RHS Indians To Battle Ashland Lithians Tonight

Improved Squad Slated For Action in Season's First Conference Tussle

Basketball fans will have an opportunity tonight to see the Roseburg high school Indians in action in the first district conference game of the season. The Indians will meet the Ashland Lithians at the local gymnasium at 7:45 p. m. The main game will be preceded by a preliminary, starting at 6:45 o'clock, between the Roseburg B squad and Yoncalla high school.

Coach Jim Davis is anticipating that the local players will give the visitors a good contest, despite the fact that the Lithians will be paced by two veterans, Provost and Jandrea, who were outstanding in the district last season.

Notwithstanding their two defeats this season by Junction City, the Indians have shown a very rapid improvement as evidenced by the fact that they lost the first game, 36 to 14, on their own floor, then went to Junction City to dominate the first half of the contest there before being nosed out in the late minutes of the game, 28 to 20.

When the handicap of playing away from home is considered, the scores show a decided gain in playing ability in one week of practice. The experience obtained in these two games is expected to be of much value in tonight's contest.

Inaccuracy Chief Fault.

Coach Davis anticipates, he states, that the Indians will continue to improve as the season advances. There is only one let-

erman, Ed Hughes, on the squad. The remaining players are all inexperienced but show promise of developing into excellent material. However, they will need several games before they will be able to relax under pressure. Tenseness has been indicated in the fact that they miss such a large percentage of shots. In the games against Junction City, the Indians showed superiority in breaking through the opposing defense for good shots, but because of nervousness and inability to relax while shooting, they had a high percentage of misses.
