Ecuador Joins Peru in Peace Bid Acceptance

BUENOS AIRES, July 15.—(AP)—Ecuador has accepted a proposal by the United States, Brazil and Argentina to mediate her border dispute with Peru, the Argentine foreign ministry announced last night.

Ecuador is willing to establish a proposed "no man's land" about 10 miles on either side of the disputed territory.

Demilitarization of the area should be carried out in such a way that evacuated garrisons would be guarded by police, Ecuador was reported as suggesting.

Peru's agreement to mediation was reported by the Argentine foreign ministry last Friday, but border garrisons clashed anew almost immediately after.

Garrisons along the frontier have clashed during the past few years in a continuation of a 100-year-old dispute over ownership of upper Amazon jungles.

Hitler Angles for Peace Support, LaGuardia Says

NEW YORK, July 15.—(AP)—Mayor LaGuardia declared yesterday Hitler "through his agents, is seeking to exploit the well-meaning people of this country as tools, to get across what is known as the Hitler peace proposal."

Speaking to 40 visiting Latin American educators, the mayor said that a few days ago in Washington "a representative of the German government disclosed the proposals to representatives of a peace movement in this country, with instruction to try them out and prepare the foundation for their acceptance."

"In keeping with this plan," the mayor added, "statements have been made during the last few days in Italy and France—both countries under domination of the Nazi government—of the blood ties with Central and South America."
