Dated at Presbyterian Church

The Wheaton college brass choir, an instrumental group composed of six young men, will present an unusual sacred concert at the First Presbyterian church of Roseburg on July 23 at 7:30 p. m., Rev. M. H. Roach, pastor, reports.

The choir presents two types of musical programs. Giving "The Life of Christ," the group takes outstanding events in the Biblical account and through word pictures and vocal and instrumental numbers weaves them into living scenes. The second program, "Hymns of All Ages," traces the development of hymnology from its origin to the present day. Inspirational in character, the program also gives an informative view of hymn history. Representing Wheaton college, the group's personnel also represents the entire academic range of faculty, graduate, senior, sophomore and freshman. Solo cornetist and leader of the choir is Orien Johnson, director of the college band and instructor in wind instruments. Harvey Bostrom, manager and trombonist, is from Wheaton, Ill.

Many pale, nervous, underweight children have bowel worms. Other innocent-looking warning signs are uneasy stomach, fidgeting, itchy seat, nose-picking. Don't take chances with roundworms! Get Jayne's Vermifuge today! It is America's best known proprietary worm medicine—used by millions, for over a century. Jayne's expels stubborn roundworms, yet acts gently. If there are no worms, it works just as a mild laxative. Insist on Jayne's Vermifuge.
