We Are Aware, But Calm

PRESIDENT ROOSEVELT in his press conference Friday, as reported from Hyde Park, commented again, as he has on several occasions, of the "lack of awareness" on the part of the American public regarding the war dangers confronting the country. The administration for months has been concerned with this seeming "lack of awareness." The propaganda bureau has been "beating the drums" and has attacked the problem from all of the old and many new angles in an effort to stir the nation to a type of war spirit that has marked the nation in previous crises of similar nature.

Despite all efforts, there still is lacking the parades, the patriotic demonstrations and the many other exhibitions that in past years have shown the American people to be psychologically in fighting trim.

All this, however, does not necessarily indicate a lack of awareness. The situation in which the United States is involved today is far different from any in which it has been concerned in former years. Heretofore we have fought "holy" wars. Americans are an idealistic people. We are always ready to rally around a righteous cause. When it became necessary to "save the world for democracy," there was little hesitation in entering the last world war. The flags waved, the bands played and the people shouted in hysterical enthusiasm. The rude awakening which followed world war No. 1 still is a shock to the people of the United States. They are unable to visualize today's struggle as being "holy."

The situation today is much like that of a house with a dead and overripe rat in the basement. We surely wouldn't like to continue living in such a house. Either we must remove the source of the trouble or change our way of life. No man can stir up much enthusiasm over disposing of a putrid rat. It's a grim, disagreeable business. However, it is a job that must be done unless he proposes to continue living under the most unsatisfactory conditions. But he can hardly be expected to throw a party to celebrate in advance of the task. However the lack of a party doesn't indicate lack of awareness.

The American people apparently look upon the imminent war as just such a grim, disagreeable job. They don't relish the task and can't stir up much enthusiasm, but they realize it as a job that must be done if we are going to continue to live according to the American standard of life. Furthermore, they have been sitting back for the past eight years while the administration took control of the government out of their hands, bit-by-bit, until now they have little to say. Many people fail to understand why the administration seems concerned about what the people think or do not think.

The actions of the American people, however, speak louder than words. They may not be in a spirit of patriotic exaltation, but that they are grimly aware of their danger and have a willingness to cooperate has been shown in the response to every appeal.

military training, the response to calls for defense workers, the contributions to USO, the current contribution of aluminum, far exceeding all expectations, is ample evidence that the public is aware of the gravity of the situation and fully willing to cooperate.

Editorials on News

(Continued from page 1.)

ing. He knows what is in the wind.

He may be running a bluff on the Japs—telling them what to expect if they start shooting. His bluff may work. Or it may not. Time will tell.

THE Japs are a canny lot. They know they might get Indo-China without shooting. In that event, they would have a sackful of valuable loot and might be able to sit on the fence until the outcome of the German-Russian tussle is more clearly discernible.

If, by that time, their interest lies clearly in going to war on Germany's side they would have excellent bases for an attack on Singapore, the Dutch East Indies, the Philippines and what have you.

If the Germans don't do so well in Russia, Indo-China would provide them with some fine trading stock for a dicker with Britain and the United States.

THE Germans bomb Moscow a second time last night, claiming terrific damage. The Russians assert that from the standpoint of military objectives the raid was a dud.

What the Germans are after is shaking Russian morale—hoping for a crackup behind the lines.

As to that, we shall have to wait and see. Morale is an unpredictable factor.

IN Washington, Sumner Welles, assistant secretary of state, takes a hand in the propaganda war, making a cornerstone-laying speech in which he assures ALL PEOPLES after the war a fair peace and equal opportunities (if our side wins).

That is an invitation to the German people to kick Hitler out and take a chance on a fair deal at the peace table.

THIS writer's guess is that the Germans WON'T kick Hitler out as long as he is winning. If he begins to lose, it will be a horse of another color.

History teaches us that while these world conquerors keep on winning the people at home string along with them.

When they start to LOSE, their troubles begin.

Volunteer Boats Listed for Patrol Of Pacific Coast

SAN FRANCISCO, July 25.—(AP)—Taking a lesson from Dunkerque and the priceless aid rendered the British by a motley volunteer fleet of small boats, the navy is organizing an auxiliary of small craft along the Pacific coast for close in patrol work in case of war.

The little fishing and pleasure boats that ply coastal waters, and know every inlet and bar are being mobilized by the hundreds and arrangements have been made to fit them with suitable guns if a coast defense emergency arises.

It is all being done on a volunteer basis, twelfth naval district officers say. Skippers, along with their crews, are being inducted into the naval reserve at San Francisco, Monterey, Eureka and a dozen other port towns along the west coast.

"The larger craft will mount machine guns," a navy spokesman explained. "Perhaps even heavier armament, to combat aircraft if the necessity should arise. But the principal function will be patrol."

In case of war, the auxiliary unit boats would watch for submarines, intercept small boats attempting landings at unattended coast points, be on the lookout for stray enemy aircraft on reconnaissance missions, and sweep for mines.

The small vessels are being surveyed as to condition so they can be purchased by the government if and when actually called into service. 500 additional vessels in the district could be bought and put into service promptly should necessity arise.

