Games Tonight.
7:30 p. m.—Montgomery Ward versus Dunham's.
8:30 p. m.—Boucock's versus Texaco.

Dunham's Transfermen, holding first place in the city softball league, added another game to the victory column by beating the Texaco Chiefs 6 to 5 in an overtime contest last night. Relative standings, however, remained unchanged as the Butchers took a slipshod game from Montgomery Ward by the lopsided score of 24 to 3.

Dunham's and Texaco, playing eight innings in an hour and a half, gave fans an exciting and fast exhibition, in which Kenny Dunham, sponsor of the Transfermen, sparked his own team to victory with a three-base hit to start the opening rally, and a single that broke the final tie and drove in the winning run.

Texaco jumped into the lead in the first inning with one tally by virtue of a walk and a single, while the Transfermen were held scoreless. Dunham's, however, proceeded to swing out in front in the second when Rice walked and scored on Kenny Dunham's triple, the latter then crossing the plate when Mills rapped a hard grounder through the infield. The Transfermen made it 4 to 1 in the third when Perry and Wilfers, on base through a hit and an error, scored on a two-bagger by Laurance.

Laurance, who fanned five batters in the first two innings and forced weak pop-ups of other batters in the first three innings, except for Ellison, who was out trying to stretch a three-bagger into a home run, suddenly faltered in the fourth, and Texaco took the lead, 5 to 4, as the result of singles by Solomon, Ausland and Bryski, coupled with a three-ply swat by Ward. Aiding the scoring were two walks and an error.

Dunham's, however, came back to tie the score by pushing across a run on singles by Dominico and Puckett and a wild throw to third base. Both teams were then held scoreless through the first half of the eighth inning, but the last half of the overtime frame, Laurance singled, went to second on a sacrifice by Rice and scored when Dunham lashed a sharp single between first and second, breaking the deadlock and giving the Transfermen a 6 to 5 victory.

The Montgomery Ward players had a bad attack of fumbultitis in the first game, committing 16 errors. Boucock's Butchers rapped out 20 hits, of which three were home runs, poled out by Merritt, Meyers and Shinn.

Cardinals Nose Out Giants; Yankees Continue Runaway

By JUDSON BAILEY (Associated Press Sports Writer)
The St. Louis Cardinals nosed out the New York Giants, 3-2, yesterday to bag their second extra inning tilt in two days. Ernie White, last of four pitchers used by the Cardinals, fanned two men in the tenth to get credit for his tenth triumph of the season.

The defeat tossed the Giants into a fourth-place tie with the Pittsburgh Pirates, who edged out the Phillies, 3-2, in the ninth. Dahlgren's sixth-inning homer, his 14th of the season, snapped a tie and gave the Chicago Cubs a 5-4 victory over his former team-mates, the Boston Braves, in the other National league engagement.

The New York Yankees continued their triumphant stride at the front of the American league, beating the Cleveland Indians, 4-1, and stretching their first-place margin to 10 games. Keller's 24th homer with one on in the fifth decided the issue.

The Philadelphia Athletics made 13 hits, to whip the St. Louis Browns, 9-7 and take over fifth place from the Detroit Tigers, who were beaten again by the Washington Senators, 6-5. Newhouser gave only six hits, but walked nine, including three men in Washington's four-run ninth inning.

The Boston Red Sox retaliated for Wednesday's shelling by the Chicago White Sox with an 11-1 drubbing of the Chicago crew. Tabor hit a homer with the bases loaded and doubled two other runs across.

Seattle Defeats Portland as Sacs Blank San Diego

(By the Associated Press)
The Seattle Rainiers moved within a half game of the second place San Diego Padres by beating the Portland Beavers 4-3 last night as the Pacific coast league leaders, the Sacramento Solons, were registering their second straight triumph over the Padres 6-0.

The Rainiers came from behind after spotting the Beavers to a 3-0 lead to take their second straight of the current series in the Seattle lot. They were helped along the victory path by the wild tossing of Liska, Portland's little right hander. A base on balls to Niemie started the Rainiers on their way to a three-run collection that wiped out the Beaver lead in the sixth.

A two-run pitching performance by Munger and a five-run outburst in one inning by his teammates accounted for Sacramento's second consecutive win. It was Munger's 13th victory of the season.

The San Francisco Seals dropped another to Oakland 8-6. It was the Oaks' third straight of the series and moved them above the Seals in the league standings. All three of the Oakland victories have been attributed to errors.

The Seals now have dropped from third place to seventh in six weeks.

The Hollywood Stars scored their third straight victory over Los Angeles 5-3 on two home runs in the sixth inning, each with a man on base.

Roseburg, Albany Legion Juniors Battle Sunday

The Roseburg Legion Juniors were given a workout Thursday afternoon by Coach Howard Parks, in preparation for the trip Sunday to Albany, where the local team will meet the winners of the southern Willamette valley district eliminations in the first game of a three-game series. The team will make the trip by bus and will be accompanied by a large group of local fans, according to Lloyd Crouch, local chairman. Some accommodations still are available for fans desiring transportation, Crouch says, and persons interested are invited to contact him not later than 10 a. m. Saturday. It is planned to play a double-header at Roseburg, August 3 to complete the series, Crouch reports.

Britain Wants Material, Not U. S. Troops—Halifax

SAN DIEGO, Calif., July 25.—(AP)—Lord Halifax, British ambassador to the United States, said yesterday he planned to fly to London next month in a bomber to report to his government. The ambassador added he was anxious to return to Washington because of developments in the far east which he said did not look good.

Asked if he believed American troops would be necessary to win the war against Germany, the ambassador replied Americans could rely on the statement of the British prime minister that if the United States provided the tools—planes, ships and materials—"we will finish the job."

Halifax said he did not believe he should discuss the question of extending the service of selectees, but added he "understood how the army feels."

"There is a silver hope regarding the battle of the Atlantic," Halifax said. "It is severe, but we know the remedy. It is a question of enough strength and enough protection in the right places."

"I want to utter a word of warning regarding it. When the American public sees figures for one month showing a reduction in losses it is not a sufficient foundation to build conclusions."

"The chart will have to show a long period of favorable figures before a definite conclusion on the trend of the battle can be based."

Patrol by American flying boats has helped relieve the stress of surface vessels, Halifax said, but he stated measures being taken by the U. S. government to protect American shipping to Iceland would provide even greater assistance.

Halifax said he was confident defenses at Singapore would give a good account in the event of trouble. He said a great deal had been done recently to strengthen defenses there.

Halifax said he still believed there was no cause for a clash with Japan providing the Japanese give due regard to the rights of other people.

"I have been out of touch with developments in the last 24 hours, but it seems certain to me the Germans have put pressure on the Vichy government."
