DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

When the Franz Joseph bridge was to be built in Budapest, an edict was issued that every man, woman and child was to contribute by bringing a similar gift. Something so simple and yet dramatic that the poorest peasant hurried to find it on his farm. The poorest housewife skimmed the next meal in her kitchen to save it. The tiniest child carried it tenderly in his hands. An egg. For the masons knew an ancient formula for stiffening mortar with egg yolks; and so each giver had the strange delight of equally holding together the vast arches of life in it, dedicated to make a safer highway for mankind. "An old man going a lone highway came at evening bent and gray, to a chasm vast and deep and void. The old man crossed in the twilight dim for the sullen stream had no fear for him, but he stopped when safe on the other side and built a bridge at evening tide." We join together in prayer and learn to become workers together with God. With Him we can do all things, without Him we can do nothing. More things are wrought by prayer than this world dreams of. Amen.

where it is distributed to cotton farmers for cover crops in lieu of AAA benefit payments earned. The committeemen pointed out that the AAA in 1940 bought from Oregon farmers 7,560,100 pounds of vetch, 36,436,700 pounds of peas, and 1,410,000 pounds of rye grass. The seed shipped from Oregon made ten trains of 70 cars each.

CARD OF THANKS
In behalf of the Veterans Organization in Roseburg I wish to thank those who took part in the Memorial day exercises. I also wish to thank the members of the committees for their loyal support.
