New Land Fraud Racket

SLICK tongued, fast talking, land salesmen are reported to be taking advantage of the great publicity given to the Grand Coulee power and irrigation project.

When anyone is approached to purchase land within or near the Columbia Basin Project, he should get in touch immediately with the Bureau of Reclamation.

Emphasis was placed on the fact that some of the land may remain without water for 20 years or more, the plan being to bring under irrigation only small parcels of land each year.

The racketeers often state that no charges for water will be assessed for the first six years.

Furthermore, some real estate agents are pretending to represent the government.

The Tranquil Conscience

THERE is nothing like a tranquil conscience. Fourteen months ago, Benito Mussolini spoke from the Palazzo Venezia, declaring war on prostrate France and thundering, "We are going to war against the plutocratic and reactionary democracies of the West..."

Well, 14 months have passed, Italy has attacked Greece and occupied it by grace of Adolf Hitler. It has bombed Alexandria, Egypt. It has been presented with a phony "Kingdom" carved out of Yugoslavia by the German conqueror and passed on to Italy in lieu of the lost African empire.

Arrives Here—Miss Claire Tison, who has been studying singing in Portland, has arrived to visit her parents, Mr. and Mrs. G. C. Tison at Dixonville.

Editorials on News

(Continued from page 1)

Italian patrols are scouting the Greek-Turkish border. Italian garrisons on the Greek islands near the Dardanelles have been strengthened.

IRAN is stalling on the British-Russian demand that she throw out the Germans. Her ORAL answer (apparently preceding the written one) is said to be unsatisfactory in London.

THERE are growing demands in London (still passed by the British censor) for the opening up of a new front by the British somewhere on the continent while Hitler is busy with Stalin, Norway and Italy are suggested as the likeliest points.

Maybe the British are in a position to open up a new front. This writer doubts it.

It looks like a tale put out to worry Hitler.

ANOTHER specimen from today's rumor crop: Vichy says police in German-occupied Paris are reported to have arrested 6,000 persons. The arrested persons are described as Jews. The move, Vichy says, is apparently aimed at dealing with sources of PUBLIC UNREST.

Don't think Hitler isn't worried by signs of public unrest in the countries he has conquered.

AND here's one on the lighter side:

The National Women's Undergarment association broadcasts this message to American women today: "Cut skirt lengths SEVERAL INCHES. We'll cut your undergarments to fit—resulting in a saving of millions of yards of cloth."

Reading this appeal, Helen Forrest Hall, fashion expert, snorts: "Humph! Skirt hems are already slapping at our knees! What next?"

THIS writer hopes American men aren't called on to wear SHORTS to business. The sight of the average male knee isn't calculated to strengthen public morale.

Adrian Fisher Elected State Elks Assn. Trustee

Adrian Fisher, exalted ruler of Roseburg lodge of Elks, attained further honor in the fraternity's state association meeting at Astoria last week, by being elected to the board of trustees.

WEATHER STATISTICS

By U. S. Weather Bureau Humidity 1.30 p.m. yesterday 81% Highest temperature yesterday 77° Lowest temperature last night 60° Precipitation 24 hours. —.08 Precip. since first of month —.32 Precip. from Sept. 1, 1940 31.18 Deficiency since Sept. 1, 1940 1.62

To Hold Meeting—Major R. D. Gifford of the Salvation Army will be in Roseburg, Tuesday afternoon and evening to meet with the Young People's Bible class at 6 o'clock and to hold a public service at eight at the Salvation Army hall, 327 West Cass.

Spends Week End Here—Robert L. Harris, who works for Copco in the Medford office, spent the weekend here visiting his parents, Mr. and Mrs. W. F. Harris, and friends. He was accompanied by a friend, Richard Charters of Portland, who is attending summer school in Corvallis.

