AMERICAN LEGION AUXILIARY ACTIVITIES

By MRS. CLAUDE BAKER

BIRTHDAY PARTY

Next Saturday night at eight o'clock at the I. O. O. F. hall the Legion will celebrate its birthday. March 15-17 Legion posts all over the country plan to celebrate the founding of the national organization in Paris. As has been the local custom the auxiliary will serve the large birthday cake which will be cut by Commander Irvin Riegel and presented by President Bess Riegel. Entertainment of Canyonville, Oakland, Sutherlin and Drain posts and their wives and auxiliary units will be a happy occurrence of the celebration, Mrs. Riegel states. All members are urged to be present.

Japanese Internment

This past week Mrs. Riegel received a communication from Joseph K. Carson, Dept. commander of the Legion, who said that he was urging all posts and units to recommend that all Japanese nationals be interned for the period of the emergency. The unit is glad to note that such action was taken on the coast last week, Mrs. Riegel stated.

Mobile Unit

Umpqua unit is helping to buy a mobile unit for blood donors. These units are donated to the Red Cross. Each costs \$1400.00. These are special trucks, completely equipped to take blood from donors and preserve it for blood transfusions to the wounded. They are used mainly in smaller communities where hospital facilities for handling the blood are not available, and are operated by doctors and nurses of the American Red Cross. There will be a unit placed on the west coast in the immediate future.

Judge R. W. Marsters

The American Legion and auxiliary has lost a friend in the passing of Judge Marsters. His smile and chuckle will be missed. We remember him for his kindly ways as well as for his political integrity. His lovely flowers will be a lasting reminder of a friend who saw beauty in everything, even the worst of us.

VFW Chief Wants Next Peace to Be Enduring

PORTLAND, Mar. 10.—(AP)—Americans, concentrating on winning the war, should not lose sight of possible peace terms, Max Singer, Boston, national commander of the Veterans of Foreign Wars, said yesterday.

"When this is all over, let us make sure that the youth of the nation will not have to be called to war every 25 years," he told an interviewer.

Singer will be honored in a V. F. W. banquet here tonight. He will make a speech in Salem Wednesday night and a third in Klamath Falls Thursday night.

U. S.-Alaska Road to Be Built in Year, Ickes Says

WASHINGTON, Mar. 10.—(AP)—Interior Secretary Ickes said today present plans call for completion "within one year" of the United States-Alaska highway.

"The road," he reported, "will be protected from the sea by Al-pine country unpassable for air-planes for at least fifty per cent

of the time due to coastal fogs and storms. Along this route trucks and tanks could move easily and quickly in a continuous life-line between the United States and Alaska."

The road "would run approximately 1,500 miles from Washington state to Fairbanks, and estimates of its cost run from \$25,000,000 to \$50,000,000.

Ickes predicted that the high-way would solve "the problems of Alaskan development and settlement," opening up vast resources of mineral wealth in Alaska hitherto undeveloped because of poor transportation.

Pay to War-Ousted Workers Disapproved

WASHINGTON, Mar. 10.—(AP)—Chairman Cannon (D. Mo.) announced today that a house appropriations subcommittee had refused, by a vote of 7 to 5, to approve a special \$100,000,000 WPA appropriation for unemployment compensation benefits to war displaced workers.

President Roosevelt had recommended the direct grant of funds for aid to persons made jobless by conversion of factories to arms production after the house ways and means committee tabled an authorization for a \$300,000,000 appropriation to supplement state unemployment compensation benefits for that purpose.

The ways and means committee action followed repeated statements by state officials that their available unemployment compensation funds were large enough to absorb the added burdens.

POET'S CORNER

TO A VOLUNTEER
(By Wilbur Williams)
A loaded truck passed on the street,
A voice called out my name,
I couldn't see the one who spoke,
From deep within the truck it came.

The army truck was bound for camp,
The boys were on their way.
To train to fight for Uncle Sam
And help to win the fray.

I thought of Bob so strong and true,
We once had been like brothers.
He must have been the one who spoke,
I never knew the others.

I'd heard that he had volunteered
And was to leave that day.
I can't describe the way I felt,
To watch him roll away.

I hit my lip, and swallowed hard
Then breathed a prayer for him,
For safety through the days
Ahead, and his return again.

I thought of thousands more like Bob
The finest in the land.
And knew that we could rest assured,
We'd placed our cause in worthy hands.

And woe betide you Slanty Eyes,
When you meet up with these.
You'll pay then for your crimes
In full, They'll not accept, "So sorry,
Please."
