

# O. S. C. Loses To Huskies, Oregon is Defeated by Idaho

(By the Associated Press)

With second place the immediate stake and contention with Washington State for leadership the ultimate goal, the Washington Huskies and Oregon State Beavers will resume their do-or-die basketball struggle at the Washington pavilion tonight.

The Huskies tied with O. S. C. for second place in northern division Pacific Coast conference standings last night by outscoring and outshooting the Beavers, 47 to 40. Both clubs now are a game behind W. S. C.

Meanwhile, at Moscow, the University of Idaho Vandals climbed from the division cellar for the first time in two seasons by nosing out Oregon in a rough tilt, 38 to 36, and shoving the Oregonians into the basement.

**Morris Paces Victors.**

Bill Morris, guard, led the Huskies to victory, ably aided by Sophomore Doug Ford. Morris, who usually sets 'em up for the boys, was in there shooting as well last night, collecting 27 points, stealing the ball, intercepting Beaver passes, and otherwise making a nuisance of himself to the O. S. C. cause. Ford had 13 points and Norm Dalthrop 10.

The first eight minutes were a dog fight with the Huskies leading five times, O. S. C. twice and the score tied three times. With the count tied at 12-all, Ford popped one in, Morris stole the ball and dribbled the length of the floor for another and Ford came back with a lay-in, all inside a minute, and the Huskies, leading 18-12 were never headed after that.

**Mandic's Ouster Costly.**

It was 22:19 at halftime, and the Staters' chances glimmered when John Mandic, their ace center, went out on personals after only three minutes of the second half had been played. Mandic had counted 12 points up to that time and had both backboards under control.

The Huskies rushed to a 38-25 lead before relaxing with reserves, but when the Beavers crept up to 42-34, Coach Edmundson restored his Washingtonians to full strength and they won going away.

**Oregon Loses by 1 Point.**

At Moscow Sophomore Norm Fredekind bagged two field goals in the last three minutes to overcome an Oregon lead and give the Vandals enough for victory. His shots made it 37-34, and Don Kirsch of Oregon closed it up at 37-36 in the last minute.

Idaho added its final point on a free throw by high scoring center Ray Turner after a technical foul was called against Oregon's Coach Hobson for protesting during a time-clock mixup that nearly freed the closing seconds into a free-for-all, with coaches and players arguing.

Turner and Forward Ted Thompson, with 12 points apiece, led the Idaho scoring, while Porky Andrews, with 10, led the Webfoots. Idaho led at the half, 19-15, but Oregon forged ahead at 26-25 and kept the lead until the final three minutes.

**EUGENE, Feb. 21.—(AP)—**The University of Oregon frosh basketball team jumped into an early lead and coasted to a 64-to-45 win over the Oregon State college rocks last night.

The frosh led at halftime, 37-14. Roy Seeborg, forward from Astoria, paced the victors with 19 points.

## Indians in Prime Shape to Battle Medford Tonight

The Roseburg High basketball team faces the league-leading Medford Tigers in an important tussle tonight at the senior high gym. The game is scheduled to start at 7:45, to be preceded by a preliminary between the Roseburg Bees and Sutherlin high, which starts at 6:45.

How well Medford can recover from its fray with Ashland last night will determine to a great extent the outcome of tonight's contest. Medford has been a 10-man team all year and so probably will still be in good condition. However, according to Coach Jim Davis, the Indians have also returned to top form. In practice sessions this past week the locals have shown great improvement over recent appearances and all indications point to a hot battle tonight.

Roseburg has nothing to lose and everything to gain and so will probably try anything. Medford on the other hand, has everything to lose if they don't win and so will undoubtedly do their utmost to prevent the Indians from taking over. The Indians' condition has improved greatly over last week. At that time they were suffering from boils and colds and although there are still signs of these ailments, the players have pretty well recovered from the attack.

One request which the players and coach have made to the general public is that they make sure that their action is sportsmanlike. In the last contest the fans displayed poor sportsmanship at times and this is poor action at any contest. The fans are asked to cheer the players and "boo" none.

