THE DOUGLAS COUNTY DAILY

VOL. XLVII NO. 70 OF ROSEBURG REVIEW

ROSEBURG, OREGON, SATURDAY, JUNE 27, 1942.

VOL. XXX NO. 270 OF THE EVENING NEWS

**WEEK FROM TODAY—**

What will be the war picture on the Egyptian, Crimean and Kharkov fronts, and will the U. S. air force be dropping bombs on Germany. Read wire dispatches in the NEWS-REVIEW for the answers to these important questions.

## OPERATIONS PLANNED TO AID SOVIET, ROOSEVELT SAYS

### In The Day's News

By FRANK JENKINS

THE news leaves little doubt that the big push against the Russians is beginning.

The spearhead of the push is at Kharkov. The purpose is undoubtedly to break through the Russian lines, dash on to the head of the Sea of Azov and so encircle and trap the Russian armies in the south.

Your map will make this purpose fairly clear.

THERE is plenty of evidence of USE of the typical German blitzkrieg technique. The dispatches tell of 200 German tanks massed on a narrow front. Presumably they are paced by dive bombers from bases prepared by the Germans during the past winter and spring—the two forces acting as a team and striving to smash a hole in the Russian lines and fan out to the rear.

As these words are written, there is no mention of the result the Germans HOPE FOR as a result of these methods. There seems to have been as yet no break through. Up to the time these words are written, the Germans haven't even claimed such a success.

THERE is much mention of terrible slaughter of the attacking nazis, who are said to be throwing men recklessly into the struggle. History tells us that in such a battle victory is likely to go to the side with the LAST RESERVES.

THE Russians are said to be meeting the German tank assaults with heavy anti-tank fire and to be leading the enemy

### Civic, Fraternal Bodies in Douglas Buy War Bonds

War bond purchases amounting to approximately \$10,000 have been made by civic organizations and fraternal orders of Douglas county from their respective treasuries. Mrs. W. M. Campbell reported today. Mrs. Campbell is chairman of the civic and fraternal section of the Douglas county war savings committee. The report, it is stated, is not complete, as some organizations are known to have reported bonds but were not listed with the committee. Such organizations are requested to notify Mrs. Campbell in order that a complete record may be maintained.

Organizations so far listed include the following:

- Smith River: Smith River grange.
- Drain: Drain Civic club, American Legion auxiliary.
- Reedsport: Masonic lodge, Rebekah lodge.
- Oakland: Masonic lodge.
- Calapooia: Calapooia Sewing club.
- Myrtle Creek: Maple lodge, Myrtle lodge.
- Canyonville: Masonic lodge, Odd Fellows lodge.
- Elgarose: Elgarose Comfort club.
- Roseburg: Baptist Women's society, Junior high school student body, Future Farmers of America of Roseburg senior high school, Eagles lodge, Umpqua post and auxiliary of the American Legion, Eastern Star lodge, Kiwanis club, Masonic Commandry, Lions club, Roseburg Business and Professional Women's club, P. E. O. sisterhood.
- The largest amount invested by any group was by the Eagles lodge of Roseburg, which invested its building fund, amounting to \$5,750, in war bonds.

## 42 BILLION BILL FOR ARMY GIVEN COMMITTEE O. K.

### House-Backed Fund Due For Senate Vote

Companion Bill to Boost Navy Passed Without Urge for Battleships

WASHINGTON, June 27—(AP)—A \$42,820,000,000 military supply bill providing funds for the purchase of 23,550 warplanes and the equipping of an army of 4,500,000 men was unanimously approved today by the senate appropriations committee.

The record-breaking measure, already passed by the house vote 352 to 0, is expected to go before the senate Monday.

Included in the total was \$12,700,000,000 for the lend-lease material, increasing to \$62,944,630,000 the amount thus far voted by congress for aid to others of the United Nations.

Senator Thomas, chairman, said the committee made only one minor change in the house bill, deleting a section permitting army camp newspapers to obtain advertising. He said it was hoped the house would accept this change without debate, speeding the bill to the president for his consideration next week.

No attempt was made within the committee to reduce the amount of the appropriations or to delay their effectiveness, Thomas and other committee members said.

Thomas said testimony taken in closed sessions convinced him that all of the money should be made available at once, despite the fact that the war department had a backlog of about \$35,000,000,000 in appropriations on which contracts had not yet been let.

"I want the army to have the money it needs when it needs it," (Continued on page 6)

### New Chief Of U. S. Air Forces In Hawaiian Area

New commanding general of the Seventh U. S. army force in charge of the entire Hawaiian area is Maj. Gen. Willis H. Hale, shown above. He replaces Major General Clarence L. Tinker, missing in the battle of Midway.