DAILY DEVOTIONS DR. CHAS. A. EDWARDS

Jesus had abundant experience with the commonplace. Many of us know something of the strain of it, the daily grind and the constant round of commonplace duties, test our faithfulness and our endurance. Who can blame us if we grow tired of our drab lives. Yet we can be a good example when we glory in the commonplace. We can be faithful in the ordinary things of life. Jesus somehow found the secret of interchanging great things with the small. With him, the making of the plow concerned the remaking of a world. What a standard for us today. To do our daily work as if it were already Christ's world, redeemed and worthy of the best. God has promised a larger trust to those who are faithful in the small things. Faithfulness that is earthly will grow into a commission that is heavenly. "He that is faithful in a very little is faithful also in much, and he that is unrighteous in a very little will be unrighteous also in much. Our religion is not an instinct, but a faculty to be cultivated, therefore much depends upon our faithfulness to the small and unimportant tasks. They are the test to the real secret of life. Amen."

MARKET REPORTS

PORTLAND, Ore., Aug. 25.—(AP)—BUTTER—Prints, A grade, 39c lb. in parchment wrappers, 40c in cartons; B grade, 38c in parchment wrappers; cartons, 39c lb. Spot Cafe Reopened on North Stephens Street

The Spot cafe, operated by A. C. Fauther, was opened today in new location at 121 North Stephens street, directly north of the federal building. Mr. Fauther for a number of years has operated a similar business on Winchester street.

Sacs Twice Down Rainiers to Boost Coast League Lead

(By the Associated Press)

Through the efforts of a couple of second string pitchers, Schmidt and Curlee, and the timely hitting of Outfielder Adams, the Sacramento Senators, losers in four out of five first starts against second-place Seattle last week, swept a Sunday doubleheader, 2-1 and 4-3. The double win restored Sacramento's league lead to seven full games.

Schmidt produced a six-hitter in the opening game. Curlee outlasted four Seattle hurlers over the seven-inning night-cap stretch. While this was going on, the cellarite Portland Beavers took their second successive series of splitting a bargain bill with San Diego, winning the second game, 4-2, in two extra innings, after losing to Hebert in the opener, 8-2.

Portland also won Saturday, 2-0, when Orrell gave a two-hit performance to best Terry, the league's biggest winner.

Two other Sunday doubleheaders also ended in divided victories. Hollywood brushed past San Francisco, 9-8, before bowing to the Seals, 7-2. Each team won twice in the short four-game series, it having been San Francisco's turn, 5-4, on Saturday.

Los Angeles beat Oakland, 6-3, to launch yesterday's proceedings, but the Oaks came back, 4-2, for a 3-1 margin in another curtailed stand. Saturday it was 2-0, with Salveson pitching the shutout.

Brooklyn Lead in National Race Is Saved by Wyatt

By JUDSON BAILEY (Associated Press Sports Writer)

The stirring struggle of the St. Louis Cardinals and Brooklyn Dodgers for the National league pennant reached a high point in their doubleheader yesterday. Wyatt singled in the ninth inning to snatch a 3-2 victory and save Brooklyn's game and a half lead over the Cardinals, who had swept to a 7-3 triumph in their first encounter. The victory was Wyatt's 17th.

In winning the first game, Ernie White, Cardinals' southpaw star, pitched nine-hit ball for his 16th triumph. They clubbed Higbee off the scene in less than three innings.

The Cincinnati Reds, coming fast but probably too late, gained a game on both the leaders by trouncing the New York Giants, 13-9, and 6-4.

The flying Phillies cut down the Chicago Cubs twice, 8-5 and 7-6, while the Pittsburgh Pirates split with the Boston Braves. Boston took the 12-inning opener, 1-3, and Pittsburgh the nightcap 7-3, in six stanzas.

The New York Yankees showed any doubtful American leaguers at Chicago that they still were boss by swamping the second place White Sox, 5-1 and 8-5. Keller hit his 31st and 32nd home runs.

The St. Louis Browns put the Washington Senators through a 4-3 10-inning wringer to bounce from the cellar into sixth place. Rain postponed the second game of their scheduled doubleheader.

Benton pitched the Detroit Tigers to a 7-4 decision over the Philadelphia Athletics.

