

Yoncalla High Six Downs Drain, 53-0

YONCALLA, Ore., Oct. 7.—(Special)—A big, fast Yoncalla high school six-man football team made football's debut here with a 53-to-0 victory over Drain Saturday afternoon. A large crowd attended to learn a lesson in running, blocking, and tackling, as every man on the Eagle squad participating in scoring plays apparently at will.

Touchdowns were scored by: Cox 3, Wright 3, Main 1, and Williams 1. The blocking and running of Shapro, Marsters, Rice and Bigelow was outstanding. Captain Bill Gross, Yoncalla end, received a sprained ankle, which removed him from the game in the first quarter.

The only Warrior threat came in the fourth quarter, when they returned a punt to the Yoncalla 20, but were held at that point by a good Yoncalla defense.

Yoncalla meets Oakland Friday in the second game of the season for both teams. Oakland lost to Drain 6-0 a week ago. The game will be played at Oakland.

Sacres Blank Seattle to Even Playoff Series

SACRAMENTO, Oct. 8.—(AP)—Sacramento was all square in its Coast league Shaughnessy playoff baseball battle with Seattle today, and driving hard to knock the champion Rainiers out of their second successive president's cup.

Behind the two-hit pitching of George Munger, the runner-up Solons blanked Seattle 3 to 0 last night to deadlock the seven-game final series at two games each. Munger's brilliant hurling kept the longie champions in check throughout the game, only one runner getting as far as second base. Cole, Seattle hurler, was nipped for seven safe hits.

Sacramento got the deciding run in the second on Scarsella's error and a single, and added tallies in the seventh on Blakeley's homer and in the eighth on Sturdy's double.

It was the Solons' second straight victory of the series.

Seattle has captured the league pennant three years in a row, but won the president's cup and \$5,000 first money only in 1940. Sacramento won the playoffs in 1939, after finishing fourth during the regular season.

Canyonville

CANYONVILLE, Oct. 8.—Born to Mr. and Mrs. Lawrence Newton, Monday September 29th, a daughter, Violet May; weight, nine pounds.

Mrs. Barnes who has been the former's brother-in-law and making her home in Canyonville while employed at the Bridge Tavern recently spent several days with her parents, Mr. and Mrs. A. E. Moore, at their home here. Later in the fall she plans to go to the coast to join Mr. Barnes who is employed with the highway patching crew.

Approximately sixty of the men who have been stationed at the South Umpqua Falls C. C. C. camp have left for their homes in the southern states within the past few days. The Saturday evening before their departure they were honored with a lovely turkey dinner at the camp. There are about forty men now left at the local camp, while the side camp at Diamond lake has a fifteen man crew stationed there.

home south of town and will take possession immediately.

Mrs. Nellie Ryan and daughter, Miss Ida May Ryan, of Pueblo, Colorado, visited friends here Thursday.

Night and Day

The United States flag is permitted to be flown night and day over the east and west entrances of the capitol in Washington. When Congress is in session, "Old Glory" may be flown night and day over the senate and house chambers.

Digestive Facts

As far as the chemistry of digestion is concerned, it is more important to chew bread or potatoes than meat. Digestion of carbohydrates (potatoes, bread, etc.) starts in the mouth, while digestion of meat proteins begins in the stomach.

Untouched Lips

Hindustan Jungle natives, between Beypore and Madras provinces of India, never allow cook-

ing or eating utensils to touch their lips. Curried rice and meat, their usual fare, is rolled into balls and tossed into their mouths. Liquids are poured into the mouth from a container.
