

Yanks Push Tigers From 2nd Place; Boston Moves Up

(By the Associated Press)

The New York Yankees contributed another change to the American league standings yesterday by beating Detroit 4-1 and knocking the Tigers out of second place. Rookie Borowy pitched four-hit ball to achieve his fourth consecutive victory.

The Boston Red Sox took advantage of the opportunity to move ahead of Detroit with a 7-4 triumph over the St. Louis Browns. Doerr led the Red Soxers with four hits, including a homer and a double, and regained the league's batting leadership with .390.

Five Washington errors, two of them by a rookie second baseman named Ellis Clary, brought up last week from Chattanooga, helped the Cleveland Indians gain a 7-6 decision against the Senators in a 10-inning game at the capital.

The Brooklyn Dodgers' game at St. Louis was postponed until tomorrow, limiting National league activity to two games.

At Cincinnati each team was held to five hits but the New York Giants curbed the Reds 3-1. Lohman of the Giants pitched shutout ball except for Lamanno's seventh homer, while his teammates linked two walks, two hits and an error to score all their runs in the first inning.

At Pittsburgh the Pirates supplanted Boston in fifth place by beating the Braves 10-2. It was the eighth straight loss for the Braves.

Ed Smith held the Athletics to two hits and yet was beaten 2-0 as the Chicago White Sox slumped into last place in the standings.

Seals Climb Up To 5th Place By Beating Rainiers

(By the Associated Press)

The San Francisco Seals defeated Seattle, 6 to 4, last night to take over fifth place in the Pacific coast league baseball race, two percentage points behind the Rainiers.

Libke, Seattle hurler, gave the Seals six hits and a six-run lead before Bevens took over in the seventh. Two miscues and three hits added five runs in the sixth after the Seals tallied one on two hits in the third.

Jansen, Seal slinger, had a four-hitter to his credit until the ninth when he gave up three hits and his teammates erred twice to give the Rainiers their four scores.

The best pitching performance of the evening was turned out at Hollywood by Root, who gave up two hits in hurling the Twinkos to a 7-to-1 win over Portland.

Liska, Beaver submarine-ball ace threw just right for Twink batters who pounded him for a dozen bingles and the seven runs scored before Shafer relieved in the eighth.

The Los Angeles Angels continued their league-leading pace in their first appearance of the season before Sacramento fans who saw the home team suffer a 7-to-2 mauling.

Beers, youthful pride of the Solon hurling staff, was unable to fool the heavy-hitting Angels, who blasted him from the mound in seven innings with ten bingles and the winning total of runs.

Solon batmen, paced by Lake, who collected three hits in four tries, and Adams, who cracked out his 13th homer of the season, tagged Prim's offerings for nine safeties.

San Diego routed Oakland, 5-to-1, behind the five-hit twirling of southpaw Olsen, whose teammates cooperated by pounding Chelini for 11 hits. The loss cost Oakland fifth place.

Business Women Have Busy Year, Report Reveals

(By the Associated Press)

The Roseburg Business and Professional Women's club has experienced a very busy year, particularly through participation in war and defense work, according to the annual report submitted by Stella Spencer, retiring president.

The club, it is related in the report, aided in the collection of scrap aluminum, taking delivery trucks and making actual pickups. The club also participated in the Red Cross drives, women's defense employment registration, contacted merchants to sell defense stamps, and joined in other such activities.

Members of the club hold chairmanships on the defense council and in the war bond and stamp sales committee. The group has been divided in both teaching and taking instruction in nutrition classes. Members are working in the motor corps, first aid unit, home nursing, sewing, knitting and other civilian defense work. Other activities include work for the Red Cross, Bundles for Britain, Bundles for Blue Jackets, Keep Oregon Green campaign, canteen groups, etc.

Club donations have included money given to China Relief, war zone mobile kitchen, Red Cross, Christmas party for veterans and other activities.

"When one realizes that the

number needed to maintain the filter board and observation posts in Douglas county number around 4,000, of which 2,760 are women, one knows that there also is a call for a great percentage of business women to donate a great deal of time," the report says.

In spite of these activities, the president says, the club found time to raise necessary funds and make all arrangements for a state convention which proved successful beyond all anticipation.

Interest in club activities, it is stated, has been maintained through weekly noon luncheons. The report further points out that both individually and with club funds members have purchased more than \$8,750 worth of war bonds.