Yachtsmen, fishermen and tug-boat men who volunteer are being enlisted in the M-2 classification of the merchant marine naval reserve. Physical requirements are not stringent, and men between 17 and 50 are eligible. They may go on active duty at once if they choose, or remain merely on call in case of war.

OUT OUR WAY

Pirates Take Two From Brooklyn; Cardinals Blanked

By JUDSON BAILEY

(Associated Press Sports Writer)
The Pittsburgh Pirates leaped into third place in the National league yesterday by humiliating the Brooklyn Dodgers in both games of a double-header, 8-4 and 8-2.

This might have been a mortal blow to Brooklyn's pennant ambitions except that the St. Louis Cardinals took this occasion to concede an 8-0 decision to the Boston Braves.

Pittsburgh's first victim was Wyatt, who a few weeks ago was the leading pitcher in the National league. In the nightcap the Pirates took less than three innings to knock out Curt Davis, who had won six in a row for the Dodgers.

The St. Louis setback last night was something of a shock in the way it was accomplished. The Braves scored all eight of their runs in the first two stanzas.

The Phillies plopped Cincinnati, 4-3, to drop the Reds to fourth place and squeeze New York into the second division even though the Giants cuffed the Chicago Cubs, 5-2.

Grove Wins No. 300.

"The New York Yankees continued to sweep through the American league, but the big thrill was Lefty Grove's feat in winning his 300th victory after two previous failures. He gave the Cleveland Indians a dozen hits, but the power of the Boston Red Sox pulled him through to a 10-6 triumph. Tabor hit two home runs, Ted Williams one, and Foxx tripled with two on.

The Yankees bombed the Chicago White Sox for an 8-0 triumph behind the three-hit hurling of Chandler and increased their first-place margin to 11 games. The Yanks' 13 hits included a pair of three-run homers by Henrich and Keller.

The surging Philadelphia Athletics won their fifth in a row and sent the Detroit Tigers to their eighth straight defeat, 11-5, with a 15-hit assault that was concentrated in a six-run inning.

Auker's seven-hit pitching stopped the Washington Senators, 5-3, for the St. Louis Browns.

LETTERS to the Editor

PRaises HIGH CHARACTER OF WILLIS C. HAWLEY

July 25, 1941
Roseburg News-Review,
Roseburg, Oregon.
Gentlemen:

At a chamber of commerce dinner, a few months ago, I was moved to speak eulogistically of a so-called "forgotten man" who, for eight years, had lived in complete retirement at his Salem home. This man was the Honorable Willis C. Hawley, for twenty-eight years congressman from the first district of Oregon. Today I desire to reiterate, in substance, what I then said. All of us who knew Mr. Hawley throughout the years appreciated his worth to his district, his state, and to the nation. We knew him to be a man of character—a Christian man, whose word once given was never broken. We knew him to be an outstanding national statesman and never an ordinary run-of-the-mill politician watching the weathervane to see which way the political wind was blowing. Duty, as he saw it, came first. He was inherently

honest and upright in every relation of life, and nothing could swerve him from the path of individual and national righteousness.

Dr. Earl Stewart and the writer, while in Washington some 11 years ago in behalf of our federal facility, were able to gauge the man while under the stress of making a decision that might—and did—mean his retirement to private life. He gave us his pledged word, and against all pressure, he stood adamant and never budged. Should we call Mr. Hawley a "forgotten man"? Personally, I think not. George Washington, Abraham Lincoln, Grover Cleveland and Theodore Roosevelt have long since gone home, but the influence of their marvelous lives is indelibly stamped upon the lives of millions today; and while we grieve at the passing of Mr. Hawley and extend profoundest sympathy to relatives and friends, yet we are most happy to add his name to the other immortals whose righteousness lives on as an inspiration to us.

May Heaven send us many other state and national figures whose spirits are kindred to such men as these—men who stand true at all hazards. May Heaven also deliver us from the political opportunist whose ear is attuned to the block vote, and whose eye is ever scanning the political chips as they fall. Today, America needs real men as never before.

Respectfully,
W. C. HARDING

Dunham's Defeat Ward's; Boucock's Win From Texaco

League Standings.

Team	W.	L.	Pct.
Dunham's	9	2	.818
Boucock's	10	3	.769
Texaco	8	6	.571
Ward's	1	11	.085

Games Tuesday.

7:45 p. m.—Texaco Chiefs versus Montgomery Ward.

9:00—p. m.—Boucock's Butchers versus Dunham's Transfermen.

Dunham's Transfermen and Boucock's Butchers remained today in their neck-and-neck race for first place in the City Softball league, keeping their relative positions unchanged in last night's games. Dunham's won from Montgomery Ward, 12 to 8, and Boucock's beat the Texaco Chiefs, 10 to 3.

Errors proved the deciding factor in both contests last night. Montgomery Ward outdid Dunham's, 10 to 9, but had seven misplays in the field, while the Transfermen had only two. In the second game the Texaco Chiefs made three wild throws to first base and dropped a couple of fly balls in the outfield to provide the margin of victory for the Butchers, who had only two misplays.

