

Brooklyn Loses National League Lead to St. Louis

By Judson Bailey
Associated Press Sports Writer
The Brooklyn Dodgers, losing two games in a row to the Chicago Cubs, yesterday slipped out of the percentage lead although remaining half a contest ahead of the St. Louis Cardinals on won-lost reckoning in the National League race. Their walloping of yesterday was 14-1. The Cubs climbed on Casey, who had won five games without a defeat, and knocked him with nine runs in the second inning. Passeur, the Cub's pitching ace, contributed a homer with four-hit hurling.
Cleveland's American League leaders also were bumped off again by the Philadelphia Athletics, 5-4, although Millnar, the Indians' southpaw ace, homered with one on.
Galehouse, who had pitched a one-hit shutout his last time out, held the New York Yankees to four safeties as the St. Louis Browns forged a 5-1 victory with the help of a couple of Yankee fielding miscues.
Gorsica pitched four-hit ball for the Detroit Tigers to beat the Boston Red Sox, 4-2, missing a shutout in the seventh when Williams homered with one on. It was Detroit's fifth straight win and kept the American League champs right on the heels of the second-place Chicago White Sox, who whipped the Washington Senators, 8-2.
The day's best pitching duel was in the National League where Pittsburgh ended the New York Giants' four-game winning streak, 2-1. Butcher of the Pirates allowed only four hits while Hubbell gave up six.
The Cincinnati Reds ripped off 14 hits to beat the Boston Braves, 7-3, behind Vander Meer, with catcher Lombardi distinguishing himself by throwing out four runners at second.

Death Takes Emil Hauser, Noted Indian Grid Star

SALEM, May 20. (AP)—Emil Hauser, member of one of football's most noted eleven, Pop Warner's Carlyle Indians, died at the Chemawa Indian school of a heart attack yesterday.
Indians, who knew him as Wau-seeka, said he was the first to pull the hidden-ball trick—accomplished by sliding the pigskin under his jersey and strolling guardward while teammates, each pretending to have the ball confused opponents.
At first an end for Warner, he later played nearly every team position. After leaving Carlyle, he played at Haskell Institute and Oregon State College.
A close friend of Warner's, Hauser was at the Indian school

Edgar Buchanan in Cast Of Movie Billed Here

By L. K. P.
"Penny Serenade," which opens at Hunt's Indian Wednesday for a four-day showing, is of special interest to Roseburg movie lovers, as Edgar Buchanan, son of Dr. and Mrs. W. E. Buchanan, of Eugene, has a feature part in the production. He is well known in this city, having frequently visited here when his two sisters, Miss Kate Buchanan and Mrs. Bernard Young (Lora Buchanan) were teaching in Senior High school.
Edgar Buchanan and his wife were both formerly engaged in the dentistry business in Eugene until a few years ago, when they moved to southern California for the former to attend Pasadena Community playhouse and study for the profession of acting. During the last year he has been in a number of motion pictures, and "Penny Serenade" furnished him with his best featured part. Irene Dunne and Cary Grant are co-stars in the picture.

Washington Hands Igoe First Season's Defeat

By the Associated Press
Washington took a stronger hold on second place in the northern division, Pacific Coast conference baseball standings yesterday at Seattle by downing the leading University of Oregon team, 5 to 4.

It was the Huskies' second consecutive game won with a ninth inning rally and put the team only a game and a half out of first place. Last week Washington moved into second place by defeating Oregon State in a last inning rally.
Igoe, Oregon's ace moundman, suffered his first defeat of the season in six starts. The Huskies haven't been whipped on their home field this year.

With Major Hoopie Traffic Rules For Children Is Need During Vacation

Declaring that the summer vacation season, June, July and August is a dangerous period for children so far as traffic accidents are concerned, Chief of Police John Duer today urged drivers and children to cooperate in the interest of traffic accident prevention during the coming vacation season.
During the three months of the vacation season last year, six children in the 5 to 14 age group were killed in traffic accidents and 178 were injured, according to figures supplied Chief Duer by Earl Snell, secretary of state. Thus this three-month period resulted in 24 per cent of all fatalities and 30 per cent of all injuries in this age group for the entire year.
"Of special significance is the fact that all children killed during that period last year were victims of pedestrian or bicycle accidents while 48 per cent of those injured were in this classification," the chief said. "These figures emphasize the need for drivers to be careful in areas where children are playing and on their part, children need to be more careful in their play and while riding bicycles."
Chief Duer listed these suggestions for traffic safety during the summer vacation months:
Drivers:
1. Reduce speed past playgrounds, keep alert for children entering or leaving.
2. Watch for children playing in residential districts, particularly at dusk and after dark.
3. When passing bicycle riders, be sure to sound your horn to warn them of your action.
4. Encourage your own children to play in vacant lots or playgrounds, not in the street.
5. For general safety, watch your speed on highways, be careful at intersections in cities and slow down at night.
Children:
1. Play only in vacant lots or designated playgrounds, never play in the streets.
2. Don't step out into the street from between parked cars.
3. When walking along the highway, always walk on the left, facing approaching traffic. When cars approach, step off the paved surface till they pass.
Bicyclists:
1. Never ride two or more abreast, always ride single file.
2. Ride on the right side of the street or road.
3. When turning, make proper arm signals and be sure no cars are near.
4. Observe all traffic signals and signs.
5. Don't make sudden turns across the path of traffic.
6. Don't ride double.
7. Keep your bicycle in good mechanical condition.
8. Park your bikes at bicycle racks whenever possible.
9. For night riding, be sure you have a good front light, an effi-

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS
There are many today who are in need of a place of refuge, which is not to be found in our world of today. Those needy ones who seek protection and succor from suffering and distress do well to turn to the comforting words of the psalmist, where he says: "God is our refuge and strength, a very present help in trouble, therefore will we not fear though the earth be removed and the mountains be carried into the midst of the sea." The earnest desire for freedom from the stress of daily friction, and the desire for peace is the desire of the Christ, man. Harmony and not strife is the natural status of spiritual men, and this state is demonstrable in present world experience. To withdraw from them does not insure peace and harmony. But spiritual understanding transformed into terms of daily living, lifts men above the fears and disturbances around them. External conditions and trying circumstances cannot hinder the calm of soul, if the mind is fixed upon God. "The external God is thy refuge, and underneath are the everlasting arms." Is a fine remedy for doubt and fear. In the midst of the most untoward circumstances, Jesus performed his mighty works and his followers were astonished and said, "whence hath He power to do such marvelous works? Amen."
