LEARN THE TRUTH ABOUT BOWEL WORMS

The signs are misleading. Nobody is sure to escape. Worms can make real trouble. Anybody, anywhere, can "catch" roundworms! So watch out for these signs in your child or yourself: uneasy stomach; nose-picking; loss of weight; itchy seat; nervousness. Get Jayne's Vermifuge if you even suspect roundworms. It expels stubborn worms, yet acts very gently. If there are no worms, it works just as a mild laxative. Jayne's is America's best known proprietary worm medicine; scientifically tested and used by millions for over a century. So, play safe! Insist on Jayne's Vermifuge.