The Indians have but one contest after tonight's fray, so local fans will want to see the team before the season is over. Roseburg has provided several upsets before this year and they plan to "do it again" so a good game is in store.

**Bataan Attack Continues**

Meanwhile in the Philippines, there was heavy artillery firing in the Bataan peninsula and Japanese siege guns resumed fire on the Manila bay fortifications, concentrating on the exposed island outpost of fort Frank, the communiqué announced.

Enemy planes made frequent flights over the Bataan lines, dropping incendiary bombs. Japanese bombers were officially declared to have destroyed 27

## PORTUGAL PROTESTS JAP OCCUPANCY OF TIMOR

LISBON, Portugal, Feb. 21.—(AP)—Premier De Salazar told the national assembly today that Portugal already had entered an "energetic protest" to Tokyo against Japanese occupation of the southwest Pacific island of Timor, jointly the territory of Portugal and the Netherlands.

Salazar said that the Japanese knew that Portuguese troops were on the way to take over the protection of the Portuguese portion from Dutch and Australian troops, who occupied it last December.

"We have remained faithful to the thesis that there can be no strategic reasons for the violation of the sovereignty of states," Salazar said.

had been surrounded.

In the Crimea, a BBC broadcast said Russian troops were advancing upon the port of Feodosiya, at the neck of the Kerch peninsula. Soviet warplanes aiding in the defense of Sevastopol, Crimean naval base, were declared to have killed nearly 30,000 Germans in a series of 300 offensive thrusts.

On the Moscow front, Hitler's headquarters said German troops, fighting in bitter sub-zero cold, had "destroyed the bulk of an enemy army and beaten a large part of a further enemy army."

The claim of total dead and wounded would represent about two divisions, or half of one Russian army corps.

A still larger Red army assault was pledged in Moscow to counter Adolf Hitler's plans for a spring offensive and Red Star said the Russians were determined to "put an end to Nazi Germany in 1942."

## Roseburg Support For Basketball Tourney Sought

Roseburg basketball fans will be solicited Monday by a group of Myrtle Creek high school students who will be selling season tickets for the district B-5 tournament to be held here next Friday and Saturday, Thomas H. Ireland, superintendent of the Myrtle Creek schools, announced today.

Mr. Ireland, who is in charge of the tournament arrangements, reports that a heavy expense is involved in connection with the tournament, and as gate receipts provide the only revenue it is necessary that there be a large attendance at the games if the tournament is to be continued as an annual event at Roseburg.

Season tickets are to be sold at 75 cents, he reports, while a charge of 40 cents will be asked for adult single admissions at the finals.

**Eight Teams Scheduled.**

The district B-5 tournament will bring together the eight ranking teams of Douglas, Coos, Curry and Deschutes counties in a two-day meet. Douglas county will be represented by three teams, Myrtle Creek, Reedsport and Gardiner; Coos county will have two teams, Powers and Coos River; Curry county will be represented by two teams, not yet reported, and Deschutes county will have a single entry, the strong aggregation from Lapine.

The first round of the tournament will be played Friday afternoon and evening, with the semifinals scheduled for Saturday morning and the finals set for Saturday night. A good preliminary will precede the championship battle Saturday.

The winner from the tournament will go to Eugene the first week in March to play in the tourney there for the state B championship.

situation in the Pacific coast.

Chairman John H. Tolan, democrat from Oakland, Calif., announced that his committee wanted "to get the facts, the figures, the fears, and any solution to be offered by Pacific coast representatives."

Other witnesses to be heard, Tolan said, would include State Attorney General Earl Warren, Thomas C. Clark, alien coordinator for the western defense area and Richard Neustadt, regional social security director.

After the San Francisco session of the inquiry, other hearings will be conducted in Portland, Seattle and Los Angeles. The committee also includes as members: Congressman John Sparkman (D-Ala.), Laurence F. Arnold (D-Ill.) and Carl T. Curtis (R-Neb.).

## New Raids Under Way

Enemy aliens whom the federal bureau of investigation consider potentially dangerous to the welfare of the United States were being taken into custody throughout northern California today.

