

### Yankees Continue Pennant Runaway

(By the Associated Press)

The New York Yankees yesterday continued their domination of the American league by belting the Boston Red Sox 9-2 with a 13-hit assault while Donald pitched six-hit ball. It was the world champions' 15th victory in their last 18 games and Boston's 11th loss in 15 contests.

Washington smeared the Philadelphia Athletics 8-3 as Sunda kept 11 hits spaced and pitched carefully in the pinches.

A pair of streaks evaporated under the lights in the league's two night games.

At Cleveland Fleming punched out a ninth inning single that drove two runners across the plate for the Tribe's first triumph in six starts. The 2-to-1 decision was the seventh setback of the season for the Chicago White Sox's Edgar Smith.

The St. Louis Browns' four-game victory stride was broken up by the Detroit Tigers, whose Benton allowed only four blows in the 3 to 1 struggle. Benton also knocked out a double that was the main ingredient of the first Tiger tally.

In the National league the Cardinals curbed the Chicago Cubs 3-1 in ten innings.

In the day's only other National league game the Boston Braves retained their grip on second place by turning back the New York Giants 4-2 on the six-hit hurling of Javery.

### Former Salvation Army Head Here Now Serves in War Zone

The white clad Salvation Army worker pictured above in the act of serving food from one of the army's man mobile units at a remote coastal outpost in the Hawaiian Islands, is Mrs. Marie Koerner, former corps commander of the Roseburg Salvation Army post. Prior to her marriage to Adjutant Henry Koerner, she was Lieutenant Marie Lorenson and was very active in the Salvation Army work throughout the county. Four of the mobile units maintained by the Salvation Army to serve doughnuts and coffee to America's fighting men are now in service in Hawaii, while others are scattered throughout the various fighting zones. The Salvation Army not only has Red Shield clubs catering to American forces in Australia, New Zealand, Iceland and the British Isles, but operates 74 United Service Organization centers in 29 states from Maine to California.

### Fireworks Ban Lifted Subject to Local Laws

WASHINGTON, May 27.—(AP)—America now may celebrate July 4 in the traditional fashion—with firecrackers, rockets, Roman candles and other fireworks.

The bureau of mines today amended regulations of the federal wartime explosives act to permit manufacture and sale of these pyrotechnics, of limited size and variety, for public use in patriotic and similar observances. Its action, the bureau emphasized, does not authorize the use of firecrackers, etc., in areas where it is prohibited by city, county or state laws.

Director R. R. Sayers of the mines bureau said the principal reason for the relaxation of the order was to permit disposal of stocks of fireworks already on hand.

### Giant Sub-Boats Being Used by Nazis, Report

LONDON, May 27.—(AP)—The Germans have developed high 3,000-ton submarines carrying two eight-inch guns and 14 torpedoes for long-range raiding and are believed sending them in relays to harry the eastern coast of North America, reports from the continent declared today.

Naval circles here said the reports of the new submarines are "perfectly feasible."

These U-boats were said to have a surface speed of 20 knots and a submerged speed of 11 knots.

It was said here that through tactics of sending relays of submarines the nazis hope to pin the balance of United States naval forces in home waters and prepare the way for blows at british

### Learn the Truth About BOWEL WORMS

Roundworms can cause more trouble than you think. And these horrible creatures may be living and growing inside you or your child right now without your even knowing it, because anybody, anywhere can "catch" this nasty ailment.

So, watch for the warning signs: flatulence, "icky" appetite, uneasy stomach, loss of weight, itchy nose or seat. Get JAYNE'S VERMIFUGE if you even suspect roundworms. It's America's leading proprietary worm medicine; scientifically tested and used by millions for over a century.

JAYNE'S drives out stubborn large worms, yet acts very gently. When no worms are there it is just a mild laxative. Be sure you get JAYNE'S VERMIFUGE!
