What You Buy With WAR BONDS

Essential in the equipment of every Soldier, Sailor, Marine or Flyer is a first aid kit, consisting of bandages and antiseptics for instantaneous use. These materials are packed into a compact box and cost about \$1.50 each.

We need millions of these first aid kits for emergency treatment. They are also used by Red Cross workers, in field hospitals and wherever needed until hospital treatment may be obtained. Even a child could buy one or more of these kits through purchase of War Stamps. Buy War Bonds and Stamps every pay day and invest at least ten percent of your income in these government securities. Deadlock on Farm Fund Bill Holds

WASHINGTON, June 29.—(AP)—A further attempt to break the house-senate deadlock over the annual farm appropriation bill failed today, Senator Nye (R-ND) reporting that the conferees from the two chambers "got nowhere at all."

With the current appropriation on the eve of expiration, the conferees arranged to meet again tomorrow after the house group first holds a separate huddle.

The impasse involves these issues:

Senate approval for the sale of 125,000,000 bushels of government wheat at a price approximating 83 cents a bushel for livestock feeding, despite a house ban on sales at less than a full parity price of about \$1.34.

A senate provision which would add soil conservation payments to market prices when computing parity payments under the federal farm benefit programs.

A senate fund for liquidation of a defense home rural relocation project.

Senate increases in funds and loan authority for the federal security administration for the tenancy and rural rehabilitation programs.
