Courageous Costa Rica

COSTA RICA is one of the smallest countries of Central America. You can't help admiring the bantam rooster courage with which it recently refused to withdraw its consuls from occupied countries in Europe. Said Costa Rica: These representatives are accredited to certain governments. The fact that those governments happen not to be functioning at the moment because nazi bayonets have overrun their lands simply has nothing to do with the case. They are still the legal governments, and as far as Costa Rica is concerned, they still exist. Germany may kick out those Costa Rican consuls, but Costa Rica isn't withdrawing them.

Even the United States didn't have the courage to take this eminently proper stand. It remained for a tiny Central American country, whose belief in, and practice of, democracy stands out in all the Americas despite its large percentage of German-· Costa Rican citizens, to say flat

Brooklyn Downs Cincinnati, 5 to 1, In 17-Frame Battle

By JUDSON BAILEY (Associated Press Sports Writer) Surely but slowly, agonizing steps at a time, the Brooklyn Dodgers are creeping toward the National league championship. They capitalized vesterday on a

chance to add a half-game to their lead over the idle secondplace St. Louis Cardinals. But it took the Dodgers 17 innings-and on that basis you can't say that their foes are giving them

something for nothing. The Dodgers are two games out in front today for two rea-sons-they battle to the final out; and the Cardinals have been beset by one of the worst sieges of injuries that ever befell a major league club.

No one can say where the Car-dinals might have been if they had had Terry Moore, Enos Slaughter and all their other regulars for the entire season as Brooklyn has had. For 16 innings yesterday's

struggle was a scoreless pitching duel between Derringer, ace of the Reds, and Allen, ex-American

leaguer who was supplanted in the 16th by Casey. For nine innings Allen held the Elks Club Reds to one scratch single. The Lund's Radio Dodgers put men on bases in sev Sandwich Sh en of the nine frames without scoring. They kept right on chal-lenging and in the 17th, when darkness was enveloping the con-test, they finally managed to turn the affair inside out and win, 5-1.
