Mill Improved

CONSTRUCTION of the new waste burner for the Roseburg Lumber company mill is proceeding rapidly. Soon the waste disposal problem that has plagued the mill for years will be completely solved.

The addition of the burner to the Ford mill involves an expenditure in itself almost equal to the cost of a small sawmill. In other words it costs considerable money to build a complete manufacturing plant such as the Roseburg Lumber company mill will be when the burner is completed.

Mr. Ford has consistently kept up a policy of modernization and expansion. His mill is now a complete lumber producing unit. The monthly payroll is the largest payroll in this city.

Down the years we have heard some complaints about the Roseburg mill. They have been more or less trivial peevish. Some folks simply do not like to see factory smokestacks in the town. But we must remember that a western community located in the center of the largest stand of Douglas fir timber that ever existed in the United States cannot go on for so very long without sawmill smokestacks.

Douglas Fir Is Fir—Not Pine

WE are amazed at the following lead sentence in a story in the Portland Oregonian: "Poor Mount Osborne, the pinnacle of pine that almost brushes the sky..."

They call it pine sawdust but, as a matter of fact there probably has never been a pine log sawed in Portland. Come, come, fellows—Portland is the lumber capital of America.

Lou Metzger suffered as had a fire loss as this city has ever known. He is down, burned down, but he is not out. Drive past the scene of the fire and you will note workmen busy clearing away the still hot and smoking ruins.

Editorials on News

les escape annihilation and retain their striking power. Hitler's Russian campaign will bring him more liabilities than assets.

TODAY'S dispatches inform us that the British radio will make an "important announcement" tomorrow. Sharp news men promptly recall that for several days the whereabouts of Roosevelt, Churchill and Hopkins have been unknown.

It's a fair guess they haven't been killing time fishing, eating and sleeping. ON the home front, the 18 months extension of military service bill passes the house of

representatives by the narrow margin of ONE vote. It is water under the bridge, of course, and water under the bridge can't be called back, but it is fairly clear now that it would have been better to meet this whole issue frankly and courageously when it came up a year ago.

THOSE who have been happily certain that Russia's unexpectedly spirited and effective resistance would be the cigarette coal that would pop Hitler's toy balloon will now be the worst scared as the news begins to turn the other way.

As a builder of morale, wishful thinking is a washout. A sound recipe for successful resistance is to expect the worst and prepare to meet it.

THIS writer (possessing no inside information and merely GUESSING from what has happened so far) has a notion that Russia isn't licked yet. History tells us the Russians have been a pretty tough lot in the past, and there are indications that they haven't changed much.

Another thought about the Russians

Bad as their government has been from OUR STANDPOINT, they appear to be willing to die for it.

You never can tell about people.

Information For Recreationists

(Forest Service Bulletin)

Fishing: Trout fishing is only fair in the North Umpqua river, with best catches being made on grey hackles and black gnat flies. The past few days have seen the steelhead fishing greatly improved.

In the Bohemia area, all streams are low and fishing is poor. Fishing is fair in Diamond lake and in the streams of the Diamond lake district.

Huckleberries: Huckleberries are ripe at Huckleberry gap and at Huckleberry lake in the South Umpqua district.

Roads: The worst portion of the Copeland creek section of the North Umpqua road has been graveled, although there is still some work to be done.

Scenic Drives: The loop drive in the Bohemia district is recommended for scenic trips. Best route is to go up Brice creek by way of Sharps creek.

Campgrounds: Rujada camp in the Bohemia district has excellent camping facilities with only a two-mile hike to Rujada point, where a fine view of the upper Laying creek country may be seen.

Fire Danger: Campers and travelers are requested to use special care in building campfires, and please do not smoke on any of the Umpqua forest roads except between Rock creek and Copeland creek and the highways leading to Diamond lake.

CARD OF THANKS To those who assisted us in every way during our recent bereavement of our loving father and grandfather, and for the beautiful floral offerings.

Mrs. Elsie Anderson and daughter, Fern Carol Anderson, announced Barry's appointment

OUT OUR WAY

Venezuelan Only Unbeaten Hurler In American League

By JUDSON BAILEY (Associated Press Sports Writer) Alejandro Carrasquel, Venezuelan, is the only undefeated pitcher in the American baseball league. He has scored six victories.

He has started three encounters, finished all of them and won all of them—beating the third-place Boston Red Sox yesterday, 6-3, by scattering eight hits in the seven innings before rain halted play.

Boston's defeat helped entangle the teams trailing the New York Yankees in the first division because the Chicago White Sox conquered the Cleveland Indians, 5-2, to climb within a half-game of third place and within two games of second place.

Ross checked the Indians on seven hits while the Sox bunched five of their nine blows for four of their runs in the sixth and seventh innings.

