Concerted Effort Required

THE suggestion that the Roseburg chamber of commerce encourage farmers to grow seeds met with some little success right at the outset.

There is one type of seed which certainly should be produced with marked success in this valley, and that is seed corn.

Year after year growers have won prizes for corn. Yet the total number of acres planted to corn in this county has steadily decreased.

But the land and the climate here will grow BETTER corn. Our growers can develop and produce seed corn that will grow better corn elsewhere.

Concerted action is necessary to establish Douglas county as an outstanding seed producing area.

High quality seeds produced in substantial quantities can and will command attention of buyers over a wide area.

But unless a number of growers, representing a really sizeable number of acres join in such an effort the chances for success are slim.

Victories For Union

A GREAT part of the success of the United States as an organized society and a political unity has been due to the fact that its vast domestic market has been open to all.

Tendencies to set up such barriers have been appearing in recent years, and even more recently the realization has come that they must be broken down.

landed in South Africa. Remember that the Robin Moor is an "Incident."

There are three possible reasons for the torpedoing of the Robin Moor:

1. The Germans are cracking down on U. S. aid to Britain, and are prepared to take the consequences.

2. The submarine commander was too brash.

3. Hitler wanted to know how the American public would respond to the torpedoing of an American ship.

Of the three, the last is the most probable. If it turns out that the incident isn't satisfactory for German purposes, look for the submarine commander to be reprimanded.

That would provide the way out of this particular "incident."

GERMANY'S intentions toward Russia are still the best-selling mystery thriller.

Stories of heavy troop concentrations continue. Ankara (Turkish capital) reports (without confirmation) that Russia has ordered general mobilization and has cancelled all army leaves.

London warns that it may be a fake to hide the real play—an attack on Britain.

It is hard to imagine Stalin risking war with Germany now, but is it safe to guess that he is worried.

His thrifty purpose is to stay out and get strong enough to wipe up a war-weakened world and take it over for communism (Stalinism).

If Hitler gets away with much more, that scheme will go sour and STALIN himself might be taken over.

OUT OUR WAY

Girl Worker In War Dept. Victim Of Foul Murder

WASHINGTON, June 18.—(AP)—Washington police searched for a piece of hemp rope today in the hope it might be a vital clue in the strangulation-rape death of comely 23-year-old Jessie E. Strieff, war department worker, whose nude body was found in a garage yesterday.

Homicide Chief George Darnall said an eight-inch mark on Miss Strieff's right hip indicated she had been bound with a rope about three-eighths of an inch in diameter.

Police said discovery of the missing clothes and rope might give them valuable leads in the mystery.

All evidence indicated that the crime had been committed elsewhere and that the girl's body was thrust into the garage for temporary concealment.

Miss Strieff, an aviation enthusiast with a private pilot's license, left her apartment to go to a nearby store just as a storm was coming up.

One possibility that detectives considered was that she took refuge in some doorway to escape the downpour and there was seized by her assailant.

Mrs. Roosevelt Gives Advice. As police pressed their search also for the missing clothes Miss Strieff wore when she left her apartment Sunday, Mrs. Franklin D. Roosevelt expressed concern to her press conference over the safety of young women who take defense jobs here.

Mrs. Roosevelt suggested that no young Washington women should return to their homes in the late evening without an escort.

The first lady also advised that girls be extremely careful in accepting favors from strangers or casual acquaintances, and that if a young woman takes a drink at all it should only be in the company of well-known friends.

Hinson Choir's Concert Dated at Baptist Church. The Hinson choir, made up of twenty-seven voices, will give a program of instrumental and choral music in the First Baptist church of Roseburg Friday evening, June 20, at 8 o'clock.

Last year when the choir sang in Spokane, the Spokane Spokesman-Review said, "To hear this non-professional group sing only the first strains of its opening selections is to understand why its annual Easter program has become so popular that Portland's huge municipal auditorium is needed to accommodate the throngs which come to hear it."

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

Jesus in that sublime prayer for his followers recorded in St. John's Gospel, said, "I pray not that thou shouldst take them out of the world but that thou shouldst keep them from the evil."

Police said discovery of the missing clothes and rope might give them valuable leads in the mystery.

All evidence indicated that the crime had been committed elsewhere and that the girl's body was thrust into the garage for temporary concealment.

Log Haulers Of Oregon Now Under New Regulations

SALEM, Ore., June 18.—All trucks carrying logs in the state of Oregon must come to a complete stop before crossing any railroad track at grade from today on, said Ormond R. Bean, state public utilities commissioner, in a pronouncement effecting thousands of log carriers.

Effective yesterday the special regulations governing the transportation of logs, poles or piling by motor truck, as recommended by the state highway commission, are to be made a part of permits issued to special carriers to traverse the state highway.

Many serious accidents in the future will be eliminated, believes Bean, through the promulgation of this new order. The state police will cooperate to the fullest extent in the execution of the new ruling.

Another vital feature of the regulations call for the requirement that the time logs are removed from the highway, when dropped or lost, must be contained in the carriers' reports to the highway commission.

Also, operators of all logging trucks must weigh their loads on state-owned scales whenever requested by weigh masters in the employ of the state highway commission. Signs are to be erected at the scale sites demanding all logging trucks to stop at the scales.

The refusal, said Bean, of any operator to allow his truck to be weighed shall be cause for the immediate suspension or cancellation of the permit under which the carrier may be operating.

Also, logging trucks are prohibited against hauling logs, poles or piling on Saturday afternoons; on Sundays, during the hours of darkness and on the following holidays: January 1, May 30, July 4, Labor day, November 11 and December 25.

"These regulations," declared Bean, "are devised for the benefit of the logging industry, as well as the motor-traveling-tourist public."

Inspection of Sewing Center Asked of Public

The general public is invited by Mrs. Bess Coleman, production chairman of the Douglas county chapter of the American Red Cross to inspect the sewing center in the rooms above the Roseburg branch of the U. S. National bank.

ASTORIA, June 17.—(AP)—Ed Clausen, Astoria, was re-elected president of the State Journeymen Barbers' association here last night.

Dated For Series Of Meetings At Roseburg Church

Dr. Russell M. Brouger, aboye of New York City, will begin a series of evangelistic meetings at the First Baptist church in Roseburg, Sunday, June 22. The meetings will conclude July 6.

Dr. Brouger was the youngest army chaplain during the last world war, having served with the 40th artillery. Until he entered the evangelistic work some few years ago, he had for ten years been pastor of the Baptist temple in Brooklyn, N. Y. He had the largest Sunday night congregation of any pastor in New York City.

Funeral Service Set For Albert Edwin Hill. Funeral services will be held at the Christian church in Oakland at 2 p. m. Thursday for Albert Edwin Hill, 79, who died Monday at Eugene. Services will be conducted by Dr. R. L. Dunn of Roseburg. Interment will follow in Fair Oaks cemetery.
