EGAD, MEN, I HAVE A WEIRD FEELING THAT SINISTER, UNSEEN EYES ARE SPYING ON US! I DISLIKE ALARMING YOU, BUT MY PSYCHIC POWERS ARE UNCANNY! ONCE I SENGED A NOTORIOUS PICKPOCKET AT WORK IN A SUBWAY TRAIN BENEATH THE PAVEMENT WHERE I STOOD AND TOLD A POLICE-MAN, WHO CAPTURED HIM!

IT MUST BE THAT MOUNTAIN DEW YOU HID IN THE BANJO, MAJOR! YOU COULDN'T FERRET OUT THE BULL FIDDLER IN A BAND!

I DUNNO ABOUT THAT, TWIGGS! I'VE SEEN HIM FIND HIS WAY HOME BY SHEER INSTINCT WHEN HE BELONGED ON A SHUTTER!

IS THAT A BULL FIDDLER BEHIND THE TREE?

It's there with an Extra Wallop in reserve  
SOMETIMES in your automobile you want zip and ginger, sometimes thrift. Just name your choice. In this high-stepping Buick straight-eight with Compound Carburetion you can have either, each in its proper place. You can go about your business in easy, ordinary, everyday travel—and this frugal, two-carburetor system will keep you rolling smoothly with only the forward, thrift-size mixer on the job. Yet any time you want life, lift, super-power it's there with an extra wallop in reserve—just step down on the treadle and you've got it. That simple move sends the second carburetor into action; steps up not only fuel supply but the air supply as well. Thus you have your fun—and frugality too. Owners report mileage figures as much as 10% to 15% higher than on previous Buicks of the same size. Which means, better go look at the engine that's both thrill-packed and thrifty too. You'll find it in a bigger, roomier, smarter-looking automobile that gives you more value per dollar than anything else you can buy. Available at slight extra cost on Buick 594cc. models, standard on all other Buicks.  
\$930 for the Business Coupe (illustrated above) including Compound Carburetion, delivered at Fiat, Mich. State tax, optional equipment and accessories—extra. Prices and specifications subject to change without notice.
