

# Roseburg, University High Teams Battle to Tie

## Seesaw Gridiron Struggle Ends In Score of 19 to 19

Indians Post 13-0 Lead In First Period but Weakness In Line Prevents Victory

Fulfilling the promise to "use everything in the book" the football teams of Roseburg and University (Eugene) High schools staged a seesaw battle before an excited crowd at Finlay field last night to finish in a tie score 19 to 19. Fans witnessed a game full of unexpected turns, wide-open play, deception and brilliant running as first one team and then the other fought out from behind to maintain the deadlock.

The Roseburg Indians seemed on the way to victory when they rolled up a 13-0 score in the first period. The Golden Tide from Eugene, however, found a weak spot on the right side of the Roseburg line and pounded away with a deceptive running attack, which featured reverses, fake reverses and lateral passes to put Roseburg behind, 19 to 13, late in the game, only to have the Indians scoop up a blocked punt and race it back to a touchdown to tie the score.

### How Lead Was Attained

The Indians got away to a good start when they recovered their own opening kickoff on the Eugene 10-yard line and marched across for a touchdown in the first five minutes of play. After holding University high in mid-field on the next series of plays, the Indians drove back into Eugene territory and then, after recovering a Eugene fumble on the Roseburg 39-yard marker, opened a passing attack which ended in a score when Hohnstein, replacing Bert Young as quarterback, pulled a Statue of Liberty play in which Calkins took the ball and raced 24 yards to score without being touched. Wimberly passed to Anderson for the conversion to give the Indians a 13 to 0 lead.

The Golden Tide, however, began to turn on the power and opened up with driving slants off tackle, behind good interference, utilizing double and even triple laterals with Harbert, Baldinger, Loud and Coggin handling the ball, driving through to a touchdown early in the second period. Visitors Even Score

Eugene got a break in the next series of plays when Harbert's kickoff to Roseburg was low and struck a Roseburg player in the forward wall and bounced back in to the hands of a Eugene player on the midfield marker. Driving again through the weak spot on the right side of the Roseburg line, University high quickly drove to the Roseburg goal line, where Baldinger scored and Ennsold converted on a punting play to tie the score at 13 to 13, as the first half ended.

Roseburg fumbled on their own 48-yard marker as the second half opened and Eugene recovered and quickly powered through to another score and went into the lead 13 to 19.

The Indians were kept on the defensive throughout the balance of the contest, but tied the score when Marcus Wells blocked Harbert's punt and scooped up the ball on the Eugene 35-yard line and ran for a touchdown, making the score 19 to 19 at the end of the third quarter.

Place Kick Falls

During the fourth period Roseburg opened a sensational passing attack and drove to the Eugene 9-yard marker where the attack bogged down. Young attempted a kick from placement, standing on his own 19-yard stripe, but the kick was short.

Eugene immediately drove deep into Roseburg territory, but Lee Wimberly saved the day for the Indians when he intercepted Harbert's attempted pass to Loud and almost won the game when he romped back to the Eugene 44-yard mark and was brought down by the one remaining Eugene player between him and the goal line.

In first downs and running plays, Eugene completely outplayed Roseburg, making 15 first downs to Roseburg's 3 and gaining 239 yards from running plays as compared to 103 yards for Roseburg. Roseburg, however, completed 9 out of 14 attempted passes as compared with 2 out of 8 for Eugene, and made 84 yards from passes as compared with 48 secured by Eugene through the air. Roseburg made five first downs by passes as compared to 2 by Eugene. Punt averages 35 yards for both teams, but Roseburg averaged 50 yards on kick offs and Eugene averaged 37 yards. Eugene suffered heavily from penalties, being set back for 15 yards on two occasions for clipping and holding, and was charged twice with offsidess. Roseburg had one offside penalty.

## Puppet Show Dated In Roseburg

The Levi Strauss Puppet Rodeo, a feature of the 1939-1940 Golden Gate International exposition, will be shown in Roseburg Monday, Oct. 20, it was announced today by Roy E. Boflows, who was instrumental in bringing the show to this city.

The exhibit, credited with being the most complex mechanical and sound display ever built, is travelling in its own streamlined truck. It is a complete western rodeo in miniature, with judges, announcer, cowboy singer, bucking horses, and even a clown and his trick mule.

Each of the 29 puppets is an exact, hand-carved likeness of a prominent figure in the rodeo world.

The show will be presented at the city's several schools and also will be exhibited in the business district.

Substitutions—Eugene, Saragant, Lusk, Blythe, Unsoeld; Roseburg—Ferguson, Cole, Hohnstein, Cacy.

## Oregon U. Favored To Beat California

PORTLAND, Oct. 18.—(AP)—The University of Oregon and University of California met on the gridiron here today in a game that may eliminate one of them from the coast conference race.

Oregon was rated a slight favorite.

LOS ANGELES, Oct. 18.—(AP)—With two of the west offensive aces in the Pacific coast conference matching wits and ability, twice-defeated Washington state and the University of Southern California Trojans meet on the gridiron here today.

At the head of the northwest Cougars is Billy Sewell, one of the best passers in the nation last year. Opposing him as Troy's main threat is quarterback Bobby Robertson, leading ground gainer in the conference despite the Trojans' one conference loss to Oregon and a bad walloping from Ohio state in an inter-sectional engagement.

SEATTLE, Oct. 18.—(AP)—The University of Washington Huskies were one-sided 5-to-1 favorites to defeat the University of California at Los Angeles Bruins in their Pacific Coast conference football game today.