### Major Raid To Hit Tokyo Soon, Claim

Doolittle's Aide Quoted On Plan; Japs Blasted In Attack on Port Moresby

ASBURY PARK, N. J., June 27—(AP)—The army plane a major raid on Tokyo soon, a navy officer told the annual encampment of the New Jersey department, Veterans of Foreign Wars.

Ensign Richard McShane Kelly said last night that an aide of Brig. Gen. James H. Doolittle, leader of the April 18 bombing raid on Japanese cities, had told him of the army's intentions.

"The Japs will think the last one was a tea party," said Kelly. "We will have more bombs and more planes."

"If the United Nations lose China and Russia," he commented, "the invasion of America and the British Isles will not only be probable but inevitable."

JAP PLANES DOWNED IN ATTACK ON PORT MORESBY

ALLIED HEADQUARTERS, Australia, June 27—(AP)—Allied interceptor planes engaged 18 heavy Japanese bombers yesterday over Port Moresby, New Guinea, and probably shot down six to 10 of them, General MacArthur's headquarters reported today.

The bombers dropped bombs near the airfield without causing serious damage, the communiqué said. Six to 10 of the (Continued on page 6)

### Goering's Nephew Dies In Battle With RAF

LONDON, June 27—(AP)—A DNB announcement, heard here today, said Walter Goering, 21-year-old nephew of Reichsmarshal Hermann Goering, German air minister, had been killed in an air battle with the RAF on the western front.

Goering was a lieutenant in a German fighter squadron, the broadcast said.

### Axis Sub Sunk By U. S. Cargo Boat

A FLORIDA PORT, June 27—(AP)—The alert navy gun crew of a United States cargo ship hit and almost certainly sank an axis submarine off the coast of Cuba, the master of the vessel said today.

Capt. John E. Ellison of Upper Darby, Pa., said the raider was taken by surprise and did not have time to fire torpedoes or get its deck gun into action. Its machine gun went into action and about 30 bullets struck the ship without doing any damage.

The American ship's engines were not running, so the submarine apparently had not been warned of its presence by listening devices and was caught by surprise as it came to the surface, Captain Ellison said.

The first shot from the merchantman was a near miss. The second fired at about 200 feet, point blank range, struck the submarine at the conning tower, just forward of the conning tower, as the craft seemed to be crash-diving.

At this shot "there was a muffled explosion, and the submarine turned over sideways as it went down," Hansen said.

"There is no doubt in my mind that we got the sub," he added. "The whole thing didn't last over three minutes."

### Bridge Near Dillard to Be Repaired by State

SALEM, June 27—The so-called Dillard highway bridge spanning the Umpqua river a few miles south of Roseburg, is to be repaired by the state highway commission at a cost of approximately \$50,000, rather than being rebuilt entirely at an expense of \$75,000.

A PORTION of the many tons of rubber collected in Douglas county during the national salvage campaign now closing. In the upper photograph appear Lynn Beckley and Steve Cooper, Shell Oil company employees, with a cargo picked up by them; in the lower is a truckload of four tons delivered by "Dutch" Miller from the N. R. Fisher store at Kelly's Corner south of town.

## Nazi Power to be Diverted, Assertion Following Huddle With Churchill

### Axis Forces Open Assault On Matruh

Egypt's Fate Resting On Result; Reds Hurl Nazis Back at Sevastopol

(By the Associated Press)

Italian headquarters said today that axis motorized forces "have made contact with the defenses of Matruh," indicating that Field Marshal Rommel had opened his grand assault in the four-day-old battle of Egypt.

Matruh, 130 miles inside Egypt, is the main British stronghold barring Rommel's path to the rich delta lands of the Nile and the Suez canal.

With mastery of the entire middle east perhaps hanging in the balance, Gen. Auchinleck's British imperial armies were said to have been reorganized and reinforced to meet the axis onslaught.

Supply Line Bombed

Dispatches from Cairo said damaging blows by U. S. army and RAF bombers had already gained precious hours for the realignment of the hard-hit British 8th army, worn by the long re-

(Continued on page 6)

### Nazi Reward Renegade Czechs in Heydrich Case

BERLIN (from German Broadcasts), June 27—(AP)—Two Czechs have divided a German reward of 10,000,000 Czech crowns (\$500,000 by pre-war standards) for supplying information which led to the shooting of two men as the assassins of the gestapo's Reinhard Heydrich, according to a Prague announcement.

The Bohemia-Moravia protectorate government was said to have paid an additional 5,000,000 crowns to seven Germans and 52 Czechs.

### Russian Soldier Wins Admiration

Leader of the soviet western armies, Marshal S. K. Timoshenko, above, has become No. 1 military hero of his country, commands the unqualified admiration of United Nations leaders. Although his army has suffered reverses in the Kharkov region, he has skillfully prevented the nazis from either inflicting a decisive blow or launching a pincers move toward the adjacent Crimean area.