With Plin Laurance in the box for Dunham's last night, instead of his brother Kenny, the ace pitcher for the Transfermen, the Montgomery Ward hitters really teed off for long drives. Brooks poled out a double and three triples. Hansen turned in a single, a three-bagger and a home run, and only two players failed to hit safely at least once.

Trailing 2 to 0 going into the third, the Montgomery-Ward cellarites went on a rampage in which Brooks led off with a three-bagger and scored on Stucky's single. Howlette singled and all hands were safe when Dugan hit a sharp grounder and the play was made on Stucky at the plate. Hansen then cleaned the bases with a four-py swat to the outfield, after which Moore reached first on an error and scored on a hit by Crouch.

The lead, however, was short-lived because the Transfermen, who had scored one run in each of the first two innings, came back in the last of the third to push over six runs. Dominio reached first on an error. Perry and Scherner each singled, and Plin Laurance hit for three bases to bat in three runs. Kennedy Laurance reached first on an error, but was thrown out going to second. An error put Rice on base and he scored ahead of Puckett when the latter poled out a homer.

Montgomery Ward came back to tie the score in the fourth, only to have the Transfermen go out in front again by two runs in the last of the inning, and win with two more tallies in the fifth.

One Frame Ruins Shutout.
Waldo Campbell went on the mound for Boucock's in the second game in place of Al Merritt, regular hurler, and pitched himself a shutout except for one disastrous inning, when he walked in two of Texaco's three runs. Solomon started off for Texaco in the fourth with a two-bagger and went to third on Ellison's single. Ward singled, scoring Solomon, for an earned run. An overthrow at first on Bryski's grounder filled the bases. Campbell struck out the next batter, walked one to force in a run, struck out another for two outs, and then proceeded to give another walk, thus giving two tallies. The Texaco batters failed to hit in the remaining frames.

Bunching hits off Ellison, who suffered a painful leg injury in the fourth inning when he collided with Pengra in a fast play at first base, the Butchers, scored in every inning, being aided by costly errors.

Shinn was the leading hitter with two doubles. Heinz and Bruton each collected two singles. Summaries:
First game—R. H. E. Ward's—006 200 0—8 10 7 Dunham's—116 220 x—12 9 2 Moore and Hansen; P. Laurance and Dunham.
Second game—R. H. E. Texaco—000 300 0—3 5 5 Boucock's—123 112 x—10 9 2 Ellison and Flegel; Campbell and Baughman.

Swimming School Opened For Camas Valley Groups

CAMAS VALLEY, July 26.—Swimming school opened Monday with an enrollment of about 35. The instructor this year is Alvin Knudsen of Roseburg. There are several classes including children's, beginners, adults,

and junior life saving. The place is Slater Bottom the same as last year. New pupils keep coming in every day and much interest is being shown in the project. Mr. and Mrs. G. R. Moore and Mr. and Mrs. Charles Crouch had a picnic supper together at the swimming hole one evening last week and built a shelter covered with branches to shield both swimmers and visitors from the sun.

The W. P. A. cooks employed during school are baking cookies to serve with soft drinks to the swimmers after their lessons. The school will last until July 31.

Padres Trim Sacs; Hal Turpin Wins From Portland

(By the Associated Press)

Rallying in the ninth inning, the San Diego Padres defeated the Sacramento Senators, 3 to 2, last night to even up their crucial series at two games apiece, and trim Sacramento's Coast league lead to seven and a half games.

Outfielder Jensen belted out a triple to launch the rally by the second-place San Diego club, and scored the winning run on Pelagrin's single.

While the Padres were humbling the Senators, the Seattle Rainiers edged themselves into position to take over second place in the loop, if anything happens to the Padres. The Rainiers slapped down the wobbly Portland Beavers, 7 to 2, for their third victory in a row over the league's tail-enders.

The Los Angeles Angels won their first victory in their current Coast league series with Hollywood, beating the Stars 9 to 5.

Oakland won its fourth straight game from the San Francisco Seals, 2 to 0, with Salveson hurling smooth six-hit ball for the winners.

With Sacramento and San Diego locked in a bitter struggle for series honors, Seattle has gradually been drawing nearly even with San Diego. Seattle had a fairly easy time last night, belting Portland's opening pitcher, Early Reid, for 6 runs in the first inning. Hal Turpin, Rainier hurler, was credited with his fourteenth win of the season, to four defeats.

Camp Fire Girls Will Open Their Camp Aug. 3

Final arrangements have been made, it is reported, for the annual Camp Fire girls' camp, which will be held at the Wolf creek site, starting Aug. 3. The girls will take over the facilities Sunday at the conclusion of the Boy Scout camp, now in progress.

Mrs. Sidney Dominico is to serve as camp director.

Girls planning to attend are requested to leave registration fees at the chamber of commerce office.

Rearmament

CHICAGO—Louise Sherman is aiding the defense drive—she sold the army her air rifle. The toy gun, which fires BB shot, was purchased by the 124th Illinois field artillery at Camp Forrest, Tenn., for \$1. Miss Sherman said a captain told her it was needed to chase razorback hogs and cows from in front of tanks as they maneuver over mountain
