Bob Insley, Theodore Insley, Willene Luellen, Rachel Parkhurst, Erma Schmidt and Don Porter.

The other is a group at Elkton carrying first year cookery under the leadership of Pansy Andrews. Members of this club are Patricia Vian, president; Naomi Vian, vice-president; Donna Rae Andrews, secretary; Bonnie Lee Andrews and Joy Vian. This club is sponsored by the Fred Weatherly grange.

Publicity Fund Given by Josephine County Court

GRANTS PASS, May 12.—The Josephine county court gave \$1,000 Wednesday to the advertising and publicity committee of the Grants Pass and Josephine county chamber of commerce, to be used to publicize this area. The fund was set aside in the budget last fall for this particular purpose, the court stated.

News of 4-H CLUBS

The Lookingglass girls quartet, which group has been assisting with the Kiwanis club programs and also taking part in all Coca Cola programs during the winter months, will assist in broadcasting a Douglas county 4-H club program over radio station KOAC this evening. Andrew Freedland, who has also assisted in all these programs with his accordion, will be included in the broadcast, as will the Leona school orchestra, which is conducted by Mrs. Frederica Coons. This group will be given a 15-minute period at six o'clock and another 15-minute period at 6:30.

On Friday evening, Saturday and Sunday forenoon of this week-end the forestry clubs will hold a joint forestry school at the Umpqua national forest fire school reservation on Little River. Ray Hampton, assistant supervisor, is in charge of the program. Those who can will go to the forestry school Friday evening for the evening campfire program. Others will make the trip Saturday to be there in time for the technical instruction, which will be given Saturday forenoon beginning at 9. During the afternoon of Saturday there will be different sports and a campfire again at night. On Sunday forenoon, for those who remain over, two hikes will be organized so that a choice of trips will be available.

If the weather is favorable, all cooking will be done outside, but if the weather should be bad, it will be done in the large kitchen. There is a dormitory equipped with beds, springs, and mattresses, for girls, and another for boys. Leaders will be on hand to chaperon the girls.

Classes during Saturday forenoon will be held and cover tree identification, elementary surveying, general forest practices, and the composition of water sheds.