### Douglas Budget Items Targets Of Heated Attacks

The public hearing on the annual county budget was continued this afternoon, after slow progress had been made during the morning hours. Little objection was voiced to any of the proposed budget expenditures, but heated debate developed concerning policies connected with some departments.

The question raised last year concerning separation of the office of county agent from the office of auditor was the subject of discussion. It was proposed that the county court ask the county agent to resign as secretary of the local AAA committee. Mr. Parker stated that he had no objection to submitting his resignation, but that he is required to attend committee meetings and that therefore no time would be saved and no gain made in efficiency. The argument then swerved to the question of the merit of the AAA program in which no decision was reached.

A lengthy argument also developed over the matter of payment of bounties on predatory animals. A request was made that the government hunters be instructed to avoid use of poison in areas where residents raised objection to the methods. Others, however, contended that poison must be uniformly used, or satisfactory results are unobtainable.

### Prices of Gasoline, Fuel Oil in East Increased

WASHINGTON, June 27—(AP)—An increase of 24 cents a gallon in the retail price of gasoline and 2 cents a gallon for ordinary domestic fuel oils and kerosene was approved for the eastern seaboard today by the office of price administration.

### Wallace's Vote Breaks Tie, Saves CCC Measure

WASHINGTON, June 27—(AP)—Four senate "nay" men were forced by senate rules today to turn "yes" men and fight for retention of the civilian conservation corps even though they had voted against it.

This situation developed because senate members of a joint conference committee, although personally opposing it 4 to 3, were bound to argue for a \$76,529,000 appropriation to keep the CCC alive. The grant was approved only by virtue of a vote by President Wallace yesterday, breaking a 32-32 tie.

The house previously had voted to liquidate the CCC by denying the funds.

The vice president's action prevented defeat of an amendment providing the money as part of the \$1,157,000,000 labor-security appropriations bill. The senate passed the bill as a whole a few minutes later and Wallace appointed members to settle differences with the house.

### Roseburg Youth One of 4 Accused of Auto Theft

Donald Riley, 17, of Roseburg, is one of a group of four youths who broke out of the Polk county jail Wednesday afternoon. Two of the group, Henry Barnett, 18, and Raymond Allen, 17, both of California, were sentenced Friday by Circuit Judge Arle G. Walker of McMinnville to three years in the state penitentiary, but Riley and Jack Truxall, 17, West Salem, were referred for probation study.

### Salem Man Killed, Four Others Hurt in Crash

SALEM, June 27—(AP)—E. L. Swanson, 61, veteran employee of the state printing department here, was dead today and four other persons, including his wife, in hospitals as the result of an automobile-wood truck collision at the edge of Salem Friday night.

### Relief For Chinese Also On Program

U. S. Air Force in Britain Laying Groundwork for Mass Raids on Germany

WASHINGTON, June 27—(AP)—President Roosevelt and Prime Minister Churchill of Britain declared in a joint statement today that "coming operations" of the United Nations "will divert German strength from the attack on Russia."

"While exact plans, for obvious reasons, can not be disclosed," said the joint statement released simultaneously in Washington and London, "it can be said that the coming operations which were discussed in detail at our Washington conference between ourselves and our respective military advisers, will divert German strength from the attack on Russia."

The statement also said it was hoped that as a result of other steps "planned" at the week of Roosevelt-Churchill conferences concluded Thursday, "the respective navies will further reduce the toll of merchant shipping."

Without the time and other details of what may come now, the statement declared the United Nations, as a result of the conferences, "have never been in such hearty and detailed agreement on plans for winning the war as they are today."

The two leaders applauded Russia's gallant resistance to the "main attack" being made by Germany and rejoiced in the "magnificent resistance" of the Chinese army.

They added that detailed discussions were held with military advisers of the United Nations on "methods to be adopted against Japan and the relief of China."

Brighter Outlook Seen

Calling attention to the fact that the two war leaders had met twice before—before and after the United States entered the war—the joint statement declared there was no doubt in the minds of Roosevelt and Churchill that the "overall picture is more favorable to victory than it was either in August or December of last year," the occasions of their two previous conferences, the first in the Atlantic on board warships and the second at the White House.

To Reduce Ship Toll

The statement pointed out that while the munitions production (Continued on Page 6)

### LIBERTY LIMERICKS

A sailor named Patrick O'Shay Said—"I've just collected my pay, And nuts to the blondes, I'm going to buy bonds— They'll come in real handy some day."

Help buy a battleship to sink Hitler! Every U. S. Defense Stamp and Bond helps keep the tools for Victory. Buy every pay day!
