DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

When youth awakens to the realization of the seriousness and responsibility of life the weight is often heavier than to one of more mature years. One seeking the Christian way of life must have a plan and a definite purpose. To find that way, can there be a surer course than to trust the promise of God, seek His daily guidance, and when mistakes are made remain as clay in the hands of the Master. The way may not be smooth, for the narrow path often becomes rough and steep. Not only small pebbles over which we stumble, but great boulders to be surmounted or passed, close to the edge of a steep cliff, obstruct the way. But if one is in harmony with the Divine Will, in time with the Infinite, Christ is the leader to make life, with its cloud and sunshine, the harmony which will one day blend in a perfect harmony and symphony; when the making and moulding one may know and understand. "And what doth the Lord require of thee, but to do justly, and to love mercy and to walk humbly with thy God." Then will we be moulded after His fashion. Amen.