The St. Louis Browns downed the Detroit Tigers, 6-1. Each team was limited to six hits, but Rookie Bob Muncrief of the Browns kept his so scattered that the Tigers' only tally was a homer by Campbell.

Rain kept the Yankees idle and also curtailed the National League program to a game in which the Cincinnati Reds stopped the Chicago Cubs, 3-1, for Vander Meer's 12th victory.

Barry Succeeds Jones as Trojans' Football Coach

LOS ANGELES, Aug. 16. (AP)—Southern California's football fortunes, guided by an all-Trojan coaching staff, will be plotted along much the same course mapped by the late Howard Jones.

West Hemisphere Risk Bonus Granted Seamen

NEW YORK, Aug. 15. (AP)—For the first time in American history, seamen will receive war risk compensation and insurance for voyages to Newfoundland and the West Indies.

The CIO National Maritime union, making the announcement, said compensation and bonus had been agreed upon with five companies operating 15 ships and employing 450 men.

For four of the firms, the payment will be \$40 a month for trips to Newfoundland and \$25 a month to the West Indies. The other, a Collier company, will pay \$17.50 a month to Newfoundland and the West Indies.

Heretofore, war risk compensation and bonuses have been paid only on voyages outside the western hemisphere.

Demurrer Filed in Fight Over Textbook Measure

SALEM, Aug. 15. (AP)—Sponsors of the measure to give free textbooks to private schools filed a demurrer in circuit court yesterday to the answer of Secretary of State Earl Snell in the mandamus proceedings which would refer Snell to accept petitions for referendum of the textbook bill.

The 1941 legislature passed the bill, but the state supreme court invalidated the petitions. The case will be argued in circuit court within a week.

Lieut.-Col. Mulkey, Lately Of Myrtle Creek, Dies

Lieutenant Colonel Oren A. Mulkey, former resident of Myrtle Creek, died at San Antonio, Texas, this morning, according to word received by relatives. Colonel Mulkey had been in ill health for several months.

He was the youngest son of the late Mr. and Mrs. William A. Mulkey, early-day settlers in Myrtle Creek, and a brother of Frank C. Mulkey and Mrs. C. C. (Adelle M.) March, both of Myrtle Creek.

He leaves a widow and two children, Oren A. Mulkey, Jr., and Adelle Mulkey, both of San Antonio.

No word concerning funeral arrangements has been received. Attends to Business—W. J. P. Farrell, of Salem, savings and loan supervisor of the corporation department of the state of Oregon, was a business visitor here yesterday.

Melange Contest Is Draw

The All-Star contest was followed by an exhibition game between the Roseburg girls team and a group of men players. The contest was one in which the batters, fielders, umpires and scorekeepers all became confused, and the game was called a draw in the eighth inning with the score 7 and 7.

The girls' team included Sanders, ss; Kurtz, 1b; Cordon, 2b; McKibben, 3b; Pounds, rf; White, lf; Weatherford, cf; Domingo, cf; Young, cf; Ellison and Meyers, composed the batteries for the girls, while Denley and Carmichael, regular pitcher and catcher for the girls team, played with the men. The men's team included, Shinn, lf; Baker, ss; Solomon, lf; Loomis, 1b; K. Laurance, 2b; Stucky, 3b. The men were forced to bat cross-handed or from the opposite side of the plate to that from which they usually bat.

The game resulted in a great deal of fun for the players and spectators.

All-Stars Defeat Aces for Entry in Softball Tourney

From a group of players participating in an all-star game at Finlay field last night, a team was selected to represent Roseburg in the state softball tournament. The local team will go to Eugene Monday to play at 8:30 p. m. against the Diamond A team of Eugene. The winner will go to Oregon City to play against the Portland city champions at 4 p. m. August 24 in the first round of the state finals.

The Roseburg team in district competition will include Meyers, catcher; K. Laurance and Ellison, pitchers; Mills, first base; P. Laurance, second base; Baker, short stop; Domingo, third base; Shinn, center field; Scherner, right field; Parks, left field; Morgan, Baughman, Hansen and Perry, utility.

The All-Star team last night was composed of Domingo, 3b; Baker, ss; Scherner, rf; K. Laurance, p; Shinn, cf; Mills, 1b; P. Laurance, 2b; Meyers, c; Heinz, lf. The Aces were: Hansen, 1b; Brooks, lf; Ellison, p; Baughman, c; Morgan, ss; Bruton, rf; Winters, 2b; Solomon, cf; Stucky, 3b.

