### Widow of Former Judge Thompson Of Douglas Dies

Fatal Illness Follows Fall in Which Woman, in 89th Year, Suffers Broken Hip

Mrs. Vida Thompson, 89, the widow of a resident of Douglas county, died Wednesday at Albany general hospital after an illness of ten weeks resulting from a fall in which she suffered a fractured hip.

1859 to settle in Upper Lake, California. In Lake county, near Lakeport, she was married September 22, 1868, to Marshall Dewitt Thompson, and they came to Oregon in May, 1880, by boat from San Francisco to the lower Umpqua, and settled at Long Prairie, near Scottsburg.

She became a member of the Methodist Episcopal church at Elkton, Nov. 1, 1896, and was an active member of that church. In Aug. 1902, they moved to Roseburg where Mr. Thompson was serving as county judge, following appointment to that office in 1900. Upon completion of his term in 1906, they moved back to their farm at Long Prairie.

Following the death of Judge Thompson in 1912, his widow moved to Corvallis, where she lived for 11 years. She moved

from Corvallis to Albany in 1923.

She was the mother of four children, all of whom survive: Fannie May Grubbe, Albany; Flora Minerva O'Rourke, Nevada City, Calif.; Winfield Ezra Thompson, Wilbur, and Maxamilla Edith Butler, Reedsport. She also leaves 21 grandchildren, 27 great-grandchildren, and 3 great-great grandchildren.

Funeral services will be held at 9:45 a. m. Saturday at Fisher's chapel, Albany, and interment services will be at the Scottsburg cemetery at 2:30 p. m. Saturday.

Back From Camp—Attorney and Mrs. Dexter Rice have returned to their home on South Kane street, following a month's vacation at their summer place on Rock Creek.

**?? PROFESSOR WHIZ'S QUIZ ??**

HELLO! WHICH STATE OF THE UNION HAS THE GREATEST WEALTH PER CAPITA: NEW YORK, NEVADA, ILLINOIS OR CALIFORNIA?

Answer: NEVADA—with almost DOUBLE the per-capita wealth of the other states mentioned!

There is also a double value in using Uniquus flour and feeds. First, because they are your best buy, and second, because they are manufactured in Douglas County by a home owned concern. Be a "Good Neighbor." Save yourself money and build up your own community.
