Good Publicity Job

SOME Curry county resident is a publicity genius of no mean ability. That stunt of talking about ceciding from Oregon and joining California was an exceedingly smooth and interesting way of attracting attention to the needs of that southwestern Oregon county.

It is no accident that the United States of America, whose foundations were first IMAGINED and then BUILT ENDURINGLY by these unusual people has grown to be the first wonder of the world.

It is scarcely possible, however, that the idea will be taken seriously—even by the Curry county people. It has been common gossip for years and years, that the northern counties of the state of California have always been treated like unloved step-children.

However, the publicity genius of Curry county has accomplished fine results. He got the point across (and how) that his county is getting a bum deal at the hands of the state of Oregon.

Of Death and Taxes

TAXES in the United States will actually be higher in 1942 than in Britain. The U. S. Chamber of Commerce is authority for that, basing its figures on both the per capita tax burden and the percentage of national income taken.

Not only that. Our tax collectors also bear away the palm for ingenuity. Down in Muskogee, Oklahoma, the city fathers are spiritedly debating a proposed tax of 25 cents a month on all toilet seats.

DEVELOPED NEW SKILLS.

WE hear much gloomy talk about what may happen to the United States under the changed conditions that will be likely to follow the present war.

IN many, MANY ways, these early New Englanders were admirable people. In the building of homes, for

example. All along the highway through Connecticut and Rhode Island and Massachusetts are dated colonial houses, some of them running back nearly 300 years. They are as sound as when they were built. And they are BEAUTIFUL.

THESE early ancestors of ours, in New England and in the warmer and more liberal South, were people of quality. Not vagabonds. Not mere adventurers. Quality folk, with breeding and background and culture.

STUDY their portraits, as and when you can gain access to them. Their faces and their bearing tell the story. Their WORKS retell it.

These simple and beautiful old houses, for example. And the stately and beautiful public buildings they erected, such as Independence Hall in Philadelphia and Faneuil Hall in Boston.

Business Women Praised in Letter From Gov. Sprague

Observance of National Business Women's week was held by the Roseburg club yesterday by a large number of the members attending the Christian church morning service.

My cordial greeting to the Business and Professional Women of Oregon as they celebrate National Business Women's week—Oct. 5-11. This annual week is always important to the members of the organization, but it is likewise recognized with appreciation by the business world which is now much dependent on the ability and loyalty of the women active in positions of responsibility in this field.

As the business tempo accelerated due to the war more and more women have been called into employment and more and more women are being placed in executive posts. In business as well as in the active profession of nursing women will make an important contribution to the national defense.

The state government employs many women in state offices, institutions and colleges. As government I want to express appreciation of the fine service they are rendering in their various capacities.

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS: "The consent of the governed." For six thousand years these words have expressed the hope of mankind; for one hundred and sixty-five years they have been the fighting faith of Americans. These words are America's holy of holies. All we have that is good, outside of God and nature, comes from the truth of these words. They are the basis of our full institutions. The constitution of the United States is but the means to carry out their purpose. As the supreme court of the United States has said, the constitution "is but the body and the letter of which the declaration is the thought and the spirit." And in the only civil oath that is ever taken by an American he swears to do only one thing, to preserve, protect and defend the constitution of the United States against all enemies, foreign and domestic. In short, the consent of the governed means that man is the final judge of the state, and not the state of him. That the state exists for him, and not he for the state. Man is a creature of God. The state is a creature of man. The state is only the house in which man lives. Man enters that house alone from the body of his mother and alone he goes to the grave of his fathers. Empires and republics have come and gone, but the divine seed of life has been carried on in an unbroken journey from Adam to our present day. Man has survived the death of dynasties. Caesar is dead. God lives in his children. Amen.

Defense Quiz

Q. Has the government set a quota to be raised through the sales of Defense Savings Bonds? A. No; there is no quota and no time limit. The Defense Savings program is to be a continuing effort, and both Defense Bonds and Stamps should be purchased steadily and regularly.

Q. Why were the nation's retail stores asked to sell Defense Savings Stamps? A. American retailers were not asked they volunteered through their national organizations to undertake the sale of Defense Savings Stamps on a vast scale.

NOTE: To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

Sacs Beat Seattle In Eleven Innings

SEATTLE, Oct. 6.—(AP)—All the "fluke" ninth inning baseball breaks weren't confined to Ebbets field, Brooklyn, yesterday—the Seattle Rainiers lost a tough game to Sacramento in the president cup series the same way.

The two teams, with Seattle holding a 2-1 game edge, were southbound to Sacramento today to resume their four-of-seven games at Sacramento tomorrow night. Sacramento won in the 11th yesterday, 3 to 2.

In the ninth, Barrett had two strikes on Bill Endicott, the tying run was on third base and two were out. Barrett uncorked a wild pitch. Klutz streaked for the plate and beat Catcher Colton's desperate throw to Barrett, tying the score.

MAJOR SCHOOLS RETAIN UNDEFEATED STATUS

(By the Associated Press) Major high schools, looking stronger with every game, retained undefeated status in Oregon high school play over the weekend.

Top-sided scores featured play, only one of the leaders, Astland, having a close battle. The Grizzlies scored a 12-7 win over Coquille on Halfback Jandreau's 90-yard return of a kick-off in the third quarter.

