

Yanks, Shaken Up, Snap Losing Streak, Defeating Chisox

Joe McCarthy yesterday shook up his New York Yankee batting order, benched Rookies Rizzuto and Priddy, and managed to break the bombers' five-game losing streak at the expense of the Chicago White Sox, 6-5. Joe DiMaggio came out of his hitting slump with a homer in the third and a triple that set off the winning rally in the ninth.

The Yanks had Gordon at second base and Crossetti at shortstop and this seasoned pair pulled off two sparkling double-plays.

A two-run homer by Rookie Pat Mullin in the sixth inning brought the Detroit Tigers a 5-4 decision over the Philadelphia Athletics.

The Washington Senators edged out the St. Louis Browns, 7-6 as Auker of the Browns lasted the full nine innings although giving up 18 hits.

The Cleveland Indians added to their margin in the American league by battering the Boston Red Sox, 9-3, with a 14-hit assault while Bagby buttoned up his old teammates with seven-hit pitching.

Harry Gumbert, the right-hander whom the New York Giants traded Wednesday to the St. Louis Cardinals, yesterday held the Boston Braves to six scattered hits, didn't walk a man, and shut them out, 4-0.

The Brooklyn Dodgers' seven-game victory string was snapped by the Pittsburgh Pirates, 3-2, in 11 innings. Fletcher, who had singled one run across earlier, hit a homer off former teammate Mace Brown in the 11th to decide it.

The Giants took their second straight from the Chicago Cubs, 4-2, by punching out two runs in the eighth inning against Bill Lee.

The Sacramento Senators won a doubleheader from San Francisco Seals last night, 4-2 and 8-4, to gain an even more commanding Coast league leadership.

In Hollywood the second-place Seattle Rainiers took a 5-4 decision from the Hollywood Stars.

Gregory, Rainier hurler, not only achieved his fifth victory of the season, but got four hits in four times at bat.

The Los Angeles Angels took a 9 to 6 game from the Padres in another Coast league battle.

Oakland's Acorns dropped a loosely-played 8-3 game to the last-place Portland Ducks. Four of Portland's runs were unearned and came through Oakland errors.

Earl Reid scattered his hits for the Beavers, except in the third inning when three hits gave three runs to Oakland.

Roseburg Indians Take Drain, 13 to 3

By "HAP" APPLEGATE

The Roseburg Indians won their seventh ball game in a row at Drain Friday afternoon, taking a dull 13 to 3 decision from Drain in a game played amidst a slight drizzle.

Dick Debernardi, pitching for Roseburg, held Drain to six hits, while striking out 12 batters, to chalk up his seventh straight win without a defeat for the season. Davis, pitching his first game for Drain, allowed eight solid hits, but was kept in trouble by errors.

Debernardi and Sanstede each connected for three batters, and White lashed out a double. Paris and Hunter each hit doubles for Drain. Scoring three runs in the second inning, the Indians added five in the third, three in the fifth and two in the sixth. Drain scored twice in the second inning and once in the fifth.

The Indians completed their schedule yesterday, but will play a post season doubleheader here Memorial day, meeting the Yon-

Vichy-Nazi Pact Stirs American Republics to Plan French Islands' Rule

(Continued from page 1)

President Roosevelt continues meddling in European affairs and we will succeed in uniting all Europe against him.

This was their comment on Mr. Roosevelt's statement deprecating collaboration of the Vichy government of France with Berlin, and on his observation that, in the past, American warships have been used to protect American commerce and obtain freedom of the seas in distant waters.

In the German view, these spokesmen said, the United States president is likely to perform "for Europe" the same service which the French statesman, Raymond Poincare, rendered to the German people "in uniting them by his strictures."

As for Mr. Roosevelt's comment on warships, made in answer to questions about the German proclamation that Nazi naval activity might be expected henceforth in the Red sea, today's informants said: "Comparisons are dangerous; Mr. Roosevelt had best watch his step."

Correspondents were warned, at the same time, against regarding French-German collaboration negotiation as complete. They said the negotiations merely were making satisfactory progress.

Canneries of California Strike-Tied Over Wages

tors had agreed also to pay increases retroactively to March 20, if workers would go back to their jobs at once.

Ship Dispute Aid Offered

Aid of the army and navy in settling a week-old shipyard strike which has tied up \$500,000,000 worth of defense orders was offered today by Assistant Secretary of the Navy James V. Forrestal.

He said his department was shocked at failure of the striking AFL and CIO machinists to abide by a coastwide agreement recently reached by shipbuilders and union leaders. The walkout of 1700 machinists closed 11 shipyards and repair plants, leaving 15,000 men idle.

There was no comment from army officials.

Just what action the army or navy could take was not clear.

One break was seen in the announcement by the Bethlehem Shipbuilding company, one of the principal plants struck, and the bay cities metal trades council that a negotiating meeting would be held Tuesday.

The strikers ask raises from \$1 to \$1.15 an hour and retention of double time for overtime. They have been offered \$1.12 and time and one-half for overtime.

Damaging Fires Sweep Areas of New England

BOSTON, May 17.—(AP)—A forest fire that has destroyed more than 100 lakeside sporting camps crept toward Millinocket, Me., a town of 6,000 persons, today—the second damaging fire in northern New England in 24 hours.

