SALEM, May 16.—(AP)—A preliminary initiative petition for an old age annuity bill for submission to Oregon voters at the November election was filed with the state department here today by the "Senior Citizens Annuity committee" of Salem and 11 individuals, all local men.

The proposed bill would require all citizens to pay premiums to the state of \$1 a month or a specified percentage of their average taxable income for three years, with the state matching up to one-twelfth of the premiums. Benefits would be paid to citizens over 65 years of age and those disabled earlier in life, whose monthly earnings did not exceed \$20.
