Saves Deer, Wrecks Car

TILLAMOOK, Nov. 12.—(AP)—A big buck deer galloped in front of the automobile of Mr. and Mrs. Wilson Appelgren near here yesterday. Appelgren swerved, the car went over a 50-foot embankment and both occupants had to be hospitalized for lacerations.

Decapitated by Train

TUALATIN, Nov. 12.—(AP)—A body containing cards with the name James Folkins, 45, Portland, was found decapitated on the Oregon Electric right-of-way near here yesterday. Coroner F. J. Sewell said.

Sewell said the man's hat and some money had been placed carefully in some brush nearby, causing officers to favor a suicide theory.

Quits, Changes Mind

PORTLAND, Nov. 12.—(AP)—The Portland school board last night rejected the resignation of Director W. J. MacKenzie and urged him to return to the board. MacKenzie indicated he would accede. He resigned about a month ago in protest to a 24 percent pay restoration for teachers. MacKenzie favored a five percent restoration.

Two Theater Racketeers Get Long Prison Terms

NEW YORK, Nov. 12.—(AP)—Federal Judge John C. Knox today sentenced William Bioff to 10 years in prison and a \$20,000 fine and George E. Browne to eight years and \$20,000 for violation of the federal anti-racketeering law.

Browne, former president of the International Alliance of Theatrical Stage Employees, AFL, and Bioff, his personal representative, were convicted of extorting about \$550,000 from the motion picture industry.

The government charged they had used their labor leadership to extort large sums on threat of strike.

Del Norte Refuses Aid To Curry Secession Plan

CRESCENT CITY, Calif., Nov. 12.—(AP)—If Curry county wants to secede from Oregon to become part of California, it will have to do so without the aid of Del Norte county.

The Del Norte county board of supervisors voted, 4 to 1, yesterday against supporting the secession. J. J. McNamara observed with a grin that if Curry county succeeded in such a move, the entire state of Oregon might eventually want to follow suit.

Lack of Men May Cause Service Station Curfew

TACOMA, Nov. 12.—(AP)—Inability of service station owners to find men to work for them will probably necessitate a service station "curfew" from 7 p. m. to 7 a. m. in the near future, A. A. Wood, president of the Western Petroleum Dealers' association, said last night. There is an ample supply of gasoline, Wood said.

"Gasoline station owners simply cannot find men to work for them," he declared. "Union scale for pump attendants is just under \$30 a week, and where a year ago plenty of men could be found for this wage, almost none can be had today."

He said he believed able-bodied young men are being absorbed into higher-pay defense jobs. No one would lose his job under the curfew as those eliminated in some stations would be placed in others immediately, he said.

Dairymen Wins Verdict Over Ft. Lewis Army Site

TACOMA, Wash., Nov. 12.—(AP)—A farmer's contention that moving his dairy herd would make his cows more fretful cost the government an additional \$2,703 for an addition to Fort Lewis.

The government had offered \$13,797 for the 276 acres that farmer Edward Castle leased from J. L. Wolf for his dairy operations. The farmer and land lord asked double the amount. After hearing farmer Castle's
