CAIRO, June 13—(AP)—Repulsed at El Adem, 15 miles due south of Tobruk, Field Marshal Rommel struck with a full armored division today toward Acroma, some 10 miles west of Tobruk, against stiff British resistance.

A British communique announced that "all our positions are intact."

The RAF, meanwhile, announced that it had struck a heavy blow at the German mechanized columns in the forward battle area and hammered hard at Rommel's lines of transport and supply.

"When freedom from her mountain height Unfurled her standard to the air.

She tore the azure robe of night And set the stars of glory there.

She mingled with its gorgeous dyes The milky baldric of the skies.

And striped its pure, celestial white With streakings of the morning light;

Then, from his mansion in the sun, She called her eagle bearer down

And gave into his mighty hand The symbol of her chosen land.

Flag of the free hearts' hope and home! By angel hands to valor given! Thy stars have lit the Welkin dome,

And all thy hues were born in heaven. Forever float that standard sheet!

Where breathes the foe but falls before us; With freedom's soil beneath our feet,

And freedom's banner streaming o'er us." Amen. (J. Rodman Drake.)