The Cleveland Indians downed the Boston Red Sox, 4-3 and 5-2.

Eugene, Corvallis Softballers Star At Tourney Debut

OREGON CITY, Aug. 25.—(AP)—Six teams advanced to the quarter-finals of the annual Oregon softball tournament yesterday before rain cut short the opening day's schedule.

Impressive in the first round were the Eugene Diamond A team, the Corvallis Bottlers and Portland's Grimshaw Tires.

Eugene, behind young Basil Wilson's five-hit pitching, upset the Portland Iron Firemen, 5-4. A single, an error, a triple by Charlie Deautremont and a homer by Ed Russell provided the victors with a four-run lead in the first inning. It was just a breeze after that, Portland scoring six runs in the seventh inning on two singles and a couple of bad throws.

The Corvallis Bottlers, who upset the defending champions, Corvallis Laundry in district play, took the measure of the Salem Square Deal team, 4-2.

Archie Hamlin, pitcher for the Portland tire team, whiffed 10 batters and allowed but one hit in blanking Klamath Falls, 14 to 0.

In other games the Bonneville engineers downed Forest Grove, 4-1, behind Georssens' three-hit hurling; the second battalion of Astoria trimmed Primeville,

OREGON EVENTS FLASHED FROM WIRE SERVICE

PORTLAND, Aug. 23.—(AP)

Effects of declining trade with Japan are beginning to be noticed on the Portland drug market, merchants said yesterday.

Among diminishing supplies were menthol, used in head cold preparations; pyrethrum, used in flea powder; and volatile oils derived from cloves, cinnamon and eucalyptus.

PORTLAND, Ore., Aug. 23.—Army morale has not disintegrated because of the 18-month extension of service recently voted by congress, Lieut.-General Lesley J. McNair said yesterday.

The general headquarters chief of staff told newsmen, "of course the boys wanted to go home, as you can't blame them for that. But now that they know they can't they are taking it all right."

Gossip Hurting Army's Morale, Marshall Says

DENVER, Aug. 23.—(AP)—

General George C. Marshall, army chief of staff, says that army morale, "far more important than the character of its equipment," was excellent until people began to talk about it.

"Since then, morale has been affected," he declared in an interview. "It depends in large measure on the morale of the people behind the army—on their unity of purpose."

Marshall was asked if the army's decision to release inductees after they serve 18 months, despite the newly appointed 30-month time limit, was caused by public discussion of morale.

He answered, simply, "the action was in accord with plans of the war department."

ATTENTION MASONS

All members are requested to meet at the temple Tuesday, August 26, at 10:00 a. m. for the purpose of attending the funeral of our late Bro. Frank G. Burr. Services at the Roseburg Undertaking Parlor at 10:30.

(Adv.) W. F. Harris, Sec'y.

Federal Apple Purchasing Program to Be Launched

WASHINGTON, Aug. 25.—(AP)—An apple purchasing program expected to supplant vanishing export markets totaling between 10,000,000 and 12,000,000 bushels annually will be undertaken by the government this fall, Representative Randolph (D., W.Va.) said.

Such a program would be the third undertaken by the agriculture department's surplus marketing administration to relieve apple growers, he said.

Randolph urged Secretary of Agriculture Wickard to attempt to bolster market prices in the program, saying:

"The government should lead the market rather than follow it, with a price set for the purchases which would allow the growers to make a modest profit or at least break even, in view of their losses in the last few years."

Farmers Spend Nearly \$150,000 to Fight Weeds

CORVALLIS—Oregon farmers spent close to \$150,000 last year on the control of perennial noxious weeds, reports Lawrence Jenkins, assistant extension specialist in farm crops at O. S. C. Definite control work was carried out on 13,111 acres of perennial weeds, the principal weapon used being cultivation of approximately 12,000 acres. Approximately 1000 acres made up of numerous small patches were treated with chemicals. On these, 383,680 pounds of sodium chlorate were applied, 44,650 gallons of diesel oil, and 10,611 gallons of carbon bisulphate.