Nat Pieper, head of the San Francisco FBI office, said raids were under way in San Francisco and the metropolitan bay area, San Jose, Santa Cruz, Stockton, Sacramento, Monterey, Castroville, Salinas, Watsonville, Santa Rosa and Redding.

The new drive to round up enemy aliens came on the heels of a demand that both American-born and alien Japanese be sent to concentration camps. The demand was made after the army had, by executive order, been given broad new authority to set up areas from which anyone may be ousted.

**Removal Now Demanded**

A resolution urging that "enemy aliens and their descendants who are now disloyal, or may become disloyal, to the United States" be removed immediately from the state's coastal areas was adopted by directors of the Supervisors' association, meeting at Sacramento.

"The temper of the people of the Pacific coast has risen to such a point that it is becoming dangerous for loyal enemy aliens to reside in close proximity to the Pacific ocean," the resolution said.

Addressing U. S. Attorney General Francis Biddle, the supervisors' group recommended internment of the Japanese in "a concentration camp under the supervision of the federal government."

**Mob Action Denounced**

Meantime, resentment flared against the Japanese at various places throughout the state and

state Attorney General Earl Warren denounced mob violence against aliens in addressing central California district attorneys.

A Japanese asparagus workers' camp near Rio Vista was attacked by six unidentified men who wounded one man and robbed six others and three Japanese women before fleeing.

In Tulare county, a mass meeting protested resettlement of enemy aliens there and warned that "the situation will be out of hand" unless the influx is stopped.

**SEATTLE, Feb. 21.—(AP)—**One hundred federal bureau of investigation agents, police officers and deputy sheriffs raided homes and business houses of enemy aliens in the Seattle area today.

H. B. Fletcher, special agent in charge of the Seattle FBI office, directed the raids in search of firearms, short wave radios and dynamite.

## CHILE REPORTS SOS FROM ANOTHER AMERICAN SHIP

SANTIAGO, Chile, Feb. 21.—(AP)—Officials of the ministry of defense said today that the Chilean naval radio had picked up an S O S purportedly coming from a United States ship, "the Admiral Coles," reporting that the crew was taking to its lifeboats.

They said the ship's position was not given. They added that the navy had heard requests for aid from four other ships attacked by submarines.

A 3,285-ton vessel, the Admiral Cole, owned by the Admiral Oriental line, with San Francisco as her home port, carries a normal crew of 31.

## NAZIS CLAIM 80 SHIPS IN ALL SUNK OFF AMERICA

BERLIN, (from German broadcast), Feb. 21.—(AP)—German submarines have sunk 17 additional ships totalling 102,000 tons to boost shipping destroyed off the American coast to 80 ships registering 532,900 tons, the high command declared today.

"In continuation of these operations in the Caribbean sea," a special communiqué asserted, "one of our submarines forced its way into Paria gulf west of Trinidad and sank two ships, one of which was a tanker, in the roadstead of the British harbor of Port-of-Spain."

U. S. army headquarters at Port-of-Spain announced Thursday that two ships at anchorage in the gulf of Paria had been damaged Wednesday night by explosions apparently caused by U-boat torpedoes, "but both remained afloat and there were no casualties."

## CARACAS, Venezuela, Feb. 21.—(AP)—

The Venezuelan Navigation company announced that in view of axis submarine activity in the Caribbean, none of its ships would leave port until further notice.

## BRAZIL PROTESTS TO NAZIS ON SHIP ATTACKS

RIO DE JANEIRO, Feb. 21.—(AP)—Brazil has protested to Germany over the sinking of two Brazilian ships by Nazi U-boats, it was learned today, and the cabinet has been called to meet tonight to consider what action will be taken if Germany fails to reply or answers "unsatisfactorily."

The protest was forwarded by way of the Portuguese government which has represented Brazil's interests with the axis powers since diplomatic relations were broken off in accord with the Rio de Janeiro American conference.

It was understood the measures which Brazil might consider include the arming of merchant ships, convoying of merchant ships and extension of Brazilian air and naval patrols along the coast.

For Robinson, who never has known defeat, it was the 28th straight triumph and the 22nd knockout since he turned professional less than two years ago after winning 89 fights as an amateur.
