POET'S CORNER

From the Spanish American War Veterans to the boys in the Bataan Peninsula: We salute you boys from the Philippines. You boys of the U. S. A. We admire your spunk and courage. As you hold the foe at bay.

You have driven them from the line on the left. Hurled them back on the right. Stopped them cold in the center. And they said you wouldn't fight.

Long will you be remembered. Our prayers go up for you; As you hold in check the thousands. While of you there are so few.

Hold on for help is coming In the air and on the sea. We will whip the foe from the Philippines. Again they will be free.

We will black out the rays of the Rising Sun. Turn them into night. We will whip the Japs with boys like you. The boys who wouldn't fight.

When the war in the East is over And we have set the Rising Sun. We will turn our sights on Hitler, The Dago and the Hun.

And when they hear the Eagle's scream And feel our righteous might They will run like — for cover From the boys who wouldn't fight.

NOSE PICKING

May be a Sign of

WORMS

Don't blame your child! It looks like just a nasty habit, but it may mean that ugly, crawling roundworms are starting trouble inside the child right now. Other warning signs are: "picky" appetite, fidgeting, uneasy stomach, itching seat.

Anybody, anywhere, can "catch" roundworms! If you even suspect your child has them, get *Jayne's Vermifuge* right away! It's America's leading proprietary worm medicine. Scientifically tested, and used by millions for over a century.

Jayne's kills stubborn worms, yet acts gently. If no worms are there, it is just a mild laxative. Demand *Jayne's Vermifuge*.
