#### One Country, One Nation

American citizen is free to go from one state to another. seeking to better himself. "Of course," you say. But that right has only now

been clarified and broadened by the unanimous decision of the United States Supreme Court. In ruling unconstitutional the Calitornia "anti-Okie" law, the court has by implication ruled invalid similar laws in 27 other states, all aimed at preventing entrance into those states of people without pro- or lose out) to knuckle under to perty

Specifically, Fred F. Edwards took his jobless brother-in-law Texas into California, from where, after living with Edwards su to make a last-minute peace for 10 days, the brother-in-law received assistance from the Farm ceeded by a government FULLY Security Administration. That COMMITTED TO WAR. made Edwards a violator of the Lattiornia law against helping indigents to enter California; he was convicted, and he appealed.

Such a law violates the Constilution, the court now unanimousholds. But the court was not negotiations with Japan. unanimous on the reasons. Justice Eyrnes, delivering the opinon, if the Jap crisis was really expectthis first), decided that such a ed to get worse. law exceeded the proper "police law exceeded the proper police power" of the state, and further, that it was an unconstituional bar. IN London, an "authoritative source" says rier to interstate commerce. Thus the court's majority hitched still another trailer to that venerable wagon, the commerce clause, with its provision that "Congress shall of ships (that is battleships) needhave power to regulate commerce with foreign nations and among power. the several states and with the

Indian tribes." Justice Douglas, speaking also for Justices islack and Murphy. traversed loftier ground to the same conclusion, paying no atrention to the commerce clause.
