

Douglas County's Registrants In War Draft Lottery of March 16th Are Listed

Following are the order and serial numbers of men registered with the Douglas county selective service board on Feb. 16, 1942. The order numbers were determined by a lottery held March 17 and appear in the first column below. The number 10,000 was arbitrarily added to all order numbers of the third draft in order to simplify handling. Thus No. 10234 would indicate that the registrant holding such number is number 234 in order of call in this registration. The same rule applied to higher numbers, such as 11234 would indicate the registrant to be 1234 in order number. The serial number, appearing in the second column below, running from 1 through 1550, was affixed by the local board for identification. Both the serial number and order number in each case is officially preceded by the letter "T" as the designation for the third draft. The letter is omitted from the list published herewith. Publication of order and serial numbers of registrants will continue until the entire list is made available for News-Review readers.

News of 4-H CLUBS

Marketing members to the number of 275 and more than 30 leaders were present for the Marketing day program Saturday, which was sponsored by the Roseburg chamber of commerce. Plans were made for this by the agricultural committee consisting of Roy Sullivan and Henry Palmer. The club members were divided into seven different groups, each group well provided with leaders. For two hours these groups made tours of the various departments of the courthouse, the U. S. weather bureau, the press room of the News-Review, and some businesses in their free time. At the Baptist church at 11:15 the members listened to the "Jubilee Singers," a very special program which was thoroughly enjoyed. Then the entire group went to the Methodist church dining room, where they had lunch, prepared by the 4-H leaders. All lunch materials were supplied by the business houses of Roseburg.

In the afternoon each member was the guest of Donn Rada-baugh at their choice of the two theaters. According to E. A. Britton, county club agent, many reports were turned in by leaders and members that they had thoroughly enjoyed the day and appreciated very much what the chamber of commerce does for them each year.

The club members of the Wilbur school are arranging for a program in the school auditorium Friday evening at 8 o'clock. Money raised will be used to send someone to 4-H club summer school.

The week of May 4 has been set for the time of judging all 4-H exhibits which were to have been exhibited at a spring fair. Club leaders have decided that instead of holding a central spring fair, the exhibits may be brought to the local schools and judged. Then later the ribbons are awarded they may be shown again at a local achievement program. This will do way with extensive travel.

Miss Maryvolve Snarr has been selected to do the judging and will come to the county for the entire week of May 4. A schedule will be made up and sent to all leaders so they will know when during the week to have exhibits ready for judging.

A letter has been received by the county club agent from C. D. Minton, manager of the Land Products show of the Pacific International Livestock exposition. Mr. Minton states he has been given the signal to go ahead with the preliminary proceedings for the fall show which will be held October 3 to 10. This will be of special interest to the 4-H club members growing corn.

Debating Crown Trophies Given to R. H. S. Students

(By Mickey Campbell) In a special assembly at Roseburg senior high school Monday morning, the two cups symbolic of the state championship were presented by Miss Anderson, debate coach, to the student body. Miss Anderson introduced the successful debaters who had returned the championship for the second straight year to Roseburg. Included in the assembly were talks of praise by Mr. Beard, principal, and Stuart Slattery, student body president. The members of the championship team included Betty Jane Roberts, Margaret Thompson, Varney Baker, and Jack Horn.

The local debaters, after winning three of the first four preliminary rounds, opened the final day of the tournament by defeating Medford high and thus gained the right to meet Hillsboro in the finals. Only six schools were able to participate in this year's tournament but they were the best the state had to offer. In the final rounds the decision was unanimous in favor of local affirmative, which had been chosen to debate the final round.

Besides entering the debate contest Miss Anderson announced that several other events had been entered with great success. Margaret Thompson won the radio speaking contest from a field of eight contestants and again was the unanimous choice of five judges. In after dinner speaking Vivienne Miller placed third while Fredricka Hamilton placed sixth in the extemporaneous speaking contest. All these contests were entered for the first time by the local speech students and they had little time to prepare for them but their success clearly shows their ability.

The Western Oregon and State of Oregon cups were presented to the local debaters following the successful defense of their championship but since radio speaking was a new event in the tournament, there was no trophy given for this year. However the championship was won in both of these events.
