LOCAL WOMEN TO TAKE PART IN PAGEANT AT STATE CONVENTION

Club women will be interested to learn that Mrs. Harold Hoyt and Mrs. William Bell of Roseburg will participate in the Golden Jubilee Pageant, The Rainbow of the Years, to be presented by the Oregon Federation of Women's clubs in Corvallis, June 6. Mrs. Hoyt will take part in the Americanization cycle, one of the most colorful in the pageant, in the sequence with representatives from all nations. Mrs. Bell's role is an important one in the prologue, where she will portray Ella Dietz Clymer, one of the founders of the woman's club movement in 1868.

The pageant, directed by Mrs. F. P. Mullins of Portland was written by the Oregon Writers Project, of the Work Projects Administration, and will review the principal activities of the state federation during the past 50 years. It will climax the Oregon Federation's biennial convention which will be presided over by the state president, Mrs. Harold D. Peterson, of Dallas. Prominent clubwomen from Roseburg will be among the delegates and visitors from all parts of the state.

GRAY LADIES PICNIC POSTPONED INDEFINITELY

The picnic the Gray Ladies had planned for June 6th has been postponed indefinitely and there will be no further meetings until September. Announcement of the picnic and the next meeting will be made later.

American Legion Auxiliary Activities

By MRS. CLAUDE BAKER

The last regular meeting of Umpqua unit will be held Tuesday night, June 3, at the armory. Most important business is to be brought up and delegates will be elected to the state convention to be held at Eugene in July.

A joint social hour will be enjoyed with Mrs. J. M. Judd, chairman, Mrs. Velle Broadway and Mrs. R. R. Ritzman acting as the refreshment committee. Everyone will want to attend this last function of the auxiliary for this summer. Plans for a midnight matinee stunt will be discussed and reports of all chairmen are requested to be in by this meeting. These must be sent to de-

partment as soon after June 1st as possible. It is therefore necessary for all unit data to be complete this week. Pictures of all chairmen are desired. Be sure to attend this most important meeting and learn our plans for the summer.

John C. Kuhns, assistant regional forester will present a most educational resume of the part our section of the country in relation to forests will play in national defense.

A report of the poppy chairman, Mrs. Irvin Riegel, will reveal that all the poppies in Roseburg were sold and all in several outlying towns. Come and learn what our part of this big effort has accomplished.

You will be most happy to hear that Roseburg's entry in the poppy poster contest for the state received honorable mention. This was won by Virginia Roseland, our talented junior member. She made this in one evening and it had to be sent the following day. Had she had more time we feel sure she would have presented the unit with a first. Her mother, being poppy poster chairman, was too modest and felt that the girl should not enter, until she was persuaded by the powers that be.

Did you see the poppy window? The three poppy windows? Lots of work, but they did help to convey the poppy message, didn't they? We wish to thank Fisher's department store and Miss Helen Casey for the use of their windows.

We also wish to thank Young and Son for the use of their office as poppy headquarters Friday and Saturday. We also want to thank the Boy Scouts for carrying the Legion and auxiliary flags in the Memorial day parade. It lends much to these occasions to have the boys in full uniform. Both Scout troops are doing much to train the young fellows for future citizenship. Over Saturday and Sunday Scoutmasters "Gip" Fenhest and Elert Marsh took Troop 4, the American Legion sponsored troop, for an overnight hike. Were you Legionnaires there?

Junior Legion auxiliary will not meet this week but will have their next gathering just before Girls' State June 16. Watch for this. These girls at their last meeting placed stickers on poppies, after which delightful refreshments were served. Two of the junior girls were graduated from high school this week. Hil-

degarde Roseland and Iris Pierce. We wish them success in their future undertakings. If they remember the auxiliary preamble: "For God and country we associate ourselves together," they can not but succeed.

The Legion auxiliary membership is the largest in its history nationally and in the state. Locally it has been the largest unit in the state. It is this year again larger than for many years.

If you are one of those who has not attended but planned to, let this be the time. Do not fail to be there at this most important last meeting.