Flames originating in a barn yesterday destroyed seven buildings—four houses, a 123-year-old general store, a country school and a town office—in Ryegate Corner, Vt., leaving only eight houses standing in the tiny village of 60 residents.

The Maine camps were levelled on the shores of Ambajesus and Millinocket lakes. Three other major forest fires were reported raging in Maine.

Derelict Army Trucks Pass Through Roseburg

Twelve derelict army trucks, on the way to the scrap pile, stopped in Roseburg at noon today, en route to San Francisco. Accompanied by mechanic-drivers, busily engaged in keeping hammering connecting rods and leaky radiators functioning, the trucks are to be wrecked upon arrival at the army depot at San Francisco, it was reported.

day after the British had taken it only the day before.

In their counter-attack the axis forces were said also to have retaken Fort Capuzzo, a Libyan frontier stronghold near Salum, and Sidi Azeis, as well as 100 prisoners.

However, a besieged British garrison still held out in Tobruk where motorized units were reportedly fighting back at German and Italian forces which have been hammering the town's defenses for a month.

Yoncalla Team Wins County High School Crown

A five-run spurge in a wild eighth inning gave Yoncalla the Douglas county high school baseball championship in a very exciting game on the Yoncalla diamond Friday against Myrtle Creek, south Douglas champions.

The two teams played airtight ball for seven innings and neither was able to score a run. With the game deadlocked in a scoreless tie in the last of the eighth inning, Yoncalla suddenly broke loose and opened a "blitz" on the visiting team which wavered long enough to permit the Eagles to push five runs across the plate.

Myrtle Creek was unable to get to the offerings of Howard, the lanky Yoncalla pitcher, who retired 16 Viking batters via the strikeout route.

Gov. Sprague Announces Oregon's Defense Plan

(Continued from page 1)

in the nation's armed forces, while the state employment service has placed 9,103 persons in defense industries. Four thousand men are being trained in the state for defense industries.

"We do not want war," the governor said after saying there is no promise of an early peace. "Neither do we want a craven peace or the isolation which with Britain's collapse would make us face economic war or military contest."

In closing, Governor Sprague advised the people of Oregon not to succumb to hysteria, to prepare for protection against fire, disaster or disorder; to keep industries and farms operating, to unite and submerge class differences, to give financial support to the government, and to bring about a "true baptism of patriotism—not just the glow that comes from Fourth of July oratory."

New Drivers' License Applications Pour in

Many persons are taking advantage of the opportunity to secure driver's license ahead of the late rush, it was reported today by R. R. Brand, who has been appointed to accept renewal applications and fees. Mr. Brand opened his office in the courthouse today. He will also be in the office May 31, and during June will be available daily. Renewals also will be accepted each Tuesday by the motor vehicle department examiner in connection with his weekly visits to Roseburg. All drivers' permits expire June 30. Examination is not required of persons now holding licenses, unless they have suffered some physical disability since the last license was issued, or have reached the age of 70 years. All persons 70 years or more of age must pass a test for driving ability.

Local bands and drum corps have been asked to cooperate with concerts and street parades. The Roseburg Municipal band will be asked to appear in a public concert at least once during the week.

A carnival company also is expected to be in town next week.

retreat, DNB, official German news agency said today.

Several transports at the British-held African port of Tobruk were attacked and badly damaged, the dispatch added.

In East Africa, British forces were said to be tightening their grip on fascist positions held by some 35,000 Italian troops around Amba Alaji, Ethiopia. The Italians, led by the Duke of Aosta, were described as being holed in for a final, desperate stand.

Axis Strikes in Iraq

A Nazi air raid on the British airport of Habbaniyah in Iraq was reported today by the RAF middle eastern command in its first statement of actual German military operations in that middle east kingdom.

The communique said the British machine-gunned a number of German aircraft on the airfield at Mosul, destroying a Heinkel, and also successfully bombed gasoline and oil tanks at Amara.

The German raid on Habbaniyah, it said, caused only slight damage and few casualties.

An Iraq army communique mentioned important bomber activity against the British for the first time today.

Indicating a devastating attack by "a number of bombers" on the British-held Cinedebane camp, the communique said "what remains of the camp installations was hit and damaged badly." Fires visible for miles broke out, it said, and several British planes were destroyed, including one shot down in an air battle.

The war bulletin also said a battle was being waged outside Basra, port for the Iraq capital, with Iraq forces trying to drive southward to the Persian gulf.

Myrtle Creek Girls Win District Softball Title

The Myrtle Creek girls softball team won the southern Douglas county district championship Friday by defeating the Riddle girls, 29 to 10, in a free-hitting game. The Myrtle Creek Comets took the lead in the first inning and remained out in front throughout the balance of the contest. The Myrtle Creek girls are issuing a challenge to any undefeated girls team in Douglas county. During the season they have totaled 188 points and have limited opponents to a total of 30 points.

Bob Montgomery Beats Jenkins in 10-Rounder

NEW YORK, May 17.—(AP)—In Madison Square Garden last night Bob Montgomery took up where he left off against Lev Jenkins some weeks back by handing the New York and California 135-pound king one of the worst lickings of his meteoric career—a 10-round affair in which the Jenkins title was not at stake.
