WOOL

BOSTON, Aug. 29—(AP)—The Commercial Bulletin will say tomorrow:

"The wool market has been decidedly lacking in animation this week. Sales have been few and far between, although prices have been well maintained and on medium bright fleeces are a bit firmer. Fine domestic wools have been rather neglected.

Reports from the piecegoods market indicate continuing good demand for civilian fabrics in both men's and women's wear. Bradford reports American mills may furnish military fabrics for Russia.

"Western operations this week have been very limited. A little wool has been sold in New Mexico and Texas at a strong dollar, clean basis, Boston.

"Orders are being placed in Australia for average to good top-making fibre wools at 93 to 95 cents clean basis duty paid, Boston.

"Mohair is still quiet and hardly changed in price."

DRIVE OUT BOWEL WORMS
Before they cause Trouble

Your children — and you, too — may have roundworms without even knowing it. And these pests, living inside the body, can cause real trouble. Watch for these warning signs: fidgeting, uneasy stomach, itchy nose and seat, nervousness, paleness.

If you even suspect roundworms, get Jayne's Vermifuge right away! Jayne's is America's leading proprietary worm medicine. Scientifically tested and used by millions for over a century. It acts very gently. Expels stubborn large worms without "dynamiting." If no worms are there, it is just a mild laxative. Demand Jayne's Vermifuge.
