DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

"The spiritual liberties of mankind are in jeopardy. Their religious freedom is at stake, the road ahead is dark and perilous, yet we and our associates in the great alliance of the United Nations are determined to establish a new age of freedom on this earth. We are dedicating all that we have and are to that end. We are fighting in that cause at the side of valiant forces, representing every race and every creed, and with the united help of all free men and of all the great institutions of freedom of which the churches of the free stand, first we shall create a new world in which there is freedom of worship and utterance, freedom from want and from fear, for all peoples everywhere in the world. How well suited is this message at the present time, among the nations of the earth. Multitudes have no sense of abiding security or ability. Everywhere men are looking for guidance. We must find strength in these days of conflict. Steadiness of purpose amid the storm of battle. This only will be found in God, strength of faith that God will be our refuge in time of need. Amen.

2-1 Verdict Gives Angott Third Win Over Montgomery

PHILADELPHIA, July 8.—(AP)—Lightweight champion Sammy Angott had to his credit today a third straight win over Philadelphia's Bob Montgomery, but his latest victory has started a controversy that may lead to a fourth meeting.

Angott bulldied and mauled his way to a split decision over Montgomery here last night in a 12-round non-title scrap. The decision was booed by many in the crowd, but there seemed to be as many who declared the decision was just.

Eagles to Increase Local Equipment For Life-Saving

The Eagles lodge, which in 1938 donated to the Roseburg fire department a boat which has been used on several occasions for life-saving purposes, took steps at the regular meeting Tuesday night to add materially to the equipment.

William Unrath, a member of the lodge, donated a life belt, while the lodge voted to purchase additional belts and bathing suits to be made a part of the equipment. Harold Horn, also a member of the lodge, offered use of a 5-h. p. outboard motor.

All-Stars of American Blank Military Team

CLEVELAND, July 8.—(AP)—The American league All-Stars have proved by all tests that they are, currently, the mightiest in baseball.

In Cleveland's stadium last night, the triumphant American leaguers also proved their pitching was too sharp for eyes dulled by months of devotion to another task and their bats too potent for pitching arms grown rusty in the armed services of their country.

Umpqua Forest Restrictions Are Put Into Effect

Certain forest restrictions were put into effect today on the Umpqua national forest, according to V. V. Harpham, supervisor. There are two types of closures which will be applied to areas on the Umpqua. Most of the forest area north of the North Umpqua river and other designated areas of high fire hazard will be covered by a class 2 closure, which means that the general public will be excluded from such areas, and permits will be issued for entry to those having business in them, such as miners, logging operators, stockmen, and, of course, bona fide residents. Most of the rest of the forest area will be covered by a class 3 closure, which means that anyone may enter after registering.

In the class 3 closures, persons wishing to enter for the purpose of camping or fishing or for other recreational use may do so, but recreationists will be excluded from class 2 closed areas. The North Umpqua road and river up as far as Steamboat guard station are open to unrestricted use as usual, as is also the area immediately surrounding Diamond lake. Likewise the Tiller-Trail highway and the Diamond rock and Three Horn roads, all on the South Umpqua district, and the Brice creek road on the Bohemia district are open to public travel without registration.

Portland, Seals Triumph Behind Veteran Hurlers

(By The Associated Press) Two veteran Pacific coast league pitchers are tabbed as "old reliables" by their respective fans today.

Speece, Portland hurler, turned out a five-hitter that beat the Rainiers, 4 to 1.

Speece was working his best performance of the year, his teammates were pounding Barrett, who leads the league in games won, for nine hits.

At Hollywood, the San Francisco Seals, who pushed the Beavers into a far corner of the cellar last week, called on Gibson, 42-year-old twirler, and he shut out the Stars, 2 to 0, with a four-hit stunt. Seal batsmen tapped out six hits in eight innings of chugging by Gay, but failed to touch the offerings of Root, who relieved in the last frame.

Oakland continued to have trouble as they dropped a 6 to 7 decision to Los Angeles at Emeryville after they had the Angels blanked, 6 to 0, going into the seventh. Angel stickmen drove Buxton from the hill in that inning by starting a five-run rally. Dibiasi took over to yield the ty-
