## HOME NURSING CLASS TO CLOSE REGISTRATION

All persons interested in taking the Red Cross Home Nursing class work are asked to register not later than October 15th, according to an announcement made this week by Mrs. T. H. Ness, chairman. Persons may register by calling either Mrs. Ness at 418-J or Mrs. E. O. Rickel at 159-J or by contacting the Red Cross office.

Mrs. Grant H. Moore, registered nurse, who so successfully conducted a Home Nursing class for the Red Cross here last spring, has been secured to teach the new class.

Women with young children are being particularly urged to join the class as the course is reported to be very helpful in taking care of numerous ills and injuries. The classes are sponsored also for the purpose of training women to care for sick and injured persons, as in times of war there is a shortage of doctors in some localities. The classes are sponsored by the Red Cross to co-operate with the National Preparedness program. This class will be an afternoon project of the Red Cross.

Only 24 registrations will be taken, before the class opens, so all women interested, are being asked to register just as soon as possible.