Two other southern Oregon leaders chalked up early scores to squeak opponents. Klamath Falls trounced Dunsuir, Calif., 45 to 0, and Medford downed Grants Pass, 19 to 7.

Albany and Salem ran wild in western Oregon, the Vikings whitewashing Oregon City, 48 to 0, and Albany trouncing Bend, 38 to 0. Myrtle Point kept pace with its second straight high-score victory. Bandon was the victim this time, 25-13.

Eugene won its cross-town game from University High, 19 to 0. Corvallis opened at home with a 14 to 0 decision over McMinnville, and Astoria measured Milwaukee, 14 to 0.

Among other scores: Springfield 7, Junction City 0; Linfield 12, Marshfield 0; College Scores: Oregon State 9, Washington 6; California 6, Washington State 13.

Reedsport Downs R. H. S. Indians By Score of 19 to 13

By WARD CUMMINGS, Jr. The Roseburg Indians failed to stop the smashing drives of Leach, the 190-pound full back of the coast town Saturday at the latter's field, and Reedsport won, 19 to 13.

Reedsport scored first on a recovered fumble on Roseburg's 40 after a series of line plays and a couple of reverses. Try for point failed. Roseburg came back late in the first quarter to score, when Bert Young broke loose on an end run and galloped 65 yards to a touchdown. Young's try for point was good and the score stood Roseburg 7 Reedsport 6.

In the second quarter, Leach, on steady pounding through the line and on sweeping end runs, scored from the eight-yard line. Try for point was good and Reedsport led thirteen to seven at the half.

In the third quarter Young's punt on Roseburg's 45 was blocked by Koogler and Franklin. Reedsport's left tackle and right guard and recovered by Reedsport on Roseburg's 32. After a series of line plays and a couple of reverses, Reedsport scored from the three-yard line. Try for point failed. Score 19-7. In the same quarter Roseburg recovered a fumble by Leach on Reedsport's 37, and on the second play Lee Wimberly tossed a pass to Tony Anderson, left end, who ran to the ten before being forced out of bounds. Hohenstein, sophomore back, on the next play faked a pass to Anderson and skirted right end for a Roseburg counter. The point for conversion was wide and the game stood Roseburg 13, Reedsport 19.

The fourth quarter was a matter of line bucks with little advantage to either team until late in the quarter, when Roseburg pulled a sleeper play. With Jack Calkins unnoticed on the side line, Young shot a beautiful pass across field to Jack on the Reedsport 40, from where he scampered to the three before being tackled. There Reedsport's line held and after two line plays, a fumble and an intercepted pass, the game ended with the ball in Reedsport's possession on their own 20-yard line.

Lineup table showing players for Roseburg and Reedsport. Roseburg: Anderson LE, Single LT, Turner LG, Holmquist C, Peterson RG, Vincent RT, Doney RE, Wimberly Q, Young LH, Calkins RH, Wells F. Reedsport: Bennett LT, Koogler LG, McAllister C, Holladay LG, Lillebo RB, Franklin RB, Vluay QB, Junway QB, Rosier RB, Carlson RB, Leach RB.

Hurricane Blow In Florida Light

MIAMI, Fla., Oct. 6.—(AP)—A threatening tropical hurricane that beat at Nassau for two hours last night crossed the lower Florida coast east early today with greatly diminished force, apparently inflicting only minor property damage.

The weather bureau reported the storm, with a very small center, passed inland about 13 miles south of Miami and continued its course toward Fort Myers and other gulf coast points. Nassau and Miami reported damage to small houses, disturbance of power supplies in some sections, but no major destruction of property and no loss of life.

The center of the hurricane apparently passed south, between Miami and Homestead, but local sources said the chief damage there was to the rapidly-ripening citrus crops. The weather bureau warned that high winds would continue in Miami and over central south Florida for several hours.

9th Inning Error Enables Yanks To Win 4th Game, 7-4

BROOKLYN, N. Y., Oct. 6.—(AP)—This is what happened in Brooklyn yesterday afternoon. With the Dodgers leading the Yankees by a score of 4-3 before 33,800 supremely happy Brooklyn fans, with two Yankees out in the ninth inning and with two strikes on Tommy Henrich, feared Yankee slugger, Pitcher Hugh Casey of the Dodgers curved a curve that Henrich missed by close to a foot.

Catcher Mickey Owen of the Dodgers failed to catch the ball. Not only did he fail to catch it, but Owen, one of the finest receivers in baseball, permitted the ball to bounce off his mitt and roll clear to the stands.

What happened after that shouldn't have happened even to a Dodger. As almost everyone knows by this time, the Yankees burst loose like skyrocket after that unhappy miff by Owen. Joe DiMaggio, Charlie Keeler and Joe Gordon slapped Hugh Casey jolly bouncing balls repeatedly off the right and left field fences. And when the nightmare ended the Yankees were leading 7 to 4, held an impregnable-looking lead of 3 victories to 1 in the series, and the Dodgers and their supporters wanted to go off to some quiet spot and die.

There never was anything like it before in baseball and probably never will be again. The only thing that made it believable was that on the previous day the Dodgers had been beaten because Freddie Fitzsimmons, considered the greatest fielding pitcher in baseball, had been struck on the knee by a ball batted by those same Yankees and deprived of a probable victory.
