Sound Effect

LANCASTER, Pa.—Volunteer fireman Art Gribble heard the wail of a siren after he had retired, leaped out of bed and raced for the fire house.

Encountering other volunteers on the way, he insisted he could smell smoke and urged firemen to hurry.

But when he reached the fire hall, he learned the siren was part of a musical number being played by the town band not far from his home.

The following described dog has been impounded and if not claimed within 48 hours from date of notice will be disposed of as provided by law:

Brown and white, male, Shepherd Collie pup, about 3 months old, picked up near Green.

Tom Fletcher, Enforcement Officer, August 15, 5:00 p. m.—Adv.

Three reasons why women leave home

It's so simple: (1) To shop in Portland from the Imperial or Roosevelt. Just a block or two from the center of things—shops, stores, banks, theatres. (2) To enjoy an adventure in good eating at the Imperial or Roosevelt Restaurants, where the Chef knows how to treat good food with the proper respect. (3) To sleep soundly in our deep, soft beds. Only a lamb or two goes over the fence before you float away to slumberland.