Both teams have won one and lost one game in conference round robin play; and because of the wide-open aspect of the race, each still retains a chance at the Rose Bowl.

Washington will outweigh the Bruins in the line, 201 to 194; and in the backfield, 186 to 185.

SAN FRANCISCO, Oct. 18.—(AP)—The University of San Francisco Dons will not have stage fright when they clash with the Stanford Indians this afternoon—provided they follow the advice of Coach Cravath.

The underdog USF players have been instructed to "relax and have a good time."

Injuries have riddled the ranks of Clark Shaughnessy's Rose Bowl champions and they will be without the services of three regulars including fleet halfback Kmetovic and ends Norberg and Meiners.

SAN FRANCISCO, Oct. 18.—(AP)—Unbeaten Santa Clara ruled as a 3-to-1 favorite among bay region fans today as it went up against Michigan State in an inter-sectional football game expected to attract 30,000.

Casaneva, left halfback considered one of the best passers on the coast, was relied on by Santa Clara to keep the Broncos record clear as the only undefeated and untied major grid outfit in the far west.

The new cabinet included men with experience in the China war and in Japanese dealings with Russia and the axis, apparently indicating that the Japanese would keep close watch on China in the south and Russia in the north.

After the first cabinet meeting, Tolo, in a declaration of policy, said Japan would continue her efforts to settle the China affair and create a prosperity sphere in east Asia.

more than we can appease Hitler," said the veteran Senator Norris. "If Japan wants to attack us, she'll attack. All she is waiting for is to try and feel certain she is on the winning side."

Pepper said that the "only way to deal with them is to draw a line and warn them that if they cross it there will be shooting. We should let Japan know that we have certain interests we will maintain even if they meet resistance."

Gillette said he believed that for months Japan has been "bluffing and trying to avoid an open break with the United States in order to build up her oil reserves which may be used against us later."

## Russian Central Army Erased, Germans Report

The high command said the attacks, lasting several days, were executed after the convoy had entered what was vaguely described as "the blockade zone," but there was no hint whether this meant the waters east or west of Iceland.

On the soviet warfront, the Russians today acknowledged that Hitler's invasion armies "in a few places succeeded in denting our lines" in the bloody Viazma sector, 125 miles west of Moscow, but reported that red troops were savagely counter-attacking.

The Moscow radio said Moscow would be defended to the last ditch and that theaters and motion picture houses were still open despite the fact that naz troops were reported only 60 miles away.

The American staff of the Associated Press, as well as other foreign correspondents, had already left Moscow along with various diplomatic corps.

Reuters, British news agency, quoted a Stockholm dispatch as saying that red army counter-blasts had driven the Germans back in the northwest, recapturing the strategic town of Kalinin, 95 miles from Moscow.

Other British reports quoted the Moscow radio as saying soviet troops on Tuesday recaptured Orel, key rail center 200 miles south of Moscow.

The British radio today relayed a Moscow broadcast which stated that Russian torpedo boats of the Baltic fleet had torpedoed and sunk a German cruiser and two German destroyers. A second cruiser was declared to have been torpedoed after which it "came to a standstill."

The Moscow radio reported last night that Russian forces had recaptured five important places about Mariupol, which the Germans have claimed in a drive east along the sea of Azov coast toward Rostov, 100 miles away.

mines, owned by the steel companies. A 30-day truce which ended a strike of 43,000 miners expires tomorrow, but Davis said it will be continued from day to day.

(Under the union shop demanded by the mine workers a man getting a job in a captive mine would be required to join the union after a period of probation.)

CIO's United Automobile Workers will vote tomorrow whether to strike at the Bell Aircraft corporation's plants in Buffalo and Niagara Falls. Leo LaMotte, CIO organization official, said wage negotiations were stalemated. The firm employs 10,000, at work on pursuit planes for the United States and England.

The navy, in a statement last night which did not mention Japan, offered assurance that its air base construction program in the Pacific "is keeping well ahead of the general expansion program of the navy in building up the nation's two-ocean navy."

Armed ship opponents conceded the house measure should reach a senate vote by Nov. 1, but warned that any effort to expand it to permit travel through combat zones to ports of warring nations would prolong a decision indefinitely.

Hearings to Start Tuesday.

The foreign affairs committee planned to start public hearings Tuesday and conclude them Friday. Administration witnesses are expected to include cabinet officers and others, while opponents tentatively have decided to call General Robert E. Wood and John T. Flynn of the America First committee and John Cudahy, former ambassador to Belgium.

Proponents said they had no fear as to the outcome.

Senator Wheeler (D, Mont.), a leader of the opposition, declared "the most honest thing to do, of course, would be to ask for a declaration of war."

He said there would be no effort to delay the legislation.

WICHITA FALLS, Tex., Oct. 18.—(AP)—Senator Tom Connally (D-Tex.), chairman of the foreign relations committee, said yesterday "we shall retaliate for the torpedo attack on the U. S. destroyer Kearny."

"When our naval vessels are attacked by murderous and cowardly submarines, we shall retaliate by sinking every surface raider or submarine that invades our defensive waters or threatens any of our naval vessels."

"This incident is but another revelation of the contempt of Hitler for all law—human, international and divine," the senator added.

Will Arrive Tonight—E. O. Rickel, telegrapher at the local Southern Pacific office, who recently underwent a major operation in San Francisco, is expected to return to his home on Hamilton avenue this evening.
