Indians Resume Training for Game With Grants Pass

The Roseburg high school In-dians, smarting from the 33-to-7 defeat suffered at Cottage Grove last week, went through a spirit-ed scrimmage last night after being given a four-day reat by Coach Jim Davis. Believing that the team needed a break in train-ing and that the defeat at Cottage Grove may have been due in part to too strenuous and contimed practice, Coach Davis broke the season by giving the boys a good rest, but put them back on the field last night for a two-hour workout on defense. The Indians will meet Grants

Pass here Tuesday, Armistice day, in an afternoon game starting at 2 o'clock. The Grants Pass team, according to reports, is about on a par with Roseburg in the matter of weight, but uses a very deceptive style of power plays, featuring reverses, double and fake reverses, spin-ners, etc., behind strong inter-ference. This is the type of play that has been the hardest for the Roseburg team to combat this year and the boys are to be drilled exclusively on defense against such plays for the balance of the week, Davis reports.

B Squad to See Action

He also announced today that players from the B squad, due to excellent work in games played by that group, are to be given a chance on the first team Tues-day. Bob Krell, who has been nlaving the tackle position on the B team, is being used at the right end position and is making a good showing in practice, Da-vis states. George Vincent, who has been playing at guard, is be-ing shifted into the right tackle snot on defense in the hope of bolstering that side of the line, which has been weak all season, Harold Cacy will ret a nod to work in the backfield Tuesday, Davis states.

Injuries suffered in the Cottage Grove game did not prove serious, and all of the regulars will be available for the Armistice day battle, which promises to be an exciting contest, Davis

PORTLAND, Nov. 6 .- (AP)-

Petty Thefts, Burglaries In Roseburg Reported

Numerous petty thefts and bur-glaries in Roseburg recently are attributed by officers to a gang of local vouths, according to Wm.
Moar, chief of police. A number
of minor burglaries have been
reported recently, one of the latest occuring this week at the Farm Bureau Exchange, where fleshlights pocket knives, and 22 rifle shells constituted the bulk of the loot. Piliering from park-ed cars and other petty thefts also have been reported to the offic