The All-Stars won the game 13 to 2 in a wild sixth-inning blow-up after fans were given a very fine exhibition up to that point. For the first two innings, no batter reached first base and both teams turned in sensational fielding plays. In the third inning Meyers drew a walk and stole second, scoring on a sharp single by Heinz to put the All-Stars out in front. Two more runs were added in the fourth on hits by Scherner, Shipp and Mills. The Aces scored one run in the fifth inning on three consecutive All-Star errors, when the defense suffered a brief lapse. A walk and an error accounted for the second run by the Aces in the sixth inning.

After playing air-tight ball for five innings, the Aces suddenly blew up in defensive play in the last half of the sixth inning and the All-Stars scored nine tallies. The inning saw four errors, three walks, one of which forced in a run, and hits by Baker, Heinz and P. Laurance, the latter getting a three-bagger, for the only extra base hit of the game.

The contest was featured by the stellar pitching of K. Laurance who did not allow a single safe blow in the seven innings he occupied the mound. Ellison, pitching for the Aces, allowed seven hits and had held the lineup of usually hard sluggers on the All-Star lineup to four safeties up to the explosion in the sixth when his defense and control went skyward simultaneously.

Melange Contest Is Draw The All-Star contest was followed by an exhibition game between the Roseburg girls team and a group of men players. The contest was one in which the batters, fielders, umpires and scorekeepers all became confused, and the game was called a draw in the eighth inning with the score 7 and 7.

The girls' team included Sanders, ss; Kurtz, 1b; Cordon, 2b; McKibben, 3b; Pounds, rf; White, lf; Weatherford, cf; Domingo, cf; Young, cf; Ellison and Meyers, composed the batteries for the girls, while Denley and Carmichael, regular pitcher and catcher for the girls team, played with the men. The men's team included, Shinn, lf; Baker, ss; Solomon, lf; Loomis, 1b; K. Laurance, 2b; Stucky, 3b. The men were forced to bat cross-handed or from the opposite side of the plate to that from which they usually bat.

DAILY DEVOTIONS DR. CHAS. A. EDWARDS

It is a fact, established by an abundance of medical surveys and government reports, that venereal disease causes more casualties among the fighting forces of a nation than actual combat on the battlefield. One of the mysteries of modern warfare is the replacement way in which great governments treat the question of prostitution. The city of Denver is setting an example for the nation in a quiet but firm campaign against this evil. No quarter is to be shown, we are told, to the prostitute, the pandener, the madame, or the landlord who shares in the profits. The campaign is not going forward as a "moral crusade," but as a public health measure. Thousands of young soldiers swarm the streets of Colorado's capital and the police department and city administration have conceived of it as their duty to protect the soldiers in the hour of their peril to protect the soldiers in the making, against disablement before they get to the scene of combat. We most heartily commend the idea to other cities, mayors and chiefs of police. To take virologous measures in this matter and refuse all compromises is a mark of true patriotism. It is not a matter of morals or sentiment. It is a question of national safety. Amen.

Curry County Slayer Becomes Prison "Lifer"

GOLD BEACH, Aug. 15. (AP)—W. A. Belknap began a life term in the state prison yesterday following his conviction of the murder of J. B. Cole. The jury recommended life imprisonment and Belknap waived time for sentencing before Judge King. Belknap pleaded insanity and justifiable homicide. He said he acted in protection of Mrs. Cole.

Padres, Rainiers In Close Battle For Second Place

(By the Associated Press) The San Diego Padres, nearest pursuers to top-place Sacramento in the Coast league race, defeated the Los Angeles Angels, 5-2 and 10-3, last night and although the double victory fattened the Padres' percentage nicely, there was little more in it for them.

The trouble was that the Seattle Rainiers, pressing San Diego for second place, won a double-header from Hollywood, 4 to 2 and 5 to 4, to stay only nine points behind the Padres in the standings.

Sacramento, meantime, divided a double bill with San Francisco, losing the first 8-2 to the Seals, but taking the second, 3-1. In the other league double-header, the long-suffering Portland Beavers reached up out of the cellar and slapped down the Oakland Aorns, 5 to 3 and 8 to 4, to clinch their current nine-game series.

The Aorns ran into a double disaster, largely because of the hefty clouting of Escobar of the Portland squad in the opening game, and because the Aorns themselves blew up in the night-cap. Escobar smashed out a pair of home runs, one with a runner on base, in the opener. Oakland had a two-run start in the night-cap, but a third-inning break gave Portland three runs.

Captain R. L. Irving Promoted to Major

R. L. Irving, who left Roseburg as captain and commanding officer of Co. D, 162nd infantry, the local national guard company, has been promoted to the rank of major and has been assigned to the post of executive officer of the 1st battalion, 162nd infantry, according to word received here today. Major Irving has recently returned to Camp Murray from Fort Benning, Ga., where he spent several weeks attending infantry school.

Here Friday—Mrs. C. D. Glenn, of Gold, spent Friday here visiting relatives and friends.
